Gannon,2005-08-11 This provocative and unique work reveals the remarkably influential role of futuristic literature on contemporary political power in America Tracing this phenomenon from its roots in Victorian Britain Rumors of War and Infernal Machines offers a fascinating exploration of how fictional speculations on emergent or imaginary military technologies profoundly influence the political agendas and actions of modern superpower states Gannon convincingly demonstrates that military fiction anticipated and even influenced the evolution of the tank the development of the airplane and also the bitter political battles within Britain s War Office and the Admiralty In the United States future fictions and Cold War thrillers were an officially acknowledged factor in the Pentagon s research and development agendas and often gave rise and shape to the nation s strategic development of technologies as diverse as automation atomic weaponry aerospace vehicles and the Strategic Defense Initiative Star Wars His book reveals a

striking relationship between the increasing political influence of speculative military fiction and the parallel rise of superpower states and their technocentric ideologies With its detailed political historical and literary analysis of U S and British fascination with hi tech warfare this lively and revealing study will appeal to students literary and cultural scholars military and history enthusiasts and general readers

**Apocalypse Survival** T. Gordon Larsen,2016-01-28 This is a manual for Evangelical Christians who anticipate the second coming of Jesus Christ and understand that they may be called upon to endure some of the hardships of the End Times It takes the genre of survival literature up a notch by addressing the moral ethical and doctrinal questions that Christians should consider in planning for existential challenges in an uncertain future The author doesn't reinvent the wheel on common survival issues but covers items of interest to Believers who want to develop a survival strategy that deals with the world as they find it yet is consistent with their faith Among these are Does charity really begin at home Is it righteous to use lethal force in defense of yourself and others Does subscribing to the Pre Tribulation Rapture mean that Believers need not be concerned about coping with the End Times
