Spectrums and Spaces of Writing ,2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 The chapters in this book provide an overview of both global and interdisciplinary perspectives on Writing In an era when technology in general and social media in particular has appeared to overtaken academic discussion in regard to how we communicate the thoughts research and praxes in this volume reveal that while the concept of writing has changed dramatically in the past decades the flow of words on a page or computer screen as a large flow of text still remains one of the key forms in which humans are able to crystallize thoughts Each chapter reveals a particular facet of this process revealing that it is only through the crafting process of producing words through the conduit of head to heart to hand that we can create and understand the external composite of internal creativity and reveal the power of human reflection The clearly demonstrates that writing is encapsulated humanity

A Parallel Life Bonnie Greer,2014-05-15 Award winning playwright author and critic Bonnie Greer s touching funny and thought provoking memoir is a voyage into the making of a woman who set out to unmake what she d been born and brought up to be a proper girl a precious definition in a segregate and racist America where black life was deemed only three fifths of white life and the life of a black woman even less

To Write as if Already Dead Kate Zambreno,2021-06-08 To Write As If Already Dead circles around Kate Zambreno s failed attempts to write a study of Herv Guibert s To the Friend Who Did Not Save My Life In this diaristic transgressive work the first in a cycle written in the years preceding his death Guibert documents with speed and intensity his diagnosis and disintegration from AIDS and elegizes a character based on Michel Foucault The first half of To Write As If Already Dead is a novella in the mode of a detective story searching after the mysterious disappearance of an online friendship after an intense dialogue on anonymity names language and connection The second half a notebook documenting the doubled history of two bodies amid another historical plague continues the meditation on friendship solitude time mortality precarity art and literature Throughout this rigorous mischievous thrilling not quite study Guibert lingers as a ghost companion Zambreno who has been pushing the boundaries of literary form for a decade investigates his methods by adopting them offering a keen sense of the energy and confessional force of Guibert s work an ode to his slippery scarcely classifiable genre The book asks as Foucault once did What is an author Zambreno infuses this question with new urgency exploring it through the anxieties of the internet age the ethics of friendship and the facts of the body illness pregnancy and death

and online resources Gives syllabus suggestions for undergraduate and graduate courses *The Caricature Of A Revolution* Paolo Magrassi, **Innovation and the Arts** Piero Formica, John Edmondson, 2020-02-19 By dwelling on the need for the convergence of business innovation and the arts this book highlights the value of lowering the psychological organizational and institutional barriers that keep them apart For educators and practitioners this is an in depth discussion designed to stimulate awareness of the issues facing business education **Gender Equality in Higher Education** Valeria Maione, 2005 **Other Others** Steven Shankman, 2011-01-02 In literary and cultural studies today the term the Other appears to have largely lost its moorings in the primacy of the intersubjective encounter focusing rather on the social construction of the Other For Emmanuel Levinas in contrast the Other is precisely that which eludes construction and categorization In a study that ranges from literature of ancient China Greece and Israel to modern Egypt Italy West Africa and America Steven Shankman tests Levinas s ideas by reading literary works from outside the Judeo Christian orbit for figurations equivalent to Levinas s notion of the Other He also places ethics at the center of intercultural or in his words transcultural comparative literature In contemporary literary and cultural studies it is often assumed that culture has the last word However as Levinas insists and as Shankman argues throughout this book it is ethics that is the presupposition of all Culture that is situated before Culture *Feminist Measures* Lynn Keller, 1994 Explores the role of gender in poetic production the tensions between poetry and contemporary literary theory and the fluid boundaries between theoretical and literary writing **Generation X Goes Global** Christine Henseler, 2012-11-12 This edited volume is the first book of its kind to engage critics understanding of Generation X as a global phenomenon Citing case studies from around the world the research collected here broadens the picture of Generation X as a demographic and a worldview The book traces the global and local flows that determine the identity of each country s youth from the 1970s to today Bringing together twenty scholars working on fifteen different countries and residing in eight different nations this book present a community of diverse disciplinary voices Contributors explore the converging properties of Generation X through the fields of literature media studies youth culture popular culture sociology philosophy feminism and political science Their ideas also enter into conversation with fourteen other textbox contributors who address the question of Who is Generation X in other countries Taken together they present a highly interactive and open book format whose conversations extend to the reading public on the website www.generationxgoesglobal.com **The Visible and the Invisible in the Interplay between Philosophy, Literature and Reality** Anna-Teresa Tymieniecka, 2012-12-06 Merleau Ponty s categories of the visible and the invisible are investigated afresh and with originality in this penetrating collection of literary and philosophical inquiries Going beyond the traditional and current references to the mental and the sensory mind and body perceptual content and the abstract ideas conveyed in language etc these studies range from the hidden spheres of reality to the play of the visible and the invisible left as traces in works of human genius the origins of intellect and language the real and the imaginary in literature and the

hidden realities in the philosophy of the everyday world These literary and philosophical probings collectively reveal the role of this disjoined conjoined pairing in the onto-poietic establishment of reality that is in the manifestation of the logos of life In tandem they bring to light the hidden play of the visible and the invisible in the emergence of our vital societal intimate intellectual and creative involvements

Mind and Places Anna Anzani, 2020-05-12 This book explores the contributions of psychological neuroscientific and philosophical perspectives to the design of contemporary cities Pursuing an innovative and multidisciplinary approach it addresses the need to re-launch knowledge and creativity as major cultural and institutional bases of human communities Dwelling is a form of knowledge and re-invention of reality that involves both the tangible dimension of physical places and their mental representation Findings in the neuroscientific field are increasingly opening stimulating perspectives on the design of spaces and highlight how our ability to understand other people is strongly related to our corporeity The first part of the book focuses on the contributions of various disciplines that deal with the spatial dimension and explores the dovetailing roles that science and art can play from a multidisciplinary perspective In turn the second part formulates proposals on how to promote greater integration between the aesthetic and cultural dimension in spatial design Given its scope the book will benefit all scholars academics and practitioners who are involved in the process of planning designing and building places and will foster an international exchange of research case studies and theoretical reflections to confront the challenges of designing conscious places and enable the development of communities

Agamben and Law Thanos Zartaloudis, 2017-07-05 This collection of articles brings together a selection of previously published work on Agamben's thought in relation to law and gathered from within the legal field and theory in particular The volume offers an exemplary range of varied readings reflections and approaches which are of interest to readers students and researchers of Agamben's law-related work

Lucretius and Modernity Jacques Lezra, Liza Blake, 2016-04-08 Lucretius's long shadow falls across the disciplines of literary history and criticism philosophy religious studies classics political philosophy and the history of science The best recent example is Stephen Greenblatt's popular account of the Roman poet's *De Rerum Natura* On the Nature of Things rediscovery by Poggio Bracciolini and of its reception in early modernity winner of both a Pulitzer Prize and National Book Award Despite the poem's newfound influence and visibility very little cross-disciplinary conversation has taken place This edited collection brings together essays by distinguished scholars to examine the relationship between Lucretius and modernity Key questions weave this book's ideas and arguments together What is the relation between literary form and philosophical argument How does the text of *De rerum natura* allow itself to be used at different historical moments and to different ends What counts as reason for Lucretius Together these essays present a nuanced skeptical passionate historically sensitive and complicated account of what is at stake when we claim Lucretius for modernity

The Playfulness of Gerard Manley Hopkins Joseph J. Feeney, 2016-03-03 Renowned Hopkins expert Joseph J. Feeney SJ offers a fresh take on Gerard Manley Hopkins which shakes our understanding of his poetry and his life and

points towards the next phase in Hopkins studies While affirming the received view of Hopkins as a major poet of nature religion and psychology Feeney finds a pervasive rarely noticed playfulness by employing both the theory of play and close reading of his texts This new Hopkins lived a playful life from childhood till death as a student who loved puns and jokes and wrote parodies comic verse and satires as a Jesuit who played and organized games and had a gift for mimicry and most significantly as a poet and prose stylist who rewards readers with unexpected displays of whimsy and incongruity even strikingly in *The Wreck of the Deutschland* *The Windhover* and the *Terrible Sonnets* Feeney convincingly argues that Hopkins's distinctive playfulness is inextricably bound to his sense of fun his creativity his style and his competitiveness with other poets In unexpected images quirky metaphors strange perspectives puns coinages twisted syntax wordmusic and sprung rhythm we see his playful streak burst forth to adorn those works critics consider his most brilliant No one who absorbs this book's radical readings will ever see and hear Hopkins's poetry and prose quite the way they used to
