A Little Treat Frank Murocco, 2025-10-05 This city This

beautiful terrifying unforgiving endlessly demanding Perfect city I want it to be mine All I've ever wanted is for it to be mine Every day at 7pm Greg Hurst has a little treat A small ritual to brighten up his monotonous life each evening he gifts himself a tiny indulgence In March of 2020 as the pandemic begins the treats ramp up Gay single and barreling through his twenties Greg welcomes lockdown with open arms But when the collective tragedy of the pandemic collides with his own personal tragedy he's forced to consider the world beyond his one bedroom A unique depiction of an internationally lived experience A Little Treat moves far beyond lockdown to deliver a wildly funny heartfelt exploration of queerness isolation and the simple pleasures that destroy us and make us whole This edition was published to coincide with the run at The East Village Basement New York in September 2025 *Dragon Kindred and the Worshipers of Gyr* Marshall Drews, 2022-05-04 Humans beasts and dragons Some might claim there was little difference in nature between the three with rule and order being the fine line between tranquility and peace as opposed to mindless viciousness with a thirst for pure unadulterated destruction Many advocates against this cynical mentality would argue rather counterproductively that it was the same order and rule with a healthy mix of morals that led men to hold fast to what was right in a way beasts and kindreds alike were incapable of These beasts or monsters written in legend were often observed to be mindless in nature and destructive by law No sympathy lingered behind their piercing gazes neither did intelligence nor base desire Dragons and scaled kindreds alike were said to hold much the same virtues but one could not simply say they lacked conviction or desire Within them lay greed for things others might perceive to be useless Like a newborn duckling imprinting on some large protective looking object a dragon would instill value on anything that caught their eye in so much that they would defend it until death Within this land there existed such a dragon one posing as a nuisance and a menace to those around In the dark hours of the night a band of men were brought together by the same strong morals rules and order to seek out that which caused destruction and unrest however minor it might have been Lord of Fire and Ice Connie Mason, Mia Marlowe, 2012-07 Brandr the Far Traveled has seen the world and a good many of the beautiful women in it His bed skills are the stuff of steamy legend his sword sings death and he can call up fire from thin air No one in a hundred years ever thought he could be enslaved through trickery and forced to wear the iron collar of a thrall least of all him Katla the Black isn't just called so for her dark silky hair His new mistress has a temper as fierce as a warrior's and a heart as icy as the frozen North But inch by delicious inch Brandr means to make her melt **Spirit of Revenge** S. J Smale, 2018-02-20 Revenge Well it seems the cleaning fairys been here he whispered in her ear Stella nodded and moved slowly toward the door itching to get to her bedroom where she left her gun She didn't like feeling at a disadvantage George stayed close by her side as they made their way to her bedroom He kept his shield around her as she cautiously walked over to the chair by her closet and watched her quickly pull on her shoulder harness that cradled her gun Feeling more secure now that she was armed Stella turned narrowing her eyes searching the room At first glance nothing seemed to be disturbed But when she looked at the mirror over the vanity her eyes widened

Words were written on the mirror with her favorite lipstick How does it feel knowing I can take from you like you took from me I will have my revenge Secrets Over the last year Stella was forced to face the fact that indeed she was different One blow after another continually hit her from her heritage almost destroying her mental health If it weren't for George Smale coming into her life at that time she knew she might have been stuck in a psychiatric ward somewhere for the insane Of course he would say it was her own inner strength that kept her balanced precariously on the thin line of sanity Whatever the reason for her keeping her sanity intact she was tremendously grateful for it She accepted not only her heritage now but also the fact that she was a direct descendant of Queen Ravena and Prince Gareg She now considered this fact a gift Even though she had royal blood flowing through her and was considered the most powerful being in the human world Stella insisted on dealing with problems the normal human way As a private investigator she relied on facts and procedures the same way she relied on them when she was a lieutenant on the police force Now the most important thing was to keep what they were a secret from the rest of the world Magic must always be kept a secret The Force of Such Beauty Barbara

Bourland,2023-05-09 This is not your grandma's fairy tale Brilliant The Washington Post The Force of Such Beauty grips with the strength of an Olympian and holds it with the endurance of a marathoner to an ending that actually caught my breath not once but twice in quick succession The Associated Press One sunny afternoon in an idyllic kingdom by the sea a princess named Caroline pretends to sleep When her keepers strike up a card game Caroline sneaks into her maid's car turns the key and drives right out of the palace Alone for the first time in years she gets on the next flight only to land in the waiting arms of her guards As she's forcibly escorted back to her marble prison something in Caroline breaks for good It's not her first failed attempt and it won't be her last Caroline suspects that she'll never escape But she might find a way to be free Barbara Bourland's stunning third novel a phantasmagorical fable of love and marriage is her most ambitious and inventive book to date Inspired by the alleged escape attempts of real life princesses The Force of Such Beauty is both the story of an idealistic young woman trapped by a corrupt promise and a deeply moving reminder that power structures around the world ultimately rest on the subjugation of women's bodies A fascinating novel about bodies the way we use them and the way we break them It's one of several works to come out this year concerned with the appropriation of female beauty by powerful men and examines a harsh choice in the lives of women dubbed desirable by the patriarchal state do you participate or do you say no Bourland is skilled at finding the noir in the everyday and illustrating the mechanisms of control that keep us in our place Crime Reads Best Books of the Year So Far Go Kick Arse Ma!
