and implemented by either societies or individuals ultimately creating a moral life solely guided by logic and science rather than superstition or belief in divine guidance Luce believes it is time for a new genesis of moral living He relies on several decades of research and contemplation as well as ancient and newly acquired wisdom as he carefully examines the difference between good and evil the importance of self awareness and the reasons that morality is not dependent upon the existence of any god Seekers of the truth and new ideas will learn the meaning and consequences of perception as well as how to train ourselves to think more productively and morally and why laws government and religions are symptoms of our immorality Chasing Davis provides a practical objective set of behavioral and cognitive guidelines that will help anyone live a moral life regardless of individual cultural religious or philosophic antecedents **The Whole Works** John Bunyan, George Offor, 1867
