Something Big Patrick Wohl, 2025-07-01 *Something Big* tells the story of the infamous Brown's Chicken massacre a brutal case that captivated Chicagoland after remaining unsolved for nearly a decade Customers know Brown's Chicken for its crispy buttermilk fried chicken and flaky biscuits The Illinois based franchise has a reputation for delicious but simple comfort food But through no fault of its own the words Brown's Chicken are also synonymous with one fateful night in January of 1993 A Real Hometown is the trite but apt motto of Palatine Illinois a quaint middle class suburb west of Chicago On a snowy Friday evening the staff and owners of the city's local Brown's Chicken franchise were closing up when two final customers arrived just past 9 p.m. As the night drew on and the employees hadn't returned home the families of the owners and workers began to worry prompting police to investigate When they entered the dark building police were shocked to find seven bodies stacked in the restaurant's freezer and fridge The killers of course were long gone In the months that followed the horrendous story rocked Chicagoland and the case remained unsolved for nine years The Brown's Chicken massacre is one of the most infamous cases in Illinois history yet it is often misremembered In *Something Big* Patrick Wohl gives a new account of the story taking readers behind the scenes and sharing the perspective of the people who lived it

It'll Be Fun You'll See Guy J. Jackson, 2024-07-26 Yeah so no one's really precisely sure what to make of all this The promotional blurbs here and herein are from people more eloquent than this person right now writing this so the blurbs are actually where you want to look for an approximate spin on this book's supposed contents a supposed collection of supposed short stories But is it really a collection per se Are they really short stories A.F. Harrold once pointed out that technically speaking the short stories of Guy J. Jackson aren't always quantifiable as short stories and sometimes they are just things Whereas Gwyneth Herbert if we recall semi correctly once advised to simply drink Jackson's stories out of a diamond studded high heel with someone you prefer while lingering in lucidity on a country road at dusk But at least it's been firmly postulated by experts the world over that if one consumes these so called short stories of Jackson's at the rate of one story per day with skipped days
