The Blues Detective A Study Of African American Detective Fiction:

The Blues Detective Stephen F. Soitos, 1996 This illuminating book makes the case for a tradition of African American detective fiction novels written by black Americans about black detectives and incorporating distinctly African American tropes and themes Beginning with Pauline Hopkins in 1901 black authors consciously altered and subverted the formulas of detective fiction in significant ways Such writers as J E Bruce Rudolph Fisher Chester Himes Ishmael Reed and Clarence Major created a new genre that responded to the social and political concerns of the black community Examining the work of these authors Stephen Soitos frames his analysis in terms of four uniquely African American tropes altered detective personas double consciousness detection black vernaculars and hoodoo He argues that black writers created sleuths who were in fact blues detectives engaged not only in solving crimes but also in exploring the mysteries of black life and culture Soitos grounds his study in African American literary theory particularly the work of Houston Baker Bernard Bell and Henry Louis Gates Jr He offers both a new way of conceiving black detective fiction and a series of insightful readings of books in this genre From product description [The African American Experience in Crime Fiction](#) Robert E. With a Crooked Stick—The Films of Oscar Micheaux J. Ronald Green, 2004-03-18 With a crooked stick filmmaker Oscar Micheaux 1884-1951 sought to hit a straight lick by stressing the strategic importance of class mobility or uplift for African Americans A theme in all of his more than 40 feature length black

produced black directed black cast and black audience films uplift would allow for the better things in life fast cars and fancy clothes freedom of belief financial security and an unencumbered intellectual life Although racism was an impediment to uplift for Micheaux and other African Americans race as a category was of a secondary order for him in the larger game of class In *With a Crooked Stick* J Ronald Green pursues this seeming contradiction in a detailed analysis of each of Micheaux's 15 surviving films He presents critical commentary on each film's plot and action and its contribution to the overall theme of uplift Readers will also find this an invaluable guide to the preoccupations and features of Micheaux's remarkable career and the insight it provides into the African American experience of the 1920s and 30s
