The Blessed Eucharist Our Greatest Treasure:

The Blessed Eucharist Rev. Fr. Michael Mueller, 1994-07 In *The Blessed Eucharist* Father Michael Mueller describes how Christ's love for us moved Him to create this most beautiful Sacrament. He explains why Our Lord veils Himself in the appearance of bread a garment so humble He is little known little loved even neglected and insulted. Fr Mueller helps the reader discover what a treasure the Sacrament is sharing countless compelling accounts of miracles involving the Eucharist quotations from Scripture and the Saints reflecting the virtues that can be obtained from Communion worthily received and the consequences of an unworthy reception of Our Lord. He instructs the reader on how to best prepare for receiving the Sacrament and how to properly offer thanksgiving afterwards. The Blessed Eucharist awakens a deeper awareness of the incredible gift that God has given us in His Presence in the Eucharist allowing us to embrace all the wondrous fruits this Sacrament has to offer.

The Blessed Eucharist Our Greatest Treasure Michael Muller, 2014-05-23 My Dear Reader and Brother in Jesus Christ Since the spirit of devotion that has urged me to write this book animates you to read it and makes us the happy children of the same loving Father should you ever hear any person say I might have spared myself the labor there being already so many learned and celebrated works which treat of this subject I beg you to answer that Our Lord Jesus Christ in the Adorable Sacrament is such an abundant fountain that the more it flows the fuller it becomes and the fuller it is the more it flows which signifies that the most Holy Eucharist is so great and so sublime a mystery that the more we say of it the more remains to be said. If St Alphonsus could say with all truth of the Passion of Our Lord that eternity will not suffice to meditate adequately upon it we may affirm the same of Jesus Christ hidden in the Blessed Sacrament and with a thousand times more justice apply to our subject what St Augustine says in praise of the Blessed Virgin viz that all the tongues of men even if all their members were changed into tongues would not be sufficient to praise her as she deserves. Worldly lovers are accustomed frequently to mention and praise those whom they love that others also may praise and applaud them how poor and weak should we then consider the love of those who call themselves lovers of the Blessed Sacrament and yet who seldom speak of it or think of endeavoring to inspire others with a love of it. The true lovers of the most Blessed Sacrament do not act thus they speak of it praise it everywhere in public and in private whenever it is in their power they try to enkindle in the hearts of everyone those ardent flames of love which they themselves burn for their beloved Jesus. The object of this little book is then to make Jesus in the Blessed Eucharist more generally known and better loved. Our Divine Saviour is ready to bestow innumerable graces through this Sacrament which are lost in consequence of the ignorance and indifference of men. When the most Holy Sacrament of the Altar is not revered and loved scandals will abound faith will languish and the Church will mourn. On the other hand if this Sacrament be worthily frequented peace will reign in Christian hearts the devil will lose power and souls will be sanctified. As many as received Him to them He gave power to be made the sons of God. John 1:12 It has seemed to me that a work explanatory of the prominent points of this mystery written in a simple and familiar style would

greatly contribute to remove the obstacles to a right appreciation of this wonderful Sacrament of Divine love and with this conviction I have ventured to lay the following pages before the public trusting with the blessing of God they may prove useful to many souls Now should the Reverend Clergy deem this publication ever so little calculated to promote devotion to the Blessed Sacrament the compiler will believe himself amply rewarded for his labor if they encourage its circulation
