Wood, Derek Matthews, 2001-08-01 **Spooksville** Tennyson Hatfield, 2006-06 With Campbell in the lead they proceeded down a long monotonously gray corridor turned a corner and doubled back A tall slope shouldered young man passed them with a deliberate wariness and glanced back defensively The place certainly was different as well as the humanoids which inhabited it Not a window was visible The corridors were like subterranean tunnels What lurked behind the cold gray walls and unmarked doors Feeling a permeating clammy chill Anderson grimaced as he buttoned his coat Now he thought he knew why they were called spooks If the human zombies he had seen including his peculiar companion were a reflection of what he himself might become maybe he should head for daylight But even that was prohibitively risky He probably wouldn't be able to find his way back to the damn elevators on his own That was incentive enough for him to spurt ahead and overtake Campbell He didn't want to spend the rest of his life wandering through this eerie maze *The British National Bibliography* Arthur James Wells, 2005 *The Old Man and the Sand Eel* Will Millard, 2018-03-01 A wonderfully fluent account of how the strange magic of water and the beings that inhabit it can enchant and intoxicate Chris Yates Growing up on the Cambridgeshire Fens Will Millard never felt more at home than when he was out with his granddad on the riverbank whiling away the day catching fish As he grew older his competitive urge to catch more and bigger fish led him away from that natural connection between him his grandfather and the rivers of his home That is until the fateful day he let a record breaking sand eel slip through his fingers and he knew that he had lost the magic of those days down by the river and that something had to change *The Old Man and the Sand Eel* is at its heart the story of three generations of men trying to figure out what it is to be a man a father and a fisherman It plots Will's scaly stepping stones back to his childhood innocence when anything was possible and the wild was everywhere Will Millard is a master wordsmith and his first book is a joyful testament to that Isabelle Broom Heat Will Millard writes with a genuine sense of humility humour and reflection Kevin Parr Countryfile Delightful and informative beautifully drawn *The Old Man and The Sand Eel* will be enjoyed by anyone who loves the challenge and mystery of baiting a hook and plopping it into the water Spectator This is post modern nature writing that embraces beauty where it finds it and marvels at nature's tenacity But there's more here than just fish This is also a book about growing up about how to retain a connection with those who raised you while forging your own identity what to keep and what to discard And it's about men The strong surges of emotion that both draw them together and keep them apart and the shared pastimes which recognise that intimacy and meaning aren't always accompanied by words Olivia Edward Geographical *The Children's Buyer's Guide*, 2005
