Bertolini, 1994 Back to the Heart of Youth Work is a passionate appeal to youth workers both volunteer and professional who from time to time may feel battered bruised and bleeding Written from one homesick soldier to another this book is offered in the hope of rekindling a flickering flame into a blazing inferno within the heart of every youth worker who reads it Based on the truth that effective ministry can result only from the overflow of an intimate walk with Jesus Christ this book shows you how to develop proven character a biblical philosophy of ministry and a practical methodology Back cover      *This Way to Youth Ministry* Duffy Robbins, 2004 Practical applications theological foundations and valuable information for the student beginning a youth ministry      *Starting Right* Kenda Creasy Dean, Chap Clark, Dave Rahn, 2010-05-11 Starting Right Thinking Theologically About Youth Ministry is the first academic textbook that introduces youth ministry students whether undergraduate or graduate level to a marriage of solid research real life and accessible design Whereas most college level

texts may reflect a thorough though impenetrable mastery of the field they tend to expect readers to plow through unnecessarily thick prose and bland design because it's good for them Youth Specialties doesn't agree In this debut title to a continuing academic book line college and seminary students will be introduced to real life research real life youth ministry dilemmas and real life solutions Contributing writers represent a spectrum of Christian Education thought and practice as well as widespread recognition in their field transdenominational yet the perfect background to ministry in any denomination or ministry organization This text includes thorough indexes design and graphics that compel readers from page to page now that's a first for a college text organization that permits professors to use any part of the text in any order rather than plod through the entire book from beginning to end a perfect primary text that gives students a rich academic and readable though not popular grasp of every aspect of youth ministry a typical Intro course touches while also serving as an ideal secondary text
