Sixty Days To Peace Implementing The Paris Peace Accords Vietnam 1973:

Sixty Days to Peace Walter Scott Dillard,1982 *Sixty Days to Peace* Walter Scott Dillard,1982 **Sixty Days to Peace** Walter Scott Dillard,2002-12-01 Historical events are never identical but the study of them does provide a context within which to formulate meaningful questions to order and guide decision making And that is the purpose of our Military History Series not to provide blueprints for future action but rather historical benchmarks to assist in forming creative responses to the ever changing global challenges to US interests and security An especially informative historical period took place during the last days of the US military withdrawal from Vietnam On 23 January 1973 the President announced to the Nation that the United States and North Vietnam had reached agreement in Paris on ending the war and restoring peace in Vietnam The accord provided for a Four Party Joint Military Commission composed of military representatives from North Vietnam South Vietnam the Viet Cong and the United States to implement certain provisions of the accord This National Defense University military history records the experiences of the US soldiers on the US Delegation during the 60 day life of the Commission The author Lieutenant Colonel Walter S Dillard USA was the official historian of the US Delegation and is thus uniquely qualified to write of the events marking the last days of our military presence in Vietnam The author s analyses of these events should be instructive for those who would better understand the enigmas of US relations with the developing world for our military who would better understand the functions of and constraints on such delegations and for students of statecraft who would better understand the interplay between treaty making and desired outcomes John S Pustay Lieutenant General United States Army President National Defense University *SIXTY DAYS TO PEACE.* ,1982 *Imperialism and Expansionism in American History* Chris J. Magoc,David Bernstein,2015-12-14 This four volume encyclopedia chronicles the historical roots of the United States current military dominance documenting its growth from continental expansionism to hemispheric hegemony to global empire This groundbreaking four volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with a global imperial posture and the long term viability of the largest military establishment in human history The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st century War on Terror Readers will learn about U S Native American conflicts 19th century land laws early forays overseas for example the opening of Japan and America s imperial conflicts in Cuba and the Philippines U S interests in Latin America are explored as are the often forgotten ambitions that lay behind the nation s involvement in the World Wars The work also offers extensive coverage of the Cold War and today s ongoing conflicts in Iraq Afghanistan Africa and the Middle East as they relate to U S national interests Notable individuals including American statesmen military commanders influential public figures and anti imperialists are covered as well The inclusion of cultural elements of American expansionism and imperialism for example Hollywood films and protest music helps distinguish this set from other more limited works **A**

Raid Too Far James H. Willbanks, 2014-02-02 In February 1971 the Army of the Republic of Vietnam ARVN launched an incursion into Laos in an attempt to cut the Ho Chi Minh Trail and destroy North Vietnamese Army NVA base areas along the border This movement would be the first real test of Vietnamization Pres Richard Nixon s program to turn the fighting over to South Vietnamese forces as US combat troops were withdrawn US ground forces would support the operation from within South Vietnam and would pave the way to the border for ARVN troops and US air support would cover the South Vietnamese forces once they entered Laos but the South Vietnamese forces would attack on the ground alone The operation dubbed Lam Son 719 went very well for the first few days but as movement became bogged down the NVA rushed reinforcements to the battle and the ARVN forces found themselves under heavy attack US airpower wreaked havoc on the North Vietnamese troops but the South Vietnamese never regained momentum and ultimately began to withdraw back into their own country under heavy enemy pressure In this first in depth study of this operation military historian and Vietnam veteran James H Willbanks traces the details of battle analyzes what went wrong and suggests insights into the difficulties currently being incurred with the training of indigenous forces

The War after the War Johannes Kadura, 2016-02-01 In The War after the War Johannes Kadura offers a fresh interpretation of American strategy in the wake of the cease fire that began in Vietnam on January 28 1973 The U S exit from Vietnam continues to be important in discussions of present day U S foreign policy so it is crucial that it be interpreted correctly In challenging the prevailing version of the history of the events Kadura provides interesting correctives to the different accounts including the ones of the key actors themselves President Richard Nixon and Secretary of State Henry Kissinger foremost among them In so doing Kadura aims to forge a synthesis between orthodox and revisionist interpretations of this important period Kadura finds that the strategy employed by Nixon and Kissinger centered on the concepts of equilibrium strategy and insurance policy That approach allowed them to follow a twofold strategy of making a major effort to uphold South Vietnam while at the same time maintaining a fallback strategy of downplaying the overall significance of Vietnam Whether they won or lost on their primary bet to secure South Vietnam Nixon and Kissinger expected to come through the crisis in a viable strategic position

Vietnam War James H. Willbanks, 2017-11-16 This detailed two volume set considers the Vietnam War one of America s longest and bloodiest wars from a topical perspective addressing the main characters and key events of the war and supplying many relevant primary source documents The Vietnam War not only claimed the lives of nearly 60 000 Americans and more than a million Vietnamese but the prolonged conflict also resulted in a firestorm of protest at home that shook the foundations of the country and made U S citizens question the moral principles and motivations behind our foreign policy and military actions Written in a very accessible style by recognized authorities on the war Vietnam War A Topical Exploration and Primary Source Collection provides students and general readers with a complete overview of the conflict in Vietnam a broad topic that remains an important part of the American history and world history curriculum Using a topical approach to cover all

aspects of the war the set enables students to see the complete picture of the conflict through its presentation of reference entries and documents arranged in cohesive compelling chapters Examples of the primary documents in the set include Communist Party Evaluation of the Tet Offensive 1968 and President Richard Nixon's Speech on Vietnamization 1969 These primary sources are augmented by oral histories of soldiers who fought in the Tet Offensive Additionally maps and images in each section enhance the aesthetic appeal of the book and heighten students understanding of the material Readers will come away with both a strong comprehension of the Vietnam War as well as an appreciation for how significant this proxy conflict was as a lead up event to the global Cold War

To Hanoi and Back Wayne Thompson, 2014-07-15 After nearly eighteen months of the largely unsuccessful bombing campaign called Operation Rolling Thunder the US Air Force began to look for ways to overcome technological geographical and political challenges in North Vietnam and use limited air power more effectively In 1972 the two Linebacker campaigns joined with other air operations to make a dramatic although temporary difference While they unleashed powerful B 52 area bombers the campaigns also demonstrated the efficacy of newly developed laser guided precision bombs Drawing upon twenty years of research in classified records Wayne Thompson integrates operational political and personal detail to present a full history of the Air Force role in the war against North Vietnam He provides an unprecedented view of the motivations and actions of the people involved from aircrews to generals to politicians in every phase of the air campaigns He outlines for instance the political reasons for President Johnson's reluctance to use B 52 bombers against major North Vietnamese targets He also examines how the media influenced US policy and how US prisoners became the war's most celebrated heroes The war in Southeast Asia ultimately pushed the Air Force toward adopting more flexible tactics and incorporating increasingly sophisticated weapons that would shape later conflicts

Almanac of American Military History Spencer C. Tucker, 2012-11-21 This almanac provides a comprehensive chronological overview of all American military history serving as the standard reference work of its type *Almanac of American Military History* is yet another reference work from acclaimed historian Dr Spencer C Tucker and ABC CLIO offering an unprecedented resource for a wide range of students and researchers A comprehensive four volume title this almanac traces all of American military history from the European voyages of discovery through 2011 chronicling the pivotal moments that have shaped the United States into the country it is today In addition to documenting key events this title presents biographies of more than 250 key individuals and provides information on more than 250 historically significant technologies and weapons systems A detailed glossary is included as are discussions of ranks and military awards and decorations Divided into conflict periods each chapter includes a detailed chronology reference entry sidebars statistical information primary source documents and a bibliography

A Select Bibliography of Department of Defense Publications of the Southeast Asian Conflict, 1990

Without Honor Arnold R. Isaacs, 1999-01-27 He also provides a historical record about the strategic decisions made during the war's end game and the intelligence failure that led Americans and their

Southeast Asian allies to underestimate the strength and perseverance of the enemy *The Vietnamese American 1.5 Generation* Sucheng Chan, 2006 Riveting stories by refugees who fled Vietnam *Turning Victory Into Success*, 2004

Monthly Catalog of United States Government Publications, 1983 **Monthly Catalogue, United States Public Documents**, 1983 **Military Planning in the Twentieth Century** Mary Ann Robinson, 1984 The essays commentaries and speeches which form this volume were presented at the Eleventh Military History Symposium held at the United States Air Force Academy on 10-12 October 1984 This conference is a biennial event sponsored jointly by the Department of History and the Association of Graduates of the United States Air Force Academy Begun in 1967 the series seeks to address problems in military history which have received limited attention and to provide a forum in which scholars may present the results of their research In this manner we hope to stimulate and encourage interest in military history among civilian and military scholars members of the armed forces and the cadets of the United States Air Force Academy **Special Bibliography Series** United States Air Force Academy. Library, 1957? **Special Bibliography Series**, 1957 **A Bitter Peace** Pierre Asselin, 2003-10-15 Demonstrating the centrality of diplomacy in the Vietnam War Pierre Asselin traces the secret negotiations that led up to the Paris Agreement of 1973 which ended America's involvement but failed to bring peace in Vietnam Because the two sides signed the agreement under duress he argues the peace it promised was doomed to unravel By January of 1973 the continuing military stalemate and mounting difficulties on the domestic front forced both Washington and Hanoi to conclude that signing a vague and largely unworkable peace agreement was the most expedient way to achieve their most pressing objectives For Washington those objectives included the release of American prisoners military withdrawal without formal capitulation and preservation of American credibility in the Cold War Hanoi on the other hand sought to secure the removal of American forces protect the socialist revolution in the North and improve the prospects for reunification with the South Using newly available archival sources from Vietnam the United States and Canada Asselin reconstructs the secret negotiations highlighting the creative roles of Hanoi the National Liberation Front and Saigon in constructing the final settlement
