Social Basis Of Religion:

The Social Basis of Religion Simon N. Patten, 1974 **The Social Basis of Religion** Simon Nelson Patten, 1911
Contents Introduction Scientific Method The Economic Interpretation of History The Social Interpretation of Thought The Social Progress The Stages of Thought Development Morbid Degeneration Senile Degeneration The Will Character Inspiration Historic or State Religion Social Religion The Social Mission of the Church The Socialization of Religious Thought
At the time of original publication in 1911 Simon Nelson Patten 1852 1922 was Professor of Political Economy at the Wharton School of Finance and Economy at University of Pennsylvania He also served as the President of the American Economics Association He introduced the concept of the consumer surplus into modern economic theory His other books include *The New Basis of Civilization* *The Development of English Thought and Culture and War* *The Social Basis of Religion* , 1912 *The Social Basis of Religion* Simon Nelson Patten, 1914 *The Social Basis of Community Care* (*Routledge Revivals*) Martin Bulmer, 2015-06-11 Care for the elderly disabled and mentally ill within and by the community forms a vital part of current social policy Martin Bulmer argues that this policy is inadequately thought out and rests on a series of poorly founded sociological assumptions As a result there is a vacuum at the heart of government's social care policy which is likely to lead to ineffective or deteriorating provision for those in need This book first published in 1987 will be essential reading for all those concerned with the organization and delivery of social care whether as students practitioners or teachers It will be particularly useful for courses dealing with social policy the personal social services and the social context of social work [Sri Aurobindo's Philosophy of Social Development](#) , **The Effect of Social Forces Upon Religious Rites and Ceremonies ...** Richard Elijah Clark, 1924 **Capitalism and Classical Social Theory, Second Edition** John Bratton, David Denham, 2014-01-24 Most texts on classical social theory offer exhaustive coverage of every possible theorist making it difficult to use the book in one semester *Capitalism and Classical Social Theory Second Edition* represents a departure from this approach by offering solid coverage of the classical triumvirate Marx Durkheim and Weber but also extending the canon strategically to include Simmel four early female theorists and the writings of Du Bois The result is a manageable but thorough examination of the key classical theorists The second edition has been updated throughout and includes two new chapters one on Weber and rationalization and one on Du Bois and his writings on race A new concluding chapter links classical theory to current developments in capitalism during an age of austerity
Capitalism and Classical Social Theory, Third Edition John Bratton, David Denham, 2019-05-31 In this third edition of *Capitalism and Classical Social Theory* John Bratton and David Denham build on the classical triumvirate Karl Marx mile Durkheim and Max Weber by extending the conversation to include early female theorists such as Mary Wollstonecraft and Charlotte Perkins Gilman as well as the writings of W E B Du Bois and G H Mead Connecting current headlines in the political mainstream to concepts like alienation anomie class gender race and the environment *Capitalism and Classical*

Social Theory sheds light on how classical social theories may be applied and understood within a contemporary context This revised and expanded third edition features topical discussions of socio economic shifts in the post Trump and post Brexit world and uses original excerpts and additional readings to further contextualize the significance of classical social theory today **The Social Significance of Religion in the Enlarged Europe** Olaf Müller,2016-02-24 Engaging with some of

the central issues in the sociology of religion this volume investigates the role and significance of churches and religion in contemporary Western and Eastern Europe Based on an extensive international research project it offers case studies of various countries including Finland Ireland Portugal Germany Poland Russia Estonia Hungary and Croatia as well as cross country comparisons Researching more precisely the present social relevance of church and religion at different levels The Social Significance of Religion in the Enlarged Europe raises and responds to both descriptive and explanatory questions Can we observe tendencies of religious decline in the various Western and Eastern European countries Are we witnessing trends of religious individualization To what extent has there been a religious upswing in the last few years And what are the factors causing the observed processes of religious change Marked by its broad range of data and a coherent conceptual framework in accordance with which each chapter assesses the extent to which three important theoretical approaches in the sociology of religion secularization theory the market model of religion and the individualization thesis are applicable to the data this book will be of interest to scholars of sociology politics and religion exploring religious trends and attitudes in contemporary Europe **The Social Basis of Consciousness** Trigtant Burrow,1927 **Injustice: The Social Bases of Obedience and Revolt** Barrington Moore, Jr,2016-07-01 First Published in 1978 This is a book about why people so often put up with being the victims of their societies and why at other times they become very angry and try with passion and forcefulness to do something about their situation I his most ambition book to date Barrington Moore Jr explores a large part of the world s experience with injustice and its understanding of it In search of general elements behind the acceptance of injustice he discusses the Untouchables of India Nazi concentration camps and the Milgram experiments on obedience to authority
