Thomas, 2004-03-30 What makes a great boss Bosses don't become great because of their title rank degree of authority office size or benefits package Great bosses aren't even necessarily great managers Instead they possess a set of core competencies that set them apart from mere managers The skill set of great bosses entails five qualities they do the right thing for the right reason they never make the same mistake twice they set their personal expectations higher than those of their bosses they go to their bosses with action plans not problems and they follow up If a boss has only one of these characteristics he or she is probably very successful But application of all five defines what it means to be a great boss to be successful in good times and bad through change and adversity and to be recognized as such by the people you work for as well as by the people who work for you **Girl Gangs, Zines, and Powerslides** Natalie Porter, 2025-09-16 All thriller no filler Dr Indigo Willing sociologist and lead researcher of Skate Create Educate and Regenerate and co author of *Skateboarding Power and Change* A vibrant meticulously researched celebration of the women and non binary skateboarders who defied a hostile industry and redefined skateboarding around the world With enthusiasm and empathy *Girl Gangs Zines and Powerslides* celebrates the relentless participation of women in skateboarding from the 1960s onward who defied a hostile industry to carve out their own space through underground networks Skater librarian Natalie Porter presents interviews and meticulous research including the DIY zines created by female and non binary skaters as a means of communication to expose this unacknowledged story while offering a personal narrative about the importance of community building and validation with or without your own video game *Girl Gangs Zines and Powerslides* disrupts the image of skateboarding as an exclusive male domain offering historical context for the seemingly rapid progress of female skaters today seen competing on the Olympic stage Discover how the collective action of a grassroots movement in the 1980s established meaningful change building a foundation that has led to greater inclusion and diversity which has inspired women girls and non binary youth worldwide to roll on a skateboard for the first time or rediscover their youthful obsession as an adult and feel inspired to drop once again **Grounded** K.R. Collins, 2021-12-21 Sophie's coach was fired over the summer but not before he took several parting shots at Sophie's character and dedication to her sport and her team Her coach's firing her own injury and her team's whimpering exit from the playoffs weren't the ideal way to end a season but Sophie's looking forward to a fresh start If Sophie is on the ice everything makes sense She can
