Parliament: House of Commons: Culture, Media and Sport Committee,2011-07-05 In this report the Culture Media and Sport Committee says it was appalled by allegations made in evidence to the Committee about the conduct of members of the FIFA Executive Committee during the 2018 World Cup Bid process The Committee says the allegations merit a full urgent and independent investigation FIFA is urged to conduct a thorough review of the governance of its bid processes modelled on the steps the International Olympic Committee took after allegations of bribery and corruption in Salt Lake City s bid to host the 2002 Winter Olympic Games The FA should also conduct a review of its 2018 bid England s bid team appears to have lacked a number of the components of a successful bid The FA should review its longer term strategy for engaging with FIFA and other international football authorities in order to increase its influence including with regard to governance reform The Government should also review its advice and its own actions on bidding for international sporting events In particular it should consider its early announcement of the bid and whether sufficient attention was given to evaluating the strengths and weaknesses of the England bid Racism in Football Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee,2012-09-19 The atmosphere experienced by those attending football matches has changed hugely since the 1970s and 80s when racial and other forms of abuse were common Match attendance has become much more of a family friendly activity and clubs continue to introduce measures to try to improve the standards of behaviour at matches However there remain significant problems ranging from homophobic abuse to what is often described as laddish behaviour on the terraces Transparent and consistent methods for reporting criminal behaviour including racism are still lacking in particular at grass roots level The Committee recommends it should be a priority for the FA to develop procedures for stewards to follow and regular training opportunities to ensure that all relevant staff at club grounds are capable of reacting swiftly and consistently to incidents of abuse the efforts being made at league and club level to ensure successful prosecutions in cases of racial abuse are extremely welcome however it is important that similar efforts are applied to the grassroots game all appointments should be based on merit alone irrespective of the candidates race candidates from ethnic minorities to train as coaches and referees to ensure that clubs and boards can select from a more diverse pool of recruits **The Football**
