

CAROL GILLIGAN

THE BIRTH OF PLEASURE

A New Map of Love

'Thoughtful, elegant and compelling'

Rachel Cusk, Daily Telegraph

The Birth Of Pleasure A New Map Of Love

**Margaret Tudeau-Clayton, Martin
Hilpert**

The Birth Of Pleasure A New Map Of Love:

The Birth of Pleasure Carol Gilligan, 2003-08-12 The author of the classic *In a Different Voice* offers a brilliant provocative book about love that has powerful implications for the way we live and love today Compelling A thrilling new paradigm The Times Literary Supplement Carol Gilligan whose *In a Different Voice* revolutionized the study of human psychology now asks Why is love so often associated with tragedy Why are our experiences of pleasure so often shadowed by loss And can we change these patterns Gilligan observes children at play and adult couples in therapy and discovers that the roots of a more hopeful view of love are all around us She finds evidence in new psychological research and traces a path leading from the myth of Psyche and Cupid through Shakespeare's plays and Freud's case histories to Anne Frank's diaries and contemporary novels

A Phenomenology of Love and Hate Peter Hadreas, 2016-03-23 Using phenomenology to uncover the implicit logic in personal love sexual love and hatred Peter Hadreas provides new insights into the uniqueness of the beloved and offers fresh explanations for some of the worst outbreaks of violence and hatred in modern times Topics discussed include the value and subjectivity of personal love nudity and the temporality of sexual love the connection between personal sexual love and the incest taboo the development of group focused hatred from individual focused hatred and prejudicial discrimination The work encompasses analysis of philosophers and writers from ancient times through to the present day and examines such episodes as the Oklahoma City Federal Building bombing and the Columbine High School massacre

You Don't Really Know Me Terri Apter, 2015-05-27 Understand what your teenage daughter really means and learn to use your arguments to strengthen your bond with her Mothers and teenage daughters argue more than any other child parent pair on average every two and a half days These quarrels Terri Apter shows are attempts to negotiate changes in a relationship that is valued by both mothers and daughters A daughter often feels her mother doesn't know or understand her and by fighting hopes to force her mother into a new awareness of who she really is how she has changed and what she is now capable of doing and understanding But mothers often misinterpret their daughter's outbursts as signs of rejection and they may pull back feeling hurt and confused Through case studies and conversations between mothers and daughters Apter shows mothers how to interpret the meanings behind a daughter's angry words and how to emerge from arguments with a new closeness

Tracking the Wild Woman Archetype Stacey Shelby, 2018-01-22

The Challenge of Change Margaret Tudeau-Clayton, Martin Hilpert, 2018-09-10 Change is a powerful idea which inspires hope and fear excitement and dread From the *panta rhei* of Heraclitus to Darwinian evolutionary theory nobel laureate Bob Dylan's The times they are a changin the Obama campaign slogan Change we can believe in and the current advertising mantra change is good it recurs as a challenge to the status quo The present volume contains essays on the topic of change in English language literature and culture Some are based on papers presented at the 2017 SAUTE conference which took place at the Universit de Neuch tel while others have been specially written for this volume

Living on the Other Side Lisa M. Hess, 2025-05-15 Living on the

Other Side recounts and aims to redress the unspoken largely unconscious abandonment of the Feminine in ecclesial and academic settings through an economic trinity of voices a feminist with a forgiveness problem a conscious feminine theologian serving in academic and ecclesial environments unconsciously hostile to the Feminine and a preacher's wife coming to voice about the realities of congregational Christianity held redemptively in covenantal love Fruit of decades in theological education these pages demonstrate the necessity of sacred bewilderment for deepening spiritual maturity the purposes of rage becoming holy when able to acknowledge its limitation and an unexpected freedom that arises when forgiveness finds us in faith renewed in the Body of Humanity Current and prospective students in theology and religion seasoned pastors and willing congregations will find a compelling narrative and theological sense making of one woman's life in the Spirit disrupted so to become regrounded in a renewed and renewing trinitarianism arising out of historic Christian traditions

Are You Not a Man of God? Tova Hartman, Charlie Buckholtz, 2014-04 *Are You Not a Man of God* challenges the accepted readings of several iconic supporting characters from canonical stories of Jewish tradition These characters have been appropriated throughout history to represent and reinforce central cultural values the binding of Isaac and the religious value of sacrificing relationship for a higher purpose the biblical Hannah appropriated by the rabbis as an archetype of the spirit and practice of prayer the Talmudic Beruriah and the significance of women's learning and knowledge and the struggle for intellectual autonomy of the rabbis of the Talmudic story known by its tag line It is not in heaven Tova Hartman and Charlie Buckholtz make use of religious psychological philosophical and literary perspectives to bring these characters to life in their multiple incarnations examining the varied symbolic uses to which they have been put and their cultural impact These are all texts that have been studied widely and characters that are well known This study shows however that the dominant interpretations have served to mask darker more insightful and ultimately more critical dimensions of these important figures Hartman and Buckholtz discover muted voices of personal betrayal and criticism that resonate as damning social critiques of the rabbis themselves These critiques often highlight the ways in which cultural authorities use and abuse their power and the implications of these systemic moral failings for their legitimacy as communal leaders In these voices of social criticism the rabbis evince an awareness of their own vulnerability to such abuses and failings as well as their hurtful marginalizing effects on members of less powerful social groups

Erich Fromm and the Quest for Solidarity Lawrence Wilde, 2016-04-30 *Erich Fromm and the Quest for Solidarity* argues that Fromm's humanistic ethics provides a framework for the analysis of alienation in affluent societies and his exploration of the social forces capable of challenging that alienation It examines his work on authoritarianism the experience of work the struggle against patriarchy the dangers of consumerism and the manipulation of needs the urgent need to revive democracy and the challenge of the emerging one world Never losing sight of the ancient dream of human solidarity Fromm's explicitly ethical approach exerts a compelling relevance to a range of issues in contemporary social and political theory

Vienna 2019 - Encountering the Other: Within us,

between us and in the world Emilija Kiehl, Jacqueline Egli, The XXI International Congress for Analytical Psychology was held in Vienna the birthplace of psychoanalysis It brought together an unprecedented number of participants from all over the world and from different fields of knowledge The theme Encountering the Other Within us between us and in the world a most relevant and urgent topic of the contemporary discourse among clinicians and academics alike was explored in a rich and diverse program of pre congress workshops master classes plenary and breakout presentations and posters The Proceedings are published as two volumes a printed edition of the plenary presentations and an e Book with the complete material presented at the Congress To professionals as well as the general public this collection of papers offers an inspiring insight into contemporary Jungian thinking from the classical to the latest research based scientific lens From the Contents Deifying the Soul from Ibn Arabi to C G Jung by Navid Kermani Apocalyptic Themes in Times of Trouble When Young Men are Deeply Alienated by Robert Tyminski Panel Encountering the Other Within Dream Research in Analytical Psychology and the Relationship of Ego and other Parts of the Psyche by Christian Roesler Yasuhiro Tanaka Tamar Kron Integration Versus Conflict Between Schools of Dream Theory and Dreamwork integrating the psychological core qualities of dreams with the contemporary knowledge of the dreaming brain by Ole Vedfelt Freud and Jung on Freud and Jung by Ernst Falzeder Opening the Closed Heart affect focused clinical work with the victims of early trauma by Donald E Kalsched The Other Between Fear and Desire countertransference fantasy as a bridge between me and the other by Daniela Eulert Fuchs Self Other and Individuation resolving narcissism through the lunar and solar paths of the Rosarium by Marcus West Encountering the Other Jungian Analysts and Traditional Healers in South Africa by Peter Ammann Fred Borchardt Nomfundo Lily Rose Mlisa Renee Ramsden From Horror to Ethical Responsibility Carl Gustav Jung and Stephen King encounter the dark half within us between us and in the world by Chiara Tozzi *Re-visioning Gender in Philosophy of Religion* Pamela Sue Anderson, 2017-10-24 A passion for justice and truth motivates the bold challenge of Revisioning Gender in Philosophy of Religion Unearthing the ways in which the myths of Christian patriarchy have historically inhibited and prohibited women from thinking and writing their own ideas this book lays fresh ground for re visioning the epistemic practices of philosophers Pamela Sue Anderson seeks both to draw out the salient threads in the gendering of philosophy of religion as it has been practiced and to re vision gender for philosophy today The arguments put forth by contemporary philosophers of religion concerning human and divine attributes are epistemically located yet the motivation to recognize this locatedness has to come from a concern for justice This book presents invaluable new perspectives on the philosopher s ever increasing awareness of his or her own locatedness on the gender often unwittingly given to God the ineffability in both analytic and Continental philosophy the still critical role of reason in the field the aims of a feminist philosophy of religion the roles of beauty and justice the vision of love and reason and a gendering which opens philosophy of religion up to diversity
