**Sri A. Ghose**

## **Six Pillars Introductions To The Major Work Of Sri Aurobindo:**

Six Pillars Robert A. McDermott, 1974      **Six Pillars** Robert McDermott, 2012 Sri Aurobindo 1872-1950 was one of the great twentieth century figures of India. Over the course of his lifetime he helped India's struggle for freedom and became a leading yogi, philosopher, and poet of his time and culture. In his teaching, Sri Aurobindo went well beyond Eastern philosophy and religion, synthesizing it with Western traditions, even spending two years of his youth at Loreto Convent in Darjeeling, West Bengal. In 1879, Aurobindo and his two elder brothers were taken to Manchester, England, for a European education and placed in the care of Rev. Drewett, an Anglican clergyman, and his wife. In 1884, Aurobindo joined St. Paul's School, where he learned Greek and Latin and spent three years studying literature, especially English poetry. By 1910, Sri Aurobindo's focus was directed entirely toward spirituality, and he settled in Pondicherry, India, where he taught, wrote, and published his greatest works. His spiritual vision extended beyond the perfection and transformation of the individual to include the evolution and transformation of human society. According to his teaching, a true solution to humanity's problems arises from a radical transformation of human life into a form of divine existence. The one aim of my yoga is an inner self-development by which each one who follows it can in time discover the One Self in all and evolve a higher consciousness than the mental, a spiritual and supramental consciousness which will transform and divinize human nature. Sri Aurobindo. For everyone interested in the philosophical and spiritual vision of the great Indian thinker, Sri Aurobindo, the revolutionary turned yogi, this outstanding collection of masterly introductions, first published in 1974, offers original reflections and interpretations of Sri Aurobindo's six major works, all written by distinguished scholars of religion and philosophy rather than devotees. Long out of print and difficult to find, *Six Pillars* is again available for contemporary readers. Contents: Foreword by Ursula King, John Collins, Savitri; Poetic Expression of Spiritual Experience, Thomas Berry; The Foundations of Indian Culture, its Contemporary Significance, Thomas J. Hopkins; The Vision of the Purushottama in *Essays on the Gita*, J. Bruce Long; A New Yoga for a New Age, A Critical Introduction to The Synthesis of Yoga, Eugene Fontinell; A Pragmatic Approach to the Human Cycle, Robert McDermott; The Life Divine, Sri Aurobindo's Philosophy of Evolution and Transformation, Introductions to the Major Works of Sri Aurobindo, provides readers with a portal into the thinking of one of India's greatest figures of past century. Aurobindo, the revolutionary turned yogi, was a puzzle to his contemporaries and remained one to later generations. This is probably still true today. But puzzles are there to be solved. These essays can help to do that. They dissolve some of the enigmas that surround Sri Aurobindo, even though not answering all our questions. They provide much substance for thought and further discussion and invite us to gain a deeper familiarity with one of the great minds of modern India, whose inspiring spiritual message can transform one's life and help to change the world. Ursula King, from the foreword.      The Essential Aurobindo Sri A. Ghose, 1987. This is an introduction to Sri Aurobindo, considered by the author to be one of the most profound and relevant contemporary Asian masters speaking to the West. His vision, he contends, transcends the different

strengths and weaknesses of India and the West      **Thirty-Five Oriental Philosophers** Diané Collinson, Dr Robert Wilkinson, Robert Wilkinson, 2002-01-04 These are questions to which oriental thinkers have given a wide range of philosophical answers that are intellectually and imaginatively stimulating Thirty Five Oriental Philosophers is a succinctly informative introduction to the thought of thirty five important figures in the Chinese Indian Arab Japanese and Tibetan philosophical traditions Thinkers covered include founders such as Zoroaster Confucius Buddha and Muhammed as well as influential modern figures such as Gandhi Mao Tse Tung Suzuki and Nishida The book is divided into sections in which an introduction to the tradition it covers precedes the essays on its individual philosophers Notes further reading lists and cross references provide the student with a clear route to further study There is a glossary of key terms at the end of the book

*The Philosophy of Sri Chinmoy* Kusumita P. Pedersen, 2021-06-28 This is the first book length study of the thought of Sri Chinmoy 1931 2007 who became well known during his lifetime as the exponent of a dynamic spirituality of integral transformation which he set forth in an extensive body of writings in both prose and poetry mostly in English but also in his native Bengali He held that all fields of human endeavor can be venues of spiritual transformation when founded in aspiration and contemplative practice He is noted not only as a spiritual teacher but also as an advocate of peace a composer and musician an artist and a sportsman who created innovative programs promoting self transcendence and understanding between people of all cultures and walks of life This study of Sri Chinmoy s philosophy refers to these diverse activities especially in the biographical first chapter but is mainly based on his written works The book s aim is to give to the reader a straightforward and unembroidered account of Sri Chinmoy s philosophy It makes every attempt to allow Sri Chinmoy to speak for himself in his own words and thus provides ample quotation and draws on his poetic works as much as on his other writings      Penguin Sri Aurobindo Reader Makarand Paranjape, Paranjape, Makarand,      Modern Indian Responses to Religious Pluralism Harold G. Coward, 1987-11-15 The study of modern Indian responses to the challenge of pluralism reveals the outcome of 2500 years of experience in this living laboratory of religious encounter and offers wisdom to the modern West in its relatively recent encounter with this challenge A remarkable team of scholars joins forces in this book to examine how religious pluralism actually functions in India It focuses on both the responses from within Hinduism and of other religions in India with chapters on Parsis Indian Islam Indian Christianity Sikhism and Tibetan Buddhism      **The Bhagavad Gita and the West** Rudolf Steiner, 2006-12 5 lectures Cologne Dec 28 1912 Jan 1 1913 CW 142 9 lectures Helsinki May 28 June 5 1913 CW 146 1 lecture Basel Sept 19 1912 CW 139 This combination of two volumes in Rudolf Steiner s Collected Works presents Steiner s profound engagement with Hindu thought and above all the Krishna in the Bhagavad Gita as they illuminate Western Christian esotericism In his masterly introduction Robert McDermott a longtime student of Rudolf Steiner as well as Hindu spirituality explores the complex ways in which the Song of the Lord or Bhagavad Gita has been understood in East and West He shows how Krishna s revelation to Arjuna a foundation of spirituality in India for more than two and a

half millennia assumed a similarly critical role in the Western spiritual revival of the nineteenth and twentieth centuries In the West for instance leading up to Steiner s engagement McDermott describes the various approaches manifested by Emerson Thoreau H P Blavatsky and William James In the East he engages with interpretations of historical figures such as Mahatma Gandhi and Sri Aurobindo relating them to Steiner s unique perspective In addition and most important he illumines the various technical terms and assumptions implicit in the worldview expressed in the Bhagavad Gita The main body of The Bhagavad Gita and the West consists of two lecture courses by Rudolf Steiner The Bhagavad Gita and the Epistles of Paul and The Esoteric Significance of the Bhagavad Gita In the first course his main purpose is to integrate the flower of Hindu spirituality into his view of the evolution of consciousness and the pivotal role played in it by the Mystery of Golgotha the incarnation death and resurrection of Jesus Christ Steiner views Krishna as a great spiritual teacher and the Bhagavad Gita as a preparation though still abstract for the coming of Christ and the Christ impulse as the living embodiment of the World Law and Devotion represented by the three Hindu streams of Veda Sankhya and Yoga For Steiner the epic poem of the Bhagavad Gita represents the fully ripened fruit of Hinduism whereas Paul is related but represents the seed of something entirely new In the last lecture of part one Steiner reveals Krishna as the sister soul of Adam incarnated as Jesus and claims Krishna s Yoga teachings streamed from Christ into Paul In the second lecture course five months later Steiner engages the text of the Bhagavad Gita on its own terms as signaling the beginning of a new soul consciousness To aid in understanding both of these important cycles this book includes the complete text of the Bhagavad Gita in Eknath Easwaran s luminous translation In our age when East and West are growing closer and we live increasingly in a global intercultural and religiously pluralistic world this remarkable book is required reading The Bhagavad Gita and the West is a translation of two volumes in German Die Bhagavad Gita und die Paulusbriefe CW 142 and Die okkulten Grundlagen der Bhagavad Gita CW 146 The lecture in the appendix is translated from Das Markus Evangelium CW 139 and was published in The Gospel of St Mark Anthroposophic Press 1986 [Fifty Eastern Thinkers](#) , *Fifty Eastern Thinkers* Diane Collinson, Kathryn Plant, Robert Wilkinson, 2013-04-03 Close analysis of the work of fifty major thinkers in the field of Eastern philosophy make this an excellent introduction to a fascinating area of study The authors have drawn together thinkers from all the major Eastern philosophical traditions from the earliest times to the present day The philosophers covered range from founder figures such as Zoroaster and Confucius to modern thinkers such as Fung Youlan and the present Dalai Lama Introductions to major traditions and a glossary of key philosophical terms make this a comprehensive and accessible reference resource [Beacons of Dharma](#) Michael Reading, Jeffery D. Long, Christopher Patrick Miller, 2019-12-02 Today s globalized society faces some of humanity s most unprecedented social and environmental challenges Presenting new and insightful approaches to a range of these challenges the timely volume before you draws upon individual cases of exemplary leadership from the world s Dharma traditions Hinduism Sikhism Jainism and Buddhism The volume s authors refer to such

exemplary leaders as beacons of Dharma highlighting the ways in which each figure via their inspirational life work provide us with illuminating perspectives as we continue to confront cases of grave injustice and needless suffering in the world Taking on difficult contemporary issues such as climate change racial and gender inequality industrial agriculture and animal rights fair access to healthcare and education and other such pressing concerns Beacons of Dharma offers a promising and much needed contribution to our global remedial discussions Seeking to help solve and alleviate such social and environmental issues each of the chapters in the volume invites contemplation inspires action and offers a freshly invigorating source of hope

**Revisioning Philosophy** James Ogilvy, 1992-01-01 Papers from a series of conferences organized by the Esalen Institute Program on Revisioning Philosophy a few of the 18 essays have been previously published reflect one common theme the need to out the envelope of contemporary philosophy from its academic constriction are diverse in approach and belief as they address various aspects of philosophical inquiry democracy individualism and pluralism and spiritual traditions and philosophy Paper edition unseen 10 95 Annotation copyrighted by Book News Inc Portland OR

**Gospel of the Open Road** Robert C. Gordon, PhD, 2001-01-28 Gospel of the Open Road reclaims Ralph Waldo Emerson Walt Whitman and Henry David Thoreau as Americas spiritual birthright It rescues them from literary history and reveals them in their true light as democracys prophets of the soul Emerson Whitman and Thoreau were religious seers who developed a new form of spirituality and Gospel of the Open Road explains in scholarly yet passionate fashion the deep wisdom that is their enduring legacy It presents them as a viable spiritual path for those who do not belong and do not want to belong to any organized religion But this book does more It draws fascinating parallels between the new spirituality taught by Emerson Whitman Thoreau and ancient spiritual wisdom as found in shamanism Goddess worship Tantra Taoism Confucianism Vajrayana and Zen Buddhism and Hinduism This book is an evocative synthesis of humanitys most venerable spiritual wisdom and the most modern of philosophical social psychological political scientific and Humanistic concepts It traces the New Age spiritual revolution to its source in Emerson Whitman and Thoreau and explains how to apply their spiritual teachings to our everyday life here on Earth

**Hindu Perspectives on Evolution** C. Mackenzie Brown, 2012-01-19 Providing new insights into the contemporary creationist evolution debates this book looks at the Hindu cultural religious traditions of India the Hindu Dharma traditions By focusing on the interaction of religion and science in a Hindu context it offers a global context for understanding contemporary creationist evolution conflicts and tensions utilizing a critical analysis of Hindu perspectives on these issues The cultural and political as well as theological nature of these conflicts is illustrated by drawing attention to parallels with contemporary Islamic and Buddhist responses to modern science and Darwinism The book explores various ancient and classical Hindu models to explain the origin of the universe encompassing creationist as well as evolutionary but non Darwinian interpretations of how we came to be Complex schemes of cosmic evolution were developed alongside creationist proofs for the existence of God utilizing distinctly Hindu versions of

the design argument After examining diverse elements of the Hindu Dharmic traditions that laid the groundwork for an ambivalent response to Darwinism when it first became known in India the book highlights the significance of the colonial context Analysing critically the question of compatibility between traditional Dharmic theories of knowledge and the epistemological assumptions underlying contemporary scientific methodology the book raises broad questions regarding the frequently alleged harmony of Hinduism the eternal Dharma with modern science and with Darwinian evolution in particular

**Works about John Dewey, 1886-2012** Barbara Levine,2013-11-05 Works of John Dewey 1886 2012 is an invaluable and meticulously compiled resource for the growing number of scholars and researchers seeking a deeper understanding of the work of the prominent American philosopher psychologist and educational reformer Dewey 1859 1952 an influential philosopher credited with the founding of pragmatism and also recognized as a pioneer in functional psychology and the progressive moment in education was hailed by Life magazine in 1990 as one of the one hundred most important Americans of the twentieth century This rich and continually expanding compendium of historical and more recent essays research and references is a testament to the growing interest in Dewey s intellectual work and his measurable impact in the United States and throughout the world In Works of John Dewey 1886 2012 some four thousand new entries are presented in ebook format in addition to those from earlier print and electronic editions dating back to 1995 Copies of most of the works have been obtained and are stored at the Center for Dewey Studies For the first time users can access all items from all editions in one user friendly format Jump links to alphabetical sections facilitate movement through the vast collection of entries Users can search by keyword and author

**Modern Indian Interpreters of the Bhagavad Gita** Robert Neil Minor,1986-01-01 This is a collection of careful objective historically sensitive studies of modern commentators on the Bhagavadgita one of the basic scriptures of Hinduism and one which has been widely read in the modern West Experts on modern Indian religious thought show how Ghandi Vivekananda Radhakrishnan Bhaktivedanta Aurobindo Tilak Bhave Sivananda the Theosophists and Bhankim read used and interpreted the Gita Collectively the essays display the different backgrounds and orientations of the major Indian thinkers of our time An Introduction and a Conclusion provide a perspective on the thinkers and identify common themes which are part of modern emphases

*Sri Aurobindo, the Perfect and the Good* Robert Neil Minor,1978 Study on the thought and activities of a mystic philosopher of India

[Incarnation in Hinduism and Christianity](#) Daniel E Bassuk,1987-01-26

**Steiner and Kindred Spirits** Robert McDermott,2015-08-01 Rudolf Steiner 1861 1925 the Austrian founder of Anthroposophy is frequently viewed by those familiar with his teaching as unique and separate from other spiritual teachers of our modern era While Steiner is thought by anthroposophists to be a scientist and a philosopher as well as an interpreter of events depicted in Christian scriptures he is nevertheless generally ignored by scientists and philosophers as well as by both liberal and fundamentalist scriptural scholars and theologians In this book Robert McDermott the editor of American Philosophy and Rudolf Steiner which investigates Steiner s philosophy in the context of American

philosophers places Steiner and his work in the context of a variety of spiritual teachers and teachings both Western and Eastern In doing so the reader is guided to new perspectives that show the similarities and contrasts between Steiner s Spiritual Science and a number of Christian Hindu Buddhist and secular spiritual worldviews The kindred spirits in this book include His Holiness the Dalai Lama C G Jung Teilhard de Chardin Martin Buber Sri Aurobindo Rabindranath Tagore Gandhians feminists ecologists and more Steiner went as far up the spiritual ladder as any modern individual but unlike some enthusiasts for Steiner McDermott is also impressed by other religious thinkers and spiritual practitioners who have been helpful to those of us in need of encouragement and guidance and whose vistas and insights may not have been researched or explained by Steiner For those with unbiased open minds this book presents a fresh look at Rudolf Steiner a modern spiritual initiate and his contributions to the world along with a generous and appreciative view of his kindred spirits of our time *Catalog of Copyright Entries, Third Series* Library of Congress. Copyright Office,1975

## Whispering the Techniques of Language: An Emotional Journey through **Six Pillars Introductions To The Major Work Of Sri Aurobindo**

In a digitally-driven earth where screens reign supreme and quick communication drowns out the subtleties of language, the profound strategies and psychological nuances hidden within words often get unheard.
