Myths of the Civil War Scott Hippensteel,2021-11-15 In the spirit of Robert Adair s cult classic The Physics of Baseball here is a book that tackles the long cherished myths of Civil War history and ultimately shatters them based on physics and mathematics At what range was a Civil War sniper lethal Did bullets ever rain like hail Could one ever step across a battlefield by stepping only on bodies and never hard ground How effective were Civil War muskets and rifles How accurate are photographs and paintings In this genre bending work of history Scott Hippensteel puts the tropes of Civil War history under the microscope and says Wait a minute Combining science and history Hippensteel reexamines much that we hold dear about the Civil War and convincingly argues that memoirs and histories have gotten it wrong This is a work of history and science for our era of fake news and for well beyond Readers will never look at the Civil War the same way again

Angelus J. And-re'son,2015-03-30 Spera Angelus is someone who wouldnt stand out to normal people but she is far from normal Spera is soon dragged into a war between the world she calls home and the world she didnt know she was a part of A normal day turns to genocide and if she and her kinds dont take a stand humanity will face extinction

Snipers at War John Walter,2017-05-30 Snipers at War is a detailed history and analysis of the equipment tactics and personalities of the sniping world from the pursuit of accuracy to the latest electronic aids to observation and ranging Technology and marksmanship from the Crimean War to the present day is examined in detail The role of the sniper was largely ignored until the Winter War of 1939 40 between Finland and the USSR showed what could be achieved by specialist marksmen Finn Simo Hyh amassed 505 kills in less than a hundred days a lesson learned by the Red Army at its cost By the Germans invasion of 1941 the Russians were prepared when the war ended in addition to men such as Vasiliy Zaytsev a Stalingrad hero with 242 accredited kills the USSR had trained more than 2000 women as snipers After 1945 the sniper s reputation declined again However the Vietnam War seemingly unending Middle Eastern conflict internal strife in Sri Lanka and ever present urban threats have given new impetus not only to sniping but also to the development of new and more effective weaponry

Troublemakers in the Church Mark Atteberry,2022-01-01 Most people would agree that the church is an amazing concept the idea that people who share faith in Christ can worship and serve together and enjoy sweet fellowship that has

love forgiveness and mutual support as its hallmarks But the reality is often quite different When people who are part of the church behave in ways that are thoughtless selfish and even vicious then that shining ideal dims drastically and people get wounded sometimes never to recover Suddenly the one place in the community that should symbolize hope and light becomes a house of horror Why does this happen The easy answer is to point an accusing finger at Satan but what about our own culpability Troublemakers in the Church Dealing with the Difficult the Dangerous and the Deadly identifies twenty five types of troublesome church members and offers insights on how to deal with them while also offering a specific plan for how to build a church culture that manages and minimizes trouble

The Stalingrad Cauldron Frank Ellis, 2013-06-27 The encirclement of the German 6th Army at Stalingrad in mid November 1942 and its final collapse in February 1943 was a signature defeat for Hitler as more than 100 000 of his soldiers were marched off into captivity Frank Ellis tackles this oft told tale from the unique perspective of the German officers and men trapped inside the Red Army s ever closing ring of forces This approach makes palpable the growing desperation of an army that began its campaign confident of victory but that long before the end could see how hopeless their situation had become Highlighting these pages are three previously unpublished German army division accounts translated here for the first time by Ellis Each of these translations follows the combat experiences of a specific division the 76th Infantry the 94th Infantry and the 16th Panzer and take readers into the cauldron or Kessel that was Stalingrad Together they provide a ground level view of the horrific fighting and yield insights into everything from tactics and weapons to internal disputes the debilitating effects of extreme cold and hunger and the Germans astonishing sense of duty and the abilities of their junior leaders Along with these first hand accounts Ellis himself takes a new and closer look at a number of fascinating but somewhat neglected or misunderstood aspects of the Stalingrad cauldron including sniping desertion spying and the fate of German prisoners His coverage of sniping is especially notable for new insights concerning the duel that allegedly took place between Soviet sniper Vasilii Zaitsev and a German sniper Major Konings a story told in the film *Enemy at the Gates* 2001 Ellis also includes an incisive reading of Oberst Arthur Boje s published account of his capture interrogation and conviction for war crimes and explores the theme of reconciliation in the works of two Stalingrad veterans Kurt Reuber and Vasilii Grossman Rich in anecdotal detail and revealing moments Ellis s historical mosaic showcases an army that managed to display a vital resilience and professionalism in the face of inevitable defeat brought on by its leaders It makes for compelling reading for anyone interested in one of the Eastern Front s monumental battles

Sniper Shot Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sniper Shot has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sniper Shot has opened up a world of possibilities. Downloading Sniper Shot provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sniper Shot has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sniper Shot. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sniper Shot. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sniper Shot, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sniper Shot has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.
