From the Humble Pen of a Poet Wally Edmond, 2003-07-20 To interpret poetry is then to lose the entity of poetry itself A simple poem that may find one reader simply laughing at its rhyme just might yet lead another to be found simply wondering what the true intention of that verse was Simply put It just might not have one in the first place A rhyme and reason Well this book of poetry is literally jam packed full of them both So get ready to sit back comfortably in your favorite chair treat yourself to a nice hot cup of coffee or tea and before long you will soon begin to find out the reason why

you're taking your valuable time to read this collection of verses. There are a wide variety of tasteful poems throughout this book but in a sense they were designed to enlighten the reader's taste buds in the desire that they will truly savor the heartfelt intention that this book of poetry was written for. Wally Edmond's prolific style of poetry had been featured for over twenty years through the late Bob Stalder's poetry column Poet's Pen which was published in the Beatrice Daily Sun, a Nebraskan newspaper. He and his family live in the rural town of Wymore, Nebraska, where he enjoys writing his featured column Artistically Arbor for the Wymore Arbor State, a local weekly newspaper. The column is mixed with Wally's poetry quotations and short stories. Farmers' Guide, 1897 **Letters from the Grief Club** Beth French, Kate

Moreton, 2022-06-21 Beautiful and heartfelt. I know each one of these letters will help someone in the Grief Club. Cariad Lloyd. Welcome to the club you never wanted to join. When someone you love dies, it may seem impossible to know what will happen next and how you will cope. Losing someone in early adulthood, you may feel even more alone when no one around you seems to have had the same experience. Our letters don't have all the answers but they do have some because we've been through it ourselves. Some of us have written to ourselves back on that first day of grief with the reassurance that we will get through those awful first months. Others share snippets from our grief journeys from the experience of therapy to the power of getting creative. Encompassing all types of loss, these stories show that there is no one way to grieve. They talk honestly about grief, the sad, the bad, and the surprisingly beautiful. Welcome to the Grief Club, we're so glad you've found us. **The Game of Love and Life** Beverly Jacox, 2010-09-09 And I feel that I can lay down some lyrics of writings that you will never forget in life. I do believe it will help people mind and soul for life. I feel that I do have a gift to write and encourage people of all nationalities in this world we live in today. Therefore, my beautiful people of the world, Welcome to the game of love and life.

National Magazine ... , 1913 Encyclopaedia of Religion and Ethics James Hastings, John Alexander Selbie, Louis Herbert Gray, 1928 **Ephesians** Mary Etta Miller, 2019-02-20 The title Ephesians: Thoughts about the Scripture was derived from many years of Bible journaling. After reading my Bible, I journal thoughts about the scriptures I have read and studied based on the inspiration God has given me and how it speaks to my heart. Writing about God's Word makes it come alive to me. I share what is in my heart about the love I have for the Lord God and the great love He has for each one of us. This book is a combination devotional Bible study. Works of Love Robert L. Perkins, 1999 To claim that Works of Love is an important philosophical essay is to assume a hazardous burden of proof. The book's title is an allusion to the Bible's injunction that we should love our neighbor as we love ourselves, a far cry from Diotima's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty, beauty itself. Plato Symposium. This contrast, given that some of our neighbors may not be particularly likable or one may even be a determined enemy, suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity. A casual perusal of a few
