The Big Easy Tenor Sax:

The Big Easy... Tenor Sax Music Sales Corporation, Omnibus Press, 1997-01-01 **The British Catalogue of Music**, 2001 *Musical Messenger*, 1916 **Eminent Hipsters** Donald Fagen, 2013-10-22 A witty candid sharply written memoir by the cofounder of Steely Dan In his entertaining debut as an author Donald Fagen musician songwriter and cofounder of Steely Dan reveals the cultural figures and currents that shaped his artistic sensibility as well as offering a look at his college days and a hilarious account of life on the road Fagen presents the eminent hipsters who spoke to him as he was growing up in a bland New Jersey suburb in the early 1960s his colorful mind expanding years at Bard College where he first met his musical partner Walter Becker and the agonies and ecstasies of a recent cross country tour with Michael McDonald and Boz Scaggs Acclaimed for his literate lyrics and complex arrangements as a musician Fagen here proves himself a sophisticated writer with his own distinctive voice *Deadly Evil* Faith Yvette McCann, 2007-03-06 He worked fast and struggled with the thick plastic bags containing the bodies of Valerie and Morris Robinson The unforgiving burden of the corpses lay heavily across his muscular back Hey not to worry His back was strong He put forth every ounce of strength his body could render Valerie was easy so small and petite Morris felt like he weighed a ton Forcing his body weight against the bag somehow caused a puncture and Morris's huge arm poked forcefully through the dense plastic missing his head by a few inches He smiled and wondered if somehow this could be Morris's last heroic act to try and save the day Forget it Not this time He moved quickly in the dark to finish his ghastly task Only the far away sounds of the city streets were witness to his barbarous disposal **The Virtuoso** G. P. Walmsley, 2008-02 The Virtuoso is a mainstream contemporary novel laced with the struggles and ambivalence of a young man's desire to be a jazz musician and the forces that move him in another direction toward the classics How this dilemma resolves itself and the escapades along the way and beyond will both rouse yet soothe your quest for escape from the mundane The Virtuoso is a story of romance A love story as well as a story with scarlet moments of lust from that oldest story of all the story of human frailty against the spear of temptation The lives of John Dupree and Sophia Berry are played out against a canvas of music and on the darker side prostitution Be prepared for three dimensional characters and convoluted plots The Virtuoso will transport you drawing you into the story to live each scene From the rough and tumble streets of New Orleans during World War II to the poshness of high rise living in New York City we join he and Sophia in the intimacy of their lives From private piano lessons in Saint Louis to the hallowed halls of Juilliard we follow his emergence onto the concert stages of the world Their lives unfold in a fate that spans some 20 years In many ways this is a symbiotic relationship She is a benefactress in his formative years as he moves toward becoming a world class pianist while she derives love and companionship from him something she welcomes and realizes is important in her unconventional life Through the trauma of Korea to Sophia's court room battles in New York and Federal courts our couple shares with us the bitter sweetness of their lives and their love Check out <http://aboutthevirtuoso.com> **Louisiana Rocks!**

pop African call and response and Black Nationalist politics into a potent mix that still shapes musicians from America to Africa Europe to Asia A former musician himself Santoro is equally illuminating about both the technical aspects of the music and the personal development of the artists themselves He offers us telling glimpses into their often turbulent lives Ornette Coleman being kicked out of his high school band for improvising Charles Mingus checking himself into Bellevue because he'd heard it was a good place to rest the teenaged Jimi Hendrix practicing air guitar with a broom at the foot of his bed Aretha Franklin's Oedipal struggle with her larger than life preacher father Throughout the volume Santoro's love and knowledge shine through as he maps the rewarding terrain of pop music's varied traditions its eclectic cross cultural borrowings and its astonishing innovations What results is a fascinating tour through twentieth century popular music lively thought provoking leavened with humor and unexpected twists Stir It Up is sure to challenge readers even as it entertains them
