**The Skeleton at the Feast** Elizabeth Carmichael, Chloë Sayer, 1992-03 In this unique work the authors explore both the historic origins of the Day of the Dead and its colorful present day celebrations in Mexico and the United States

**Skeletons at the Feast** Chris Bohjalian, 2009-04-06 In January 1945 in the waning months of World War II a small group of people begin the longest journey of their lives an attempt to cross the remnants of the Third Reich to reach the British and American lines Among the group is 18 year old Anna Emmerich the daughter of Prussian aristocrats There is her lover Callum Finnella a young Scottish prisoner of war who has been brought from the stalag to her family's farm as forced labour And there is the intriguing Wehrmacht corporal whom the pair know as Manfred who is in reality Uri Singer a Jew from Germany who managed a daring escape from a train bound for Auschwitz As they work their way west they encounter a countryside ravaged by war Their flight will test both Anna's and Callum's love as well as their friendship with Manfred assuming any of them even survive Skilfully capturing the flesh and blood of history Bohjalian has crafted a rich tapestry that puts a face on one of the 20th century's greatest tragedies while creating a masterpiece that will haunt readers for generations

K. Chesterton, 2011 This classic novel by the brilliant G K Chesterton tells the rollicking tale of Innocent Smith a man who may be crazy or possibly the most sane man of all Arriving at a dreary London boarding house accompanied by a windstorm Smith is an exuberant eccentric and sweet natured man Smith has a positive effect on the house he creates his own court brings a few couples together and falls in love with a paid companion next door All seems to be well with the world Then the unexpected happens Smith shoots at one of the tenants and two doctors arrive to arrest him claiming that he's a bigamist an attempted murderer and a thief But cynical writer Moon insists that the case be tried there and they explore Smith's past history revealing startling truths about what he does Is he the wickedest man in Britain or is he blameless as a buttercup Beautifully written mixing the ridiculous with the profound full of hilarious dialogue and lushly detailed writing Chesterton's main character Innocent Smith somehow manages to restore joy to all the dull and cynical lives around him In this delightfully strange mystery Chesterton demonstrates why life is worth living and that sometimes we need a little madness just to know we are alive Allen's Dictionary of English Phrases Robert Allen, 2008-08-07 Allen's Dictionary of English
