Bush's record as a president is abysmal And it's time to impeach him The Case for Impeachment lays out the reasons why in a straightforward letter-of-the-law manner Mixing the cold hard facts with the lies and deceptions of this administration The Case for Impeachment is a serious consideration of Bush's high crimes and misdemeanors while in office This important and timely book will serve as a rallying cry for all those fed up with George W.

Bush's abuses of power It's time for the American people and Congress to act With so much at stake we have a president whose administration stands out in its criminality and disdain for the rule of law The Case for Impeachment explains the legal history and grounds for impeaching George W Bush and brings forth more than a half dozen articles of impeachment the likes of Lying and inducing Congress and the American people into an unjust war Allowing his friends and business cronies to profiteer off the war in Iraq Authorizing torture and rendition of prisoners of war and suspected terrorists a complete violation of the Geneva Conventions a treaty the U S has signed and is therefore part of our law Stripping American citizens of their Constitutional rights holding people with no charge wiretapping them illegally offering them no trial and never allowing them to face their accusers Failing in almost every way possible to defend the homeland and our borders Hard hitting and persuasive in its argument The Case for Impeachment will be one of the most talked about political books for the pathetic remainder of the Bush Presidency

The One Ronny Russell,2013-12-17 The parable in Luke 15:17 can be seen from three angles The dilemma of the shepherd is whether or not to leave the ninety-nine and go in search of the one lost sheep It may not make sense economically and rationally but he leaves them anyway and begins his search The poor sheep has wandered away and is lost not hopelessly so but lost The sheep does have hope and it rests with the shepherd whose love for her is so vast and so relentless that he won't rest until he finds the sheep And then there's the ninety-nine Their attitude and behavior toward the lost sheep is paramount in the story Will they join in the search Will they celebrate with the shepherd once the sheep is returned Or will they criticize and whine about how the shepherd spends all his time searching for the one who is lost *The One* explores the foundational nature of this parable and how important its implications are for the church and one's own walk with the Lord The value that God places on the one is life-changing for those who come to understand it An intense and powerful vision shared through the lens of author Ronny Russell's personal and professional spiritual journey Authenticity is found in every paragraph that rings with empowering truth inspiration and encouragement for the one I have watched Ronny's journey for decades and found his passion to be deep contagious and transformational for the one and the remnant who seek meaning in our fast-paced world filled with churches that often miss the one to preserve the institution Ronny serves Christ above all and finds hope in God's calling and gifting as a member of the body of Christ Truly a worthy and engaging read Edward Hammett author of *Spiritual Leadership in a Secular Age* and *Recovering Hope for Your Church*

Pam Spencer,Pam Spencer Holley,1994 Contains entries for over 1,300 books aimed at young adult readers Titles have been selected on the basis of their currency appeal to readers and literary merit The Shame of the Nation Jonathan Kozol,2006-08-01 Since the early 1980s when the federal courts began dismantling the landmark ruling in *Brown v Board of Education* segregation of black children has reverted to its highest level since 1968 In many inner city schools a stick and carrot method of behavioral control traditionally used in prisons is now used with students Meanwhile as high stakes testing takes on pathological and punitive dimensions liberal education has been

increasingly replaced by culturally barren and robotic methods of instruction that would be rejected out of hand by schools that serve the mainstream of society Filled with the passionate voices of children principals and teachers and some of the most revered leaders in the black community *The Shame of the Nation* pays tribute to those undefeated educators who persist against the odds but directly challenges the chilling practices now being forced upon our urban systems In their place Kozol offers a humane dramatic challenge to our nation to fulfill at last the promise made some 50 years ago to all our youngest citizens

Knowing Sin Mark Jones,2022-02-01 The first rule of combat is know your enemy We don't talk a lot about sin these days But maybe we should The Puritans sure did because they understood sin's deceptive power and wanted to root it out of their lives Shouldn't we want the same Though many books have been written on the doctrine of sin few are as practical and applicable as this one In *Knowing Sin* Mark Jones puts his expertise in the Puritans to work by distilling the vast wisdom of our Christian forebears into a single volume that summarizes their thought on this vital subject The result isn't a theological tome to sit on your shelf and gather dust but a surprisingly relevant book to keep by your bedside and refer to again and again You'll come to understand topics like Sin's Origin Sin's Grief Sin's Thoughts Sin's Temptations Sin's Misery Sin's Secrecy and of course Sin's Defeat None of us is free from the struggle with sin The question isn't whether we're sinful it's what we're doing about it Thanks be to God there is a path to overcoming sin And the first step on that path to victory is knowing what we're up against Start *Knowing Sin* today
