The Blood Countess:

Elizabeth Báthory Jill Keppeler, 2016-07-15 Sixteenth century Hungarian noblewoman Elizabeth B thory became known as the Blood Countess after being accused of torturing and killing numerous young women She was never convicted of these crimes but accounts of her life became intertwined with bloody folklore Some say she bathed in her victims blood to stay young This gripping biography relates the fascinating facts and the gruesome and grisly tales that hound this woman's legacy Sidebars fact boxes and photographs and illustrations provide more information about B thory as well as the time in which The Countess Rebecca Johns, 2010-10-12 Was the Blood Countess history's first and perhaps worst female serial killer Or did her accusers create a violent fiction in order to remove this beautiful intelligent ambitious foe from the male dominated world of Hungarian politics In 1611 Countess Erzs bet B thory a powerful Hungarian noblewoman stood helpless as masons walled her inside her castle tower dooming her to spend her final years in solitary confinement Her crime the gruesome murders of dozens of female servants mostly young girls tortured to death for displeasing their ruthless mistress Her opponents painted her as a bloodthirsty krata a witch a portrayal that would expand to grotesque proportions through the centuries In this riveting dramatization of Erzs bet B thory s life the countess tells her story in her own words writing to her only son a final reckoning from his mother in an attempt to reveal the truth behind her downfall Countess B thory describes her upbringing in one of the most powerful noble houses in Hungary recounting in loving detail her devotion to her parents and siblings as well as the heartbreak of losing her father at a young age She soon discovers the price of being a woman in sixteenth century Hungary as her mother arranges her marriage to Ferenc N dasdy a union made with the cold calculation of a financial transaction Young Erzs bet knows she has no choice but to accept this marriage even as she laments its loveless nature and ultimately turns to the illicit affections of another man Seemingly resigned to a marriage of convenience and a life of surreptitious pleasure the countess surprises even herself as she ignites a marital spark with Ferenc through the most unromantic of acts the violent punishment of an insolent female servant The event shows Ferenc that his wife is no trophy but a strong determined woman more than capable of managing their vast estates during Ferenc s extensive military campaigns against the Turks Her naked assertion of power accomplishes what her famed beauty could not capturing the love of her husband The countess embraces this new role of loving wife and mother doing everything she can to expand her husband's power and secure her family s future But a darker side surfaces as Countess B thory s demand for virtue obedience and above all respect from her servants takes a sinister turn What emerges is not only a disturbing unflinching portrait of the deeds that gave B thory the moniker Blood Countess but an intimate look at the woman who **Blood Countess** Lana Popovic, 2020-01-28 A lush and bloody historical thriller based on the infamous became a monster real life inspiration for Countess Dracula a Hungarian noblewoman turned serial killer Kirkus Reviews In sixteenth century Hungary Anna Darvulia has just begun working as a scullery maid for the young and glamorous Countess Elizabeth B thory

When Elizabeth takes a liking to Anna she's vaulted to the dream role of chambermaid a far cry from the filthy servants quarters below She receives wages generous enough to provide for her family and the Countess begins to groom Anna as her friend confident and lover It's not long before Anna falls completely under the Countess's spell and the Countess takes full advantage Isolated from her former friends family and fianc Anna realizes she s not a friend but a prisoner of the increasingly cruel Elizabeth Then come the murders and Anna knows it s only a matter of time before the Blood Countess turns on her too Popovic balances lush romantic language with gruesome imagery in this tale of innocence lost Readers will likely be inspired to do actual research into Lady Bathory's murderous misdeeds Booklist Popovic also touches on how a patriarchal society can drive women to extremes without letting the truly terrifying Bathory or Anna off the hook for their own actions Kirkus Reviews Hand to fans of dark historical fiction and powerful female characters School Library Journal Countess Andrei Codrescu, 2015-07-21 A brilliant novel of Elizabeth Bathory the notorious sixteenth century Hungarian aristocrat who bathed in the blood of virgins St Petersburg Times Turmoil reigns in post Soviet Hungary when journalist Drake Bathory Kereshtur returns from America to grapple with his family history He s haunted by the legacy of his ancestor the notorious sixteenth century Countess Elizabeth Bathory who is said to have murdered more than 650 young virgins and bathed in their blood to preserve her youth Interweaving past and present The Blood Countess tells the stories of Elizabeth s debauched and murderous reign and Drake's fascination with the eternal clashes of faith and power violence and beauty Codrescu traces the captivating origins of the countess s obsessions in tandem with the emerging political fervor of the reporter building the narratives into an unforgettable bloody crescendo Taut and intense The Blood Countess is a riveting novel that deftly straddles the genres of historical fiction thriller horror and family drama **Countess Elizabeth Bathory** Charles River, Charles River Charles River Editors, 2015-07-24 Includes pictures Includes historic accounts of the Countess life and crimes Includes footnotes online resources and a bibliography for further reading Includes a table of contentsShe didn t fear death because inside herself she didn t conceive it as a common destiny although she had seen it several times although it had upset her so many times Death is what happens to others to the weak ones she might have thought in her delirious blindness As far as the physical pains and punishments were concerned these had been exciting her ever since she was a child Javier Garcia Sanchez Contesa Dracula Erzs bet B thoryThe legends of vampires like Dracula have generated massive interest throughout time Indeed the story of a man in some versions a very handsome dashing man who feeds on the blood of virgins in order to survive and who walks the earth only at night has been revived throughout the centuries in different forms However one famous tale that has been lost among the legends is the story of a female Dracula an educated woman from a well known family of 16th century Hungary who was so afraid to lose her beauty and young looks that she engaged in dangerous practices combining witchcraft with exsanguination Countess Elizabeth B thory is this female Dracula She is said to have drained the blood of approximately 600 young women in order to drink it spread it all over her body as a

nurturing blend or simply to bathe in it Her preferences for such practices can be explained by several factors including the practices of the time as far as torture was concerned her genetic heritage personal madness and the fear of fading beauty Despite the general impression that B thory was exsanguinating these girls and bathing in their blood it appears that she did much more Sources indicate that most of the girls had been beaten tortured and even forced into particular sexual activities Regardless her attempts to do anything to keep her beauty apparently went for naught because upon her death B thory was no longer the beautiful and young woman she desired to be In essence it seems that all her criminal efforts had been in vain Based on her behavior and the reactions to it throughout time it is virtually impossible to set Erzs bet B thory in a character typology On one hand she could be considered a bored wife left alone by her husband for long periods of time time that she used to develop passions for same sex relations and an acute interest in inflicting pain on her victims. She might be seen as a mentally unstable person who found great joy in torturing others Perhaps most disturbing of all there s a possibility that the countess was a common character within the nobility of the 16th century who was acting normally based on the customs and norms of her era Adding to the mystery of the story is that historical records are still mostly inaccessible because of the language barriers most historical sources are in Hungarian As a result researchers interested in her life story and history usually rely on a limited number of available sources such as biographies articles published letters said to have belonged to her and scholarly articles on the topic Countess Elizabeth Bathory The Life and Legacy of History's Most Prolific Female Serial Killer details the mysterious and sordid history of one of the world's first and worst serial killers Along with pictures of important people places and events you will learn about Countess Bathory like never before in no time at all **Dracula** Tony Thorne, 1998-02-19 This is the story of Elisabeth Bathory a 17th century Transylvanian countess She was tried as a vampire and became an inspiration for depraved murderers up to the present day Based on research conducted at archives in Eastern Europe this account includes both the recorded truth and the legend that has grown up around her Tony Thorne is the author of the Bloomsbury Dictionary of Slang **The Blood Countess** Annouchka Bayley, 2023-11-14 Two women separated by five hundred years each with a secret the infamous Blood Countess 1560 1614 notorious for bathing in the blood of six hundred and fifty women in Renaissance Hungary and Transylvania and the woman driven to re write her story in the present an academic who lives in and out of time because of a near death experience and who escapes ruin at the hands of rival scholars desperate to see her and her world destroyed at any cost But Bathory's story will be told Not as a murderer or a dark witch as history would have us believe today but as a woman who became a subversive printer and smuggler of banned books rocked the religious foundations of the Austro Hungarian Empire with only a band of faithful refugee women to help her and who s revolutionary ideas would challenge even the Emperor himself Bathory s modern day chronicler becomes the cipher of this secret history uncovering the real life of the Blood Countess What she doesn t know is that the Blood Countess is rewriting her across time Based on 100s of hours of original historical research this novel is a

transformational account of not only of the infamous story of the so called Blood Countess but a searing exploration of what history is and what history does to women Countess Dracula Tony Thorne, 1997 The Blood Countess Alexandria Horyski-Anthony, 2017-01-07 The true story as backed by court documents and witness statements Elizabeth Bathory was known for bathing in the blood of virgins But just how true is this myth Read this book and get to know the story of a powerful woman who lived in a ale dominated world The Bloody Countess Valentine Penrose, 2013-10-12 Descended from one of the most ancient aristocratic families of Europe Erzsebet Bathory bore the psychotic aberrations of centuries of intermarriage From adolescence she indulged in sadistic lesbian fantasies where only the spilling of a woman s blood could satisfy her urges By middle age she had regressed to a mirror fixated state of pathological necro sadism involving witchcraft torture blood drinking cannibalism and wholesale slaughter These years at the latter end of the 16th century witnessed a reign of cruelty unsurpassed in the annals of mass murder with the Countess depredations on the virgin girls of the Carpathians leading to some 650 deaths Her many castles were equipped with chambers where she would hideously torture and mutilate her victims hundreds of girls were killed and processed for the ultimate youth giving ritual the bath of blood The Bloody Countess is Valentine Penrose s true disturbing case history of a female psychopath a chillingly lyrical account beautifully translated by Alexander Trocchi author of Cain's Book which has an unequalled power to evoke the decadent melancholy of doomed delinguent aristocracy in a dark age of superstition
