Getting Real About Race Stephanie M. McClure, Cherise A. Harris, 2021-11-15 Getting Real About Race is an edited collection of short essays that address the most common stereotypes and misconceptions about race held by students and by many in the United States in general Key Features Each essay concludes with suggested sources including videos websites books and or articles that instructors can choose to assign as additional readings on a topic Essays also end with questions for discussion that allow students to move from the what knowledge to the so what implications of race in their own lives In this spirit the authors include suggested Reaching Across the Color Line activities at the end of each essay allowing students to apply their new knowledge on the topic in a unique or creative way Current topics students want to discuss are brought up through the text making it easier for the instructor to deal with these topics in an open classroom environment

Feminisms and Womanisms Althea Prince, Susan Silva-Wayne, 2004 Feminisms and Womanisms brings together theory and practical application so that feminist discourse interacts as a partner with the lived experience of women s social action The selections combine classics in feminist thought with work from modern theorists and offer a solid foundation in international feminism The conceptual understanding embedded in the terms feminism and womanism contributes to feminist discourse a carefully differentiated focus on the ideological uses of language to define relationships that have been historically mired in domination The terms also define the way gender often has been used to signify and support domination Given that feminism and womanism are interpretive concepts there is always a sense that knowledge making is in progress for there is nothing static or stagnant about feminism feminist theory and feminist action The formative nature of the feminist movement has of necessity a parallel interpretive theory This reader embraces both the formative nature of the movement and the accompanying interpretive theories It also pays attention to the chronological cultural geopolitical racial and ethnic landscapes and sites where women live carry out social action and theorize issues of equality For both the general and

academic reader this book will be edifying while providing exposure to the feminist womanist voices that inform the scholarship *Children Today* ,1990 **Contemporary Consumption Rituals** Cele C. Otnes,Tina M. Lowrey,2004-05-20
This work offers a multifaceted exploration of new rituals such as Celebrating Kwanzaa and of the ways entrenched rituals such as Mardi Gras gift giving and weddings have changed Moreover it examines the influence of both cultures and subcultures
