**The Novels of C. P. Snow** Suguna Ramanathan,1978      **The Sofi Snow Novels** Mary Weber,2018-10-02

The Evaporation of Sofi Snow The line between virtual reality is about to EVAPORATE In a world where skycams follow your every move and the details of your life are uploaded each hour Sofi knows that her eyes are the only caring ones watching her brother Shilo As an online gamer she works behind the scenes to protect Shilo as he competes in a mix of real and virtual blood sport But when a bomb destroys the gaming arena she is helpless to rescue him and certain that his disappearance was no accident Despite all the evidence of Shilo s death Sofi s nightmares tell her he is still alive Could the dreams be truer than what everyone else claims For Miguel a charming young playboy from Earth the games are of a different sort As Ambassador to the Delonese his career has been built on trading secrets In the aftermath of the bombing he fears he has lost Sofi forever even as he wonders if she is really who she seems Now he s a target for blackmail The game is simple help the blackmailers or lose more than anyone can fathom or than Earth can afford Step into a universe of diverse characters alien invasions and high stakes video gaming Because when technology reigns nothing is as true as it seems and fantasy can become reality after all Reclaiming Shilo Snow She was far more capable than Earth s leaders had accounted for and they had no idea what she d do next Known as a brilliant mind that could hack humanity s darkest secrets seventeen year old Sofi Snow is the most wanted teenager alive She found her way to the icy technologically brilliant planet of Delon to find Shilo the brother everyone but Sofi believes is dead But as she and Ambassador Miguel partner to find her brother and warn those on Earth of Delon s dark designs on humanity Sofi s memories threaten to overtake her distorting everything she holds true She knows the Delonese kept her in a dark deceptive place and destroyed a portion of her life Now the more they discover of Sofi s past the more Sofi feels herself unraveling as each new revelation has her questioning the very existence of reality In this harrowing sequel to The Evaporation of Sofi Snow Sofi and Miguel must trust each other and discover the secrets locked inside Sofi s mind as the line between what s real and what they imagine begins to slip away threatening to take humanity with it      C.P. Snow N. Tredell,2012-09-24

Novelist and cultural commentator C P Snow was a large and controversial presence in his lifetime but his work has been largely neglected since his death in 1980 This is the first 21st century book to offer a clear informed and sympathetic survey of all his novels and major non fiction books and to affirm their importance for the world today      Twentieth Century Fiction George Woodcock,1983-04-01      **C.P. Snow's Strangers and Brothers as Mid-twentieth-century History** Terrance L. Lewis,2009

This book studies C P Snow s eleven volume series of novels Strangers and Brothers as documents detailing the social and political life of mid twentieth century Britain and points out the uses for the novels in the academic study of that time period Both Snow and his central character Lewis S Eliot started from unremarkable origins in terms of their mutual background in the lower reaches of the middle class their dreams of success in their teen years and their early professional education in a new struggling academic institution in the mid 1920s Neither

could really be considered typical for men of their class Eliot's working life would include being a very minor town clerk a barrister an advisor to a powerful industrialist a Cambridge don a moderately powerful civil servant and finally in early retirement a writer Eliot would befriend members of both the traditional and Jewish upper classes scholars and brilliant scientists powerful behind the scenes civil servants second tier British and Nazi politicians financiers and industrialists Communists and writers and artists providing a fairly broad overview of parts of the middle class and ruling elites of the period Snow's sequence of novels is therefore useful to the historian of twentieth century Britain both in understanding the period as it recedes away from common experience and in presenting the period in the classroom Snow was a classic twentieth century writer who presented a more balanced account of the British governing classes of the middle third of the twentieth century than did the upper class and would be upper class or working class writers of the same period His novels provide an insight that every student of twentieth century Britain must have on hand **Living With a Writer D.**

Salwak,2016-05-23 Living With A Writer brings together a group of prestigious contributors to discuss the writing lives of contemporary poets novelists critics dramatists editors and collaborators What are the practical considerations of being a writer What are the household dynamics How do the circumstances contribute to the work What does it tell us about the creative process The book features pieces from well known authors and partners in famous literary relationships including John Bayley Amanda Craig Nadine Gordimer Ann Thwaite Paul Theroux and John Updike **TIMES OF WAR & PERIL -**

**The Historical Novels Series (Illustrated Edition)** G. A. Henty,2023-12-10 In Times of War Peril G A Henty masterfully weaves historical narrative with adventurous storytelling offering readers a vivid portrayal of tumultuous periods in history Set against the backdrop of wars and significant upheavals Henty employs a direct and engaging literary style drawing readers into the life of young protagonists as they navigate the complexities of bravery loyalty and moral courage The illustrated edition enhances this experience allowing readers to fully immerse themselves in the historical context that shapes the characters' journeys while enriching the visual narrative of this compelling series G A Henty a prolific author of historical fiction in the late 19th century specialized in tales that appealed to a young audience His own background having served as a war correspondent during conflicts and his keen interest in the lives of soldiers and civilians alike shaped his ability to blend informative historical detail with thrilling adventure Henty's writing is influenced by Victorian ideals of masculinity and honor urging his readers to aspire to virtues exemplified by his characters This book is highly recommended for readers of all ages who seek both educational enrichment and entertainment Whether you are a historian a parent looking for inspiring narratives for younger readers or simply a lover of historical fiction Henty's Times of War Peril offers a captivating escape into the past that remains relevant and thought provoking today **G. A. HENTY Ultimate Collection: 100+ Historical Novels, Adventure Tales & Short Stories** G. A. Henty,2023-11-09 The G A Henty Ultimate Collection 100 Historical Novels Adventure Tales Short Stories is a comprehensive anthology that encapsulates the spirit of 19th

century historical adventure literature Henty's works are characterized by their meticulous historical research vivid storytelling and emphasis on moral fortitude making them quintessential examples of Victorian era literature The collection spans various settings and time periods from ancient civilizations to more contemporary historical events offering readers a rich tapestry woven with adventure and educational depth Henty's ability to create relatable young protagonists who navigate complex historical narratives imparts both entertainment and enlightenment ensuring that his tales resonate through the ages

G A Henty a prolific English author journalist and war correspondent was deeply influenced by his experiences in the Crimea and his fervent interest in history and heroism His encounters with soldiers and his travels exposed him to a myriad of cultures and historical events inspiring him to craft narratives that not only entertain but also educate young readers about the past Henty's dedication to adventure and integrity is evident in his writing making him a distinguished figure in children's literature of his time This ultimate collection is highly recommended for readers of all ages who seek to engage with the past through riveting tales of adventure and bravery Whether you are a history enthusiast an educator or simply in search of captivating stories Henty's work promises to inspire educate and entertain making it an essential addition to any literary collection

[The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950](#)

George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

**C. P. Snow and the Struggle of Modernity** John de la Mothe, 2013-09-06 The condition of modernity springs from that tension between science and the humanities that had its roots in the Enlightenment but reached its full flowering with the rise of twentieth century technology It manifests itself most notably in the crisis of individuality that is generated by the nexus of science literature and politics one that challenges each of us to find a way of balancing our personal identities between our public and private selves in an otherwise estranging world This challenge which can only be expressed as the struggle of modernity perhaps finds no better expression than in C P Snow In his career as novelist scientist and civil servant C P Snow 1905-1980 attempted to bridge the disparate worlds of modern science and the humanities While Snow is often regarded as a late Victorian liberal who has little to say about the modernist period in which he lived and wrote de la Mothe challenges this judgment reassessing Snow's place in twentieth century thought He argues that Snow's life and writings most notably his Strangers and Brothers sequence of novels and his provocative thesis in The Two Cultures and the Scientific Revolution reflect a persistent struggle with the nature of modernity They manifest Snow's belief that science and technology were at

the center of modern life      **The Mystery Fancier (Vol. 4 No. 6) November/December 1980** Guy M.
