Babb, 2020-08-19 Earth is Ours a fresh and uniquely original story line bridges many genres A symbiotic relationship develops between a self aware female computer and an American Indian man dying of old age This is a forced relationship dictated by mutual needs for survival in a world stripped of technology by aliens The main characters begin the fight of their lives but before they can fight the fierce aliens Levi and Amy must fight for control of who they will be jointly What begins as conflict of minds develops into tolerance then cooperation and finally love This love of total oneness creates a unity of incredible power and strength that provides the means to fight the aliens Female brains and male brawn unite to battle against incredible odds for the survival of the human race The conflict of minds action adventure and suspense are all interlaced into a compelling and fast paced adventure The characters are three dimensional with real emotions not always

perfect but always interacting The story presented from differing viewpoints depict the two main characters as they convey some of the same events from both a male and female perspective As they interface the events are often seen from conflicting emotions and motivations sometimes cynical and often humorous It is the ultimate struggle of male versus female while combating monstrous aliens As expected this action story has a strong appeal to men while the romance aspect compliments the story expanding the appeal in women Additionally one of the main characters is Amy a particularly brilliant and forceful female who demands attention from both sexes Her male counterpart is very physical and masculine representing everything Amy is not Both characters and sexes are presented in a positive although conflicting way at times These characters and the story are strong and their saga continues in its sequel Target Earth *Maggie Blair book 1* Kingsley Roberts,2016-03-13

Isaac Hill Sr.,2015-03-06 Is the worst yet to come or will there be a darkness that precedes the dawn as everyone awaits the last days And can it be possible that the last days are the new beginning of what is truly marvelous and worth every struggle both real and imaginary This matter of inevitable uncertainty is a lifelong challenge that will not yield to the intentions of the best plans One must endure its magnitude with boldness and faith that is nurtured in the mind and deposited into the heart where every beat pounds it into submission to indomitable will lest despair direct one to an insignifi cant fate I believe One must proclaim and then prophesy to the horizon whether it forebodes malady or casts a sweet allurement I will One must proclaim in spite of dissenters who prove to be great fair weather company along for the ride And one must pray that one will survive through the foolish measures of their own unbridled bravery while the course through the unknown looms as an undefeatable giant No time is wasted for every step forward is progress and every resting place is a recharge every fall is a chance to rise again Surely the demons will howl when the moon rises and the day vultures will soar in the midst of the trial which hardens your resolve and you shall laugh when your victory shuts their mouths And those who laugh last laughs best

**Running Northwest** Michael J Melville,2015-01-05 Excerpt On the side of a dark and desolate Oregon coast road Thomas James stood by himself hidden in the shadows Alone and lost in thought he felt detached He eventually crumpled to

the ground his legs giving way beneath his large frame The previous few hours were replaying in his mind like a bad movie About two hours prior he got a phone call from the county police It took him barely five minutes to get to the accident she was almost home Imagine a place where dreams come true and new ones are born A place where friends laugh kids smile and new love blossoms Where walks on foggy ocean beaches or misty woods become memories that will last a lifetime A place where people and nature peacefully coexist and enjoy the company of one another A place where lost love can be reborn and lives made simple and perfect A place where you can get lost in your future and leave the darkness behind Find that place in Running Northwest Set against the unpredictable Pacific Ocean on the rocky forested northern coast of Oregon is a story about heartbreaking loss rebuilding fate and love Running Northwest takes the reader on a journey as an unexpected road weaves its way through the life of single father Thomas James and his 8 year old son Daniel In Michigan newly single Stephanie Davis is about to begin her own journey down a path she never expected and never even knew existed which will change her life in ways never imagined      The Road to Forever Marla Machado,2019-03-15 Hannah Gomez has been in love with Ian Salerno since she was sixteen When her assertive flirtations with him at Sawyer and Karina Bank s wedding leads to a drunken romp in the bedroom Hannah is mortified embarrassed and no longer a virgin Determined to put the biggest mistake of her life behind her before he awakens Hannah escapes with whatever pride she has left Ian Hannah s late brother in law s best friend has sworn off relationships forever Hannah has always been in the background and someone he has never really noticed much until now But after he realizes it was her who shared a passionate rendezvous with him at the wedding Ian finds he is unable to resist her But there s only one problem he is battling more personal demons than he would like to admit Now only time will tell if fate has made a mistake by throwing them together or if they will somehow manage to overcome their challenges and find true love The Road to Forever is a tale of a young couple s journey together through obstacles and personal demons after their destinies are intertwined at a wedding      *They Fight Fires and Win* John Barry Lewis,2009-03-31 The story is set during the 1970 s and early eighties about the British Fire Service as seen through the eyes of an operational city fire fighter It tells of the humour the horrors and the heroics that the job involves and of the wives and families who provide the support when the job becomes that much more stressful It is not an autobiography but is written as a novel Although the incidents described are based on events that the author confronted or knew took place they have been altered slightly to create a more interesting read
