Mismeasuring Schools' Vital

Signs Steve Rees, Jill Wynns, 2022-09-29 This book helps school and district leaders avoid the pitfalls that await those making sense of their school's data. Whether you're interpreting achievement gaps, graduation rates, or test results, you're at risk of reaching a mistaken judgment. By learning about common errors and how they're made, you'll be ready to choose safer, surer paths to making better sense of the wealth of data in your school or district. The authors help educators build better evidence, see conclusions more clearly, and explain the data more persuasively. Special features include Questions to Spark Discussion in each chapter, encourage school site, district leaders, and board trustees to apply each chapter's content to their own situations. Data visualizations, together with the authors' interpretations, will help you learn how to do visual analysis and reach the right conclusions. Practical tips provide clear guidance. Supplemental resources can be found at the book's website k12measures.com, including interactive data visualizations and analytic exercises to help you learn a concept by doing.

Ready for What? M. Elizabeth Graue, 1993-01-01 This book looks at readiness from a different perspective, arguing that we must move away from the readiness as child characteristic so prevalent in education and the popular press. Instead, readiness is explained as an idea constructed by parents, teachers, and children as they interact in their neighborhoods and communities. Graue describes three communities in the same school district: a middle-class suburban town of professionals, a rural working-class community, and a group of Hispanic working-class families making their way through their children's kindergarten experiences. In each setting, the local meaning of readiness is the underlying theme in the actions taken by parents and their attitudes about their children's first public school experience.

Blue Dreams Nancy ABELMANN, John Lie, Nancy Abelman, 2009-06-30 No one will soon forget the image blazed across the airwaves of armed Korean Americans taking to the rooftops as their businesses went up in flames during the Los Angeles riots. Why Korean Americans? What stoked the wrath the riots unleashed against them? *Blue Dreams* is the first book to make sense of these questions, to show how Korean Americans, variously depicted as immigrant seekers after the American dream or as racist merchants exploiting African Americans, emerged at the crossroads of conflicting social reflections in the aftermath of the 1992 riots. The situation of Los Angeles's Korean Americans touches on some of the most vexing issues facing American society today: ethnic conflict, urban poverty, immigration, multiculturalism, and ideological polarization. Combining interviews and deft socio-historical analysis, *Blue Dreams* gives these problems a human face and at the same time clarifies the historical, political, and economic factors that render them so complex. In the lives and voices of Korean Americans, the authors locate a profound challenge to cherished assumptions about the United States and its minorities. Why did Koreans come to the United States? Why did they set up shop in poor inner-city neighborhoods? Are they in conflict with African Americans? These are among the many difficult questions the authors answer as they probe the transnational roots and diversity of Los Angeles's Korean Americans. Their work finally shows us, in sharp relief and moving detail, a community that, despite the blinding media focus brought to bear during the riots, has nonetheless remained largely silent and effectively invisible. An important corrective to the formulaic

accounts that have pitted Korean Americans against African Americans *Blue Dreams* places the Korean American story squarely at the center of national debates over race class culture and community Table of Contents Preface The Los Angeles Riots the Korean American Story Reckoning via the Riots Diaspora Formation Modernity and Mobility Mapping the Korean Diaspora in Los Angeles Korean American Entrepreneurship American Ideologies on Trial Conclusion Notes References Index

Reviews of this book *Blue Dreams* a poetic allusion to the clear blue sky that Koreans see as a symbol of freedom is a welcome exploration by outsiders into the vexing and largely invisible Korean American predicament in Los Angeles and the nation Abelmann and Lie s colorful interview subjects offer sharp observations K W Lee Los Angeles Times Reviews of this book An informed and thoughtful examination of Korean immigration to the United States since 1970 Abelmann and Lie show that even in a period as short as twenty five years there have been successive waves of differently motivated differently resourced Korean immigrants and their experiences and reactions have differed accordingly Michael Tonry Times Literary Supplement Reviews of this book The authors transnational perspective is particularly effective for explicating Korean immigrants behaviors activities and feelings Interesting and readable Pyong Gap Min American Journal of Sociology Reviews of this book Beginning with a poetic book title the authors recount in depth as to how the *Blue Dreams* of the Korean American merchants in East Los Angeles had shattered in the midst of the 1992 riot that turned out to be elusive dreams in America The book not only portrays the L A riot surrounding the Korean merchants but also characterizes diaspora of the Koreans in America The authors have also examined with scholarly insights the more complex socioeconomic and political underplay the Koreans encountered in their Promised New Land Eugene C Kim International Migration Review *Ethics and Context in Second Language Testing* M. Rafael Salaberry, Albert Weideman, Wei-Li Hsu, 2023-11-24 This innovative timely text introduces the theory and research of critical approaches to language assessment foregrounding ethical and socially contextualized concerns in language testing and language test validation in today s globalized world The editors bring together diverse perspectives qualitative and quantitative methodologies and empirical work on this subject that speak to concerns about social justice and equity in language education from languages and contexts around the world offering an overview of key concepts and theoretical issues and field advancing suggestions for research projects This book offers a fresh perspective on language testing that will be an invaluable resource for advanced students and researchers of applied linguistics sociolinguistics language policy education and related fields as well as language program administrators

Congressional Record United States. Congress, 1995 **Interrogating the Neoliberal Lifecycle** Beverley Clack, Michele Paule, 2018-12-14 In this timely collection contributors from a number of disciplines discuss neoliberal visions of success and the subsequent effects they have on the construction of the lifecycle Frequently mentioned in popular political discourse the notion of neoliberalism is often deployed as shorthand for the consensus that austerity is necessary and the hard working individual can survive it This volume unpicks and interrogates the term by engaging with the interface between

the political ubiquity of neoliberal forms and its lived experience in neoliberal societies cutting across a multiplicity of factors including gender age and access to education Impressive in its wide scope and analysis Interrogating the Neoliberal Lifecycle presents an informed discussion not only of the limits of the neoliberal paradigm but also of possible alternatives **"So What Are You Going to Do with That?"** Susan Basalla,Maggie Debelius,2008-09-15 Graduate schools churn out tens of thousands of Ph D s and M A s every year Half of all college courses are taught by adjunct faculty The chances of an academic landing a tenure track job seem only to shrink as student loan and credit card debts grow What s a frustrated would be scholar to do Can he really leave academia Can a non academic job really be rewarding and will anyone want to hire a grad school refugee With **So What Are You Going to Do with That** Susan Basalla and Maggie Debelius Ph D s themselves answer all those questions with a resounding Yes A witty accessible guide full of concrete advice for anyone contemplating the jump from scholarship to the outside world **So What Are You Going to Do with That** covers topics ranging from career counseling to interview etiquette to translating skills learned in the academy into terms an employer can understand and appreciate Packed with examples and stories from real people who have successfully made this daunting but potentially rewarding transition and written with a deep understanding of both the joys and difficulties of the academic life this fully revised and up to date edition will be indispensable for any graduate student or professor who has ever glanced at her CV flipped through the want ads and wondered What if I will absolutely be recommending this book to our graduate students exploring their career options I d love to see it on the coffee tables in department lounges Robin B Wagner former associate director for graduate career services University of Chicago *America* ,1926 *Journey to Joy* Tannie Bennett,2011-12 You cannot love what you haven t experienced come experience what you are going to love Join author Tannie Bennett in this magnificent process one that can change your present reality into a wonderful life filled with peace and joy I marvel at the awakening and new understanding I received Sally Slack I have learned more about myself in the last two months than I have in my whole life Bobby I watched the course member s transform before my eyes It has been a life changing experience Lora Decker This course has changed the inner most core of my being I have learned how to ride the waves of adversity and maintain balance peace love and joy Sylvia Franklin This journey cleansed my soul and left me yearning to learn more to reach new heights and expand myself I face each day with new courage I laugh more love more and enjoy my family more than ever It has forever changed my life Sandy Liston It s a miracle Thank you thank you thank you for this wonderful program Jana I was able to release so much pain anxiety guilt remorse and even despair which I have carried deep in my soul for over fifty years I have not felt this kind of peace in many years Thank you Lewetta Poen
