The Supreme Court  
and Republican Liberty

EDITED BY  
RICHARD G. STEVENS & MATTHEW J. FRANCK

# Sober As A Judge The Supreme Court And Republican Liberty

**William M. Wiecek**

## **Sober As A Judge The Supreme Court And Republican Liberty:**

*Sober as a Judge* Richard G. Stevens, Matthew J. Franck, 1999 Political scientists profile the work of five US Supreme Court Justices deemed innocent of overstepping the bounds of the Constitution by tempering laws with mercy or discovering rights They are Nathan P Clifford Stanley Matthews Edward Douglass White Fred M Vinson and Antonin Scalia An introduction characterizes the justices as guardians of republican Republican liberty an epilogue considers staying clean and sober in the future Only names are indexed *Supreme Court Justices* Timothy L. Hall, 2001 Presents an alphabetical listing of Supreme Court justices with a short biography on each person The Waite Court Donald Grier Stephenson, 2003-11-12 An extensive exploration of the major decisions and personalities of the Supreme Court during the 14 year tenure of Chief Justice Morrison Remick Waite The Waite Court Justices Rulings and Legacy presents a fresh interpretation of the Supreme Court under the tenure of Chief Justice Morrison Remick Waite 1874 1888 An in depth analysis of key decisions demonstrates how the Waite Court confronted such profound issues as the post Civil War rights of African Americans and state regulations intended to cope with rampant industrialization Highlighting the Court s most famous decision *Munn v Illinois* which upheld legislation regulating railroad and grain elevator rates this careful analysis also reviews the Court s unique involvement in the 1876 presidential election electoral predicament Profiles of the 15 justices who served on the Waite Court include extensive descriptions of the five that rank among the most outstanding justices ever to serve on the Supreme Court

**History of American Political Thought** Bryan-Paul Frost, Jeffrey Sikkenga, 2003-01-01 Revised and updated this long awaited second edition provides a comprehensive introduction to what the most thoughtful Americans have said about the American experience from the colonial period to the present The book examines the political thought of the most important American statesmen activists and writers across era and ideologies helping another generation of students scholars and citizens to understand more fully the meaning of America This new second edition of the book includes new essays on Walt Whitman Lyndon Baines Johnson Ronald Reagan and Barack Obama Significant revisions and additions have also been made to many of the original essays increasing the breadth and depth of the collection **America's Forgotten Founders, second edition** Gary L. Gregg, Mark David Hall, 2023-05-30 Beyond Washington and Jefferson Ranking the Founders Even as Americans devour books about our Founding Fathers the focus seldom extends past a half dozen or so icons Franklin Washington Adams Jefferson Madison Hamilton Many of the men and women who made prodigious contributions to the American founding have been all but forgotten America s Forgotten Founders corrects this injustice Editors Gary L Gregg II and Mark David Hall surveyed forty five top scholars in history political science and law to produce the first ever ranking of the most neglected contributors to the American Revolution and our constitutional order This unique book features engaging short biographies of the top ten most important Founders whose contributions are overlooked today James Wilson George Mason Gouverneur Morris John Jay Roger Sherman John Marshall John Dickinson Thomas Paine Patrick Henry and John

Witherspoon Part of the Lives of the Founders series America's Forgotten Founders reshapes our understanding of America's founding generation *Leo Strauss and His Legacy* John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss's students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss's own complete bibliography and that of one of his most revered students George Anastaplo **American Political Thought** Morton J. Frisch, Richard G. Stevens, The Second World War was a crisis not just for America but for the whole of Western Civilization and in the wake of that war a new crisis arose which came to be called the Cold War Just when that gave the appearance of being resolved the world reached a new juncture a new crisis which Samuel P Huntington dubbed the clash of civilizations The statesmen having political responsibility in confronting the first three crises in America's history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled in the active resolution of events Their reflection of political philosophy in the full sense informed their actions Reason and History in Judicial Judgment Richard Stevens, 2017-07-05 Stevens sees three crises in American judicial statesmanship The first was the crisis of the founding The well being of the country was subjected to grave danger culminating in the crisis of the Civil War and a refoundation was required During the mid twentieth century the United States faced the possibility of destruction World War II and the finding of malfeasance of the nation in the office of the president The constant excitement of contest with antagonists makes it difficult to say whether the current crisis of the Supreme Court is merely a continuation or a whole new problem The political leaders who resolved the first crisis and founded the Republic bequeathed as a part of that foundation the United States Supreme Court During the subsequent history of the country and with respect to its crises the Court played a large part Whether or not it does so well in the current period depends upon the quality of its judicial statesmanship The judge is a person who acts But it is considered action and considered action is based on prior understanding The character of the Court's understanding or direction reveals itself in the course of its division over the application of the due process clause to state criminal proceedings Frankfurter's view is problematic If Western civilization is to be preserved it must be because it is worth preserving If it is worth preserving it must be because it is good If so can it be preserved by reliance upon and reference to itself or must reliance not be placed upon that by virtue of which the thing to be preserved is worthy of preservation This problem is not new to Western civilization Much has been written about Frankfurter and common descriptions of the terms restraint and pragmatism to characterize his doctrines Previous treatments of these doctrines now available have not seemed adequate The intention of Reason and History in Judicial Judgment is to treat them as ethical problems rather than as self explaining conclusions The George W. Bush Presidency Robert E. Denton Jr., 2012-07-21 To date there are only a couple dozen or so books specifically about the Presidency of George W Bush Political operatives members of the media and former administration officials have written most of the volumes Additionally the early books on

the Bush presidency focus on the various aspects and dimensions of the War on Terror In essence these studies challenge the justification of our deployment the Bush doctrine and the assumptions of nation building Few volumes focus on his quite substantial legislative record and impact There are a few academic volumes on the Bush presidency but they were completed while he was still in office They tend to be biased and uniformly negative The George W Bush Presidency A Rhetorical Perspective seeks to remedy this lack of academic investigation of the 43rd president and his rhetorical strategies This volume is unique because the contributors analyze the Bush Presidency from a largely rhetorical perspective The chapters look at the rhetoric of Bush across the contexts of domestic policy foreign policy the wars and politics in general Further this thorough study examines the Inaugural addresses State of the Union addresses and addresses before joint sessions of Congress Others analyze his political philosophy policy issues and his rocky relationship with the news media Collectively this essential text provides insight into the role of public discourse in the campaigning and governing of the George W Bush presidency *Searching the Law, 3d Edition* Frank Bae,Edward Bander,Francis Doyle,Joel Fishman,Paul Richert,2021-12-13

**Print the Legend** Sidney A. Pearson,2009-01-01 What kind of civic culture and virtues are required to maintain and develop a decent regime The aim of this collection is to explore this theme from the perspective of the films of John Ford

*The History of the Supreme Court of the United States* William M. Wiecek,2006-01-23 The Birth of the Modern Constitution recounts the history of the United States Supreme Court in the momentous yet usually overlooked years between the constitutional revolution in the 1930s and Warren Court judicial activism in the 1950s 1941 1953 marked the emergence of legal liberalism in the divergent activist efforts of Hugo Black William O Douglas Frank Murphy and Wiley Rutledge The Stone Vinson Courts consolidated the revolutionary accomplishments of the New Deal and affirmed the repudiation of classical legal thought but proved unable to provide a substitute for that powerful legitimating explanatory paradigm of law Hence the period bracketed by the dramatic moments of 1937 and 1954 written off as a forgotten time of failure and futility was in reality the first phase of modern struggles to define the constitutional order that will dominate the twenty first century **Supreme Court of the United States** George H. Rutland,2006 The Supreme Court of the United States is in the midst of a generation change which will no doubt result in societal imperatives different than those in the past The Supreme Court of the US has a profound effect on ideas thoughts and behaviour of the people of the US This new bibliography presents hundreds of citations of the important literature dealing with this beacon of society *American*

*Constitutional Development: The powers of government* Richard S. Randall,2002 This volume examines constitutional law in a unique developmental framework that shows how key events through American history have shaped the Supreme Court s understanding of the Constitution Places unique emphasis on the political economic social and developmental aspects of the Supreme Court s constitutional decisions The book examines the great issues and events of government and politics in the early middle and modern constitutions how they have shaped the Supreme Court s understanding of the Constitution and

how the distributive consequences of that understanding in turn affect American political life For those who are interested in the American constitution      **The Protection of Fundamental Rights in Europe** Carlo Casonato,2004      **Recent Acquisitions** Ohio State University. College of Law. Library,1999      *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences* ,1999      *Direito Constitucional Geral* Paulo Ferreira da Cunha,2022-08-28 O autor traz um panorama hist rico da rela o entre direito e sociedade inserindo o Direito Constitucional na din mica da cultura e defendendo que os estudos e debates correlatos n o podem se basear em discursos estanques que ignorem os influxos que a Constitui o recebe das mais variadas manifesta es A obra transita habilmente da exposi o hist ria das constitui es at a apresenta o dos valores constitucionais bem como da reflex o sobre a constitucionaliza o do Direito at o debate a respeito da in exist ncia de normas constitucionais inconstitucionais propondo uma vis o multidisciplinar da Constitui o      **Biographical Directory** American Political Science Association,2001  
    Choice ,2000
