The Blind Seer John Crew Tyler,1959 George Matheson and Mysticism—A Biographical Study Scott S.

McKenna,2022-02-04 This book is a study on the life and mystical thought of George Matheson In the closing decades of the nineteenth century Matheson was a Church of Scotland minister at Innellan on the west coast of Scotland Matheson was of Highland descent and blind from the age of eighteen His spiritual journey included a distressing experience of atheism the attraction of Hegelian idealism and through the practice of silence and meditation on Scripture he wrote of the Eternal through mystical union Matheson has much to offer those interested in the inner life not least Christians in the Presbyterian tradition **The Blind Seer** John Crew Tyler,1959 **The Reading and Preaching of the Scriptures in the Worship**

of the Christian Church, Volume 6 Hughes Oliphant Old,2007 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen *The Language of the Stars* Hermann Beckh,Rudolf Frieling,2020-11-16 Astrology is a concern of the Christ and the work of Michael Hermann Beckh During the brief window between the two World Wars the Rev Prof Hermann Beckh led research at The Christian Community Seminary in Stuttgart In those precious years he published on music the gospels and the ancient Mysteries By 1930 in his Contributions to the Priests Newsletter he had produced the most far reaching account of the cosmic order ever written The typescript of this great work was destined to gather dust in the Berlin Archiv however until it was discovered in recent years Published here for the first time it is the crowning masterpiece to Beckh s Collected Works The translated and annotated text is accompanied by Rudolf Frieling s in depth application of Beckh s principles of the cosmic starry order to the Creed of The Christian Community and by a number of appreciations and relevant book reviews Through ever deepening meditation guided by Rudolf Steiner and his vast knowledge of Tibetan Sanskrit Pali and Avestan sacred texts scarcely to be equalled in Europe at the time Beckh came to the first hand realization that human and cosmic life was ordered He perceived directly that this cosmic order was good as originating from the World Will true as from World Thinking and beautiful as from World Feeling All three could be personally experienced in disciplined consciousness that could enter dream sleep and pre natal life This then was Beckh s method and inspiration as shown in this extraordinary work The time will come when Beckh s Christened star knowledge which signifies a basic overturning of today s decadent astrology will be appreciated for its significance August Pauli

exoteric Western traditions of the Word the creative power in the sounds of the divine human alphabet giving it concrete form and expression in the performing arts education and therapy In addition to the fifteen lectures in the course this special edition features supporting lectures and reports by Rudolf Steiner dozens of photographs and line drawings as well as introductions commentary notes and supplementary essays compiled by editor Alan Stott including Eurythmy and the English Language by Annelies Davidson Although aimed primarily at the professional concerns of eurythmists who perform teach or work as therapists the lectures offer a wealth of suggestions and insights to those with artistic questions and concerns Only someone who creatively unfolds a sense for art from an inner calling an inner enthusiasm can work as an artist in eurythmy To manifest those possibilities of form and movement inherent in the human organisation the soul must inwardly be completely occupied with art This all embracing character of eurythmy was the foundation for all that was presented Rudolf Steiner For the poet for the thinker and for the movement artist who thinks with his her whole body the highest mental act is done with all their heart and with all their mind and with all their soul Alan Stott The Post-Darwinian Controversies James R. Moore, 1981-10-30 The Post Darwinian Controversies offers an original interpretation of Protestant responses to Darwin after 1870 viewing them in a transatlantic perspective and as a constitutive part of the history of post Darwinian evolutionary thought The impact of evolutionary theory on the religious consciousness of the nineteenth century has commonly been seen in terms of a conflict or warfare between science and theology Dr Moore s account begins by discussing the polemical origins and baneful effects of the military metaphor and this leads to a revised view of the controversies based on an analysis of the underlying intellectual struggle to come to terms with Darwin The middle section of the book distinguishes the Darwinism of Darwin himself amid the main currents of post Darwinian evolutionary thought and is followed by chapters which examine the responses to Darwin of twenty eight Christian controversialists tracing the philosophical and theological lineage of their views The paradox that emerges that Darwin s theory was accepted in substance only by those whose theology was distinctly orthodox theology and of other evolutionary theories with liberal and romantic theological speculation *Cumulative Book Index* ,1959 Homiletic Review ,1915 **The Alexander Matheson Family of Canada and the United States** Leslie R. Matheson, 1974 Hugh Matheson was born in Lairg Switzerland Scotland about 1670 **Jesus and Christ** Friedrich Rittelmeyer, 2025-05-26 To see Christ in Jesus and Jesus in Christ is an incomparable joy Each single saying and each single word finds its place in the heights on the way from Jesus to Christ on the way from Christ to Jesus Friedrich Rittelmeyer How can we meet the real Jesus today Friedrich Rittelmeyer 1872 1938 a well known Protestant preacher of his day who helped found The Christian Community presents us with the modern seeker s path A thoroughly revised translation of his Jesus 1912 traces the story of mankind s longing On the way Nietzsche s trenchant critique of Christianity is answered as intellectual honesty demands with a concrete account of spiritual experience During challenging times Rittelmeyer took up Rudolf Steiner s advice to complete his inner journey by

working with John's Gospel Twenty four years later his testament appeared Christ 1936 now featured here in English for the first time The author follows Johannine tradition with Paul claiming I shall know even as I am known 1 Cor 13 12 and which Rudolf Steiner calls the spiritual faculty of moral Imagination Rittelmeyer's intellectual achievement ends in action his path of exact perception leads to experience of the living Christ The path of Christ is always the path through death to resurrection Here is spiritual reading as penetrating as any that can be found elsewhere Jesus and Christ at last complete in one volume concludes by contrasting Nietzsche and Novalis along with an insight of Wagner's regarding the only far reaching solution for the 21st century Chinese Recorder and Missionary Journal ,1918 *General Catalogue of Printed Books* British Museum.
