the case for Bobby who first tries running away from home at age five only to realize that he has no choice but to endure brutal beatings from his father and mother Even then he knows that his parents are psychopaths and that his only hope for a normal life is to escape Its not until Bobby is in his mid thirties shopping for the best gun to commit suicide that he realizes that he has problems and they dont stop at the tumor growing in his groin or his recent divorce They go straight back to his childhood Join Bobby as he deals with problems shared by many baby boomers and children of suburbia If hes strong or just crazy enough he may just be able to get past the darkest memories from Webster Groves **Blotter** Erik Davis,2024-04-30 A richly illustrated exploration of the history art and design of printed LSD blotter tabs Blotter is the first comprehensive written account of the history art and design of LSD blotter paper the iconic drug delivery device that will perhaps forever be linked to underground psychedelic culture and contemporary street art Created in collaboration with Mark McCloud s Institute of Illegal Images the world s largest archive of blotter art Davis s boldly illustrated exhibition treats his outsider subject with the serious art historical respect it deserves while also staying true to the sense of play irreverence and adventure inherent in psychedelic exploration Davis weaves together two main stories first the largely unknown history of blotter paper s development in the 1960s and its later flowering in the 1970s and 1980s and second the story of how San Francisco artist professor and freak McCloud began collecting blotter and ultimately became embroiled with the LSD trade The book closes with a unique discussion of the market for vanity blotter more recent perforated papers produced as collectible art objects never meant to be dipped in LSD While vanity blotters are intimately related to the underground blotters of the LSD trade they effectively open up their own visual world As the ultimate document of this ephemeral artform Blotter represents an exceptional contribution to the scholarship of art and psychedelics that will entertain older readers with lysergic nostalgia and younger readers with its image driven journey through a colorful and scandalous corner of psychedelic lore *Banking and Finance Collections* Ash Lee,2016-02-04 A wide range of special librarians from banking finance and government provide descriptive accounts of their respective collections in this comprehensive volume They provide an introduction to some of the major library and archival resources available to bankers financiers and investors as well as offer access to the historian and scholar doing research in some aspect of business The collections represented include the Federal Reserve System the Joint Bank Fund Library of the International Monetary Fund and the World Bank Standard Poor s the Wells Fargo Corporation the Lippincott Library of the Wharton School and more [A Charlie Brown Religion](#) Stephen J.
