The Big Dream:

The Glorious Salvation Machine Lee W. Brainard, 2022-01-27 In a spirit of sanctified humor this satire skewers the error of the easy believe gospel and defends the biblical truth that Christians will be changed by the Holy Spirit that indwells and empowers them Take a rough n tumble journey with Peregrinus Latin for pilgrim as he with the help of his mentor Plowman battles with the errors thrown at him by the likes of such characters as Willy Rush Forward Strawberry Nostrum Reverend Quacksalver and Jumping Jack Hallelujah

Grow the Tree You Got Tom Sturges, 2011-05-05 A wise and inspiring guide to parenting through the extraordinary and at times tumultuous journey that is the adolescent and teenage years When Tom Sturges became a father he decided that he wanted to be one of the greatest father that ever walked the earth But things became a bit more complicated when his older son turned ten and the chatty kid he d known suddenly started locking his bedroom door Tom realized he needed to find a way to stay on track he needed crib notes So if a parenting idea of technique worked well he wrote it down And if he stumbled across something another parent did that was particularly ingenious or exemplary he wrote that down too In *Grow the Tree You Got* Tom presents golden rules for raising happy healthy and compassionate adults His mantra It s impossible to show our children too much respect but it s worth the effort to try

Freud on a Precipice Robert Langs, 2010 This book is a psychoanalytic detective story that takes the reader back to the late 1890 s and to the generally unappreciated yet single most important turning point in the history of psychoanalysis The context is the death of Freud s father and the decision Freud made to abandon his first reality centered theory of the mind in favor of a theory focused on inner fantasies and needs Marshalling a large body of evidence Langs views this change of heart as a regressive paradigm shift driven by unconsciously influential archetypes that were in turn linked to a series of early life traumas in Freud s life possibly eight in all several of them preceding Freud s birth and all but one outside of Freud s conscious awareness The ramifications of these incidents placed Freud on a later day precipice from which his fall into equivalents of homicide and suicide were at risk Freud shifted focus to save his life Langs detective work brings him to new insights into such matters as the psychological archetypes that affect the creation and modifications of paradigms physical and mental a new utilitarian view of the design of the emotion processing mind recognition of the complex unconscious impact of reality and of death related traumas on the human psyche and emotionally charged choices the vast superiority of Freud s first paradigm over his second theory of the mind and the unconscious reasons despite its many flaws that Freud s second paradigm remains in favor to this very day Freud saved his life by shifting course but at the same time he created a theory that must be held partly accountable for the compromised forms of dynamic therapy and broad psychological harm that has followed in its wake Using an updated version of Freud s first paradigm Langs shows us a better way to live and work as a psychotherapist or any other career

Orientation for Leaders Andreas Gorbach, Julia

Dannath-Schuh, Franziska Cusumano, 2019-04-18 The increase in volatility uncertainty complexity and ambiguity in business

and society is confronting many managers with the question of which skills they need to adapt or relearn to act effectively as managers in the future The authors show you that the key to this does not lie in the learning of new management concepts On the contrary effective leadership is much more about homing in and focusing on what has not changed namely the core attitudes and patterns of action inherent in human beings Content Leadership as a transformation process A basic framework of patterns of action as a basis for effective leadership and personality growth Morality as the inner orientation and basis for economically sustainable leadership Courage as a catalyst
