Black Writers Interpret the Harlem Renaissance Cary D. Wintz, 2020-11-25 First Published in 1996 One of the most interesting features of the Harlem Renaissance was the degree to which black writers and poets were involved in promoting and analyzing their own literary movement One of its formative events was the 1926 attempt by Wallace Thurman Langston Hughes and other young writers to publish a literary magazine FIRE This was the first of several efforts by black writers to establish literary journals While these efforts failed the magazine Opportunity employed a series of black poets as columnists to analyze and review black literary efforts This volume collects the writings of this important literary journal as well as including many autobiographical and historical sketches *Boom's Blues* Wim Verbei, 2017-05-09 Boom s Blues stands as both a remarkable biography of J Frank G Boom 1920 1953 and a recovery of his incredible contribution to blues scholarship originally titled The Blues Satirical Songs of the North American Negro Wim Verbei tells how and when the Netherlands was introduced to African American blues music and describes the equally dramatic and peculiar friendship that existed between Boom and jazz critic and musicologist Will Gilbert who worked for the Kultuurkamer during World War II and had been charged with the task of formulating the Nazi s Jazzverbod the decree prohibiting the public performance of jazz Boom s Blues ends with the annotated and complete text of Boom s The Blues providing the international world at last with an English version of the first book length study of the blues At the end of the 1960s a series of thirteen blues paperbacks edited by Paul Oliver for the London publisher November Books began appearing One manuscript landed on his desk that had been written in 1943 by a then twenty three year old Amsterdammer Frank Frans Boom Its publication to which Oliver gave the title Laughing to Keep from Crying was announced on the back jacket of the last three Blues Paperbacks in 1971 and 1972 Yet it never was published and the manuscript once more disappeared In October 1996 Dutch blues expert and publicist Verbei went in search of the presumably lost manuscript and the story behind its author It only took him a couple of months to track down the manuscript but it took another ten years to glean the full story behind the extraordinary Frans Boom who passed away in 1953 in Indonesia *Opportunity* Elmer Anderson Carter, 1969 "Honey in the Rock" Olivia Solomon, Jack Solomon, 2002 Report of the Chairman of the Faculty University of North Carolina at Chapel Hill, 1926 **The President's Report** University of North Carolina (System), 1923 *Long Steel Rail* Norm Cohen, 1981 Impeccable scholarship and lavish illustration distinguish this landmark study of American railroad folksong Norm Cohen provides a sweeping discussion of the human aspects of railroad history railroad folklore and the evolution of the American folksong The heart of the book is a detailed analysis of eighty five songs from John Henry and The Wabash Cannonball to Hell Bound Train and Casey Jones with their music sources history variations and discographies A substantial new introduction updates this
