Where Did My Life Go? Homeless and Out of Business K.D. Sanders, 2015-10-31 Where Did My Life Go Homeless and Out of Business is by far one of the most raw powerful and engaging reads that I've come across in a long long time Author K D Sanders offers readers a very personal and unaltered look into his life thoughts and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives I say this and the book may seem quite gloomy at first but I also would say there's another side to it I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things that life can throw at you The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage As well as this the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author's opinion on homeless life in general that I found to be very thought provoking and even sobering at times Overall I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I've been coming across these days Definitely worth checking out Amazon Review Your Life Is a Book - And It's Time to Write It!
