Watching Movies with Christian Eyes Susan Maluschka,2019-04-04 Many people don t like to watch movies or have time to do so That s okay This book is not about watching movies It s about looking at how you live your life and what you want for your future Movies are just stories about life so even if you don t watch them you can still learn from them here Some of life s most important lessons are learned through stories What better way to hear these stories than on the big screen Movies draw us in and touch our lives in ways we never imagined The best part is that our supply is limitless Here we have stories for all ages As we watch the characters on the screen we see ourselves our need for love and understanding hope for the future or wish for revenge against someone who wronged us We see how the characters on the screen deal with these emotions but as Christians how should we deal with ours In this study movies from different times and different genres offer us an opportunity to delve into the Bible and see the choices our heavenly Father wants us to make under similar circumstances Each lesson will review one or more aspects of the movie and provide an opportunity for reflection or discussion Bible passages are also referenced to enhance understanding Now that we have this information what do we do with it Odds are that people around you every day are looking for this information as well What a comfortable way to share your faith with your friends co workers or neighbors while you discuss the latest flick These Bible studies can be taught to a group of people or they can be done individually Popcorn is optional
