Nigella Lawson

The Blue Formica Table:

The Blue Horse Philip Miller, 2015-03-09 Recently bereaved George Newhouse is an art historian and newly appointed curator at the National Gallery who becomes increasingly obsessed with a lost minor Dutch masterpiece *The Blue Horse* by Van Doelenstraat. The painting's provenance is disputed and many doubt its existence at all. But Newhouse has uncovered a letter by Rembrandt where the master states that damned painting vexes my mind's eye. As Newhouse struggles with his grief, his grip of reality slowly loosening, he embarks on a surreal journey of loss and self-discovery fuelled by alcohol, drugs, and self-destructive behaviour. As the lines between reality and imagination blur, will George lose himself in his obsession or return from the brink of destruction in time. Highly atmospheric and exploiting many of the tropes of art appreciation, this is a compelling literary noir and remarkable debut by one of Scotland's leading art correspondents. There were times in Philip Miller's *The Blue Horse* when I had to look away from the twilight art world; his lyrical prose so effectively eviscerates. There is a tremendous sense of darkness here. And yet his strength as a storyteller, his ability to create multiple narratives of greed and grief of blurred desire, pulled me back. There is an intoxication about this writing, a narcotic lure to its descriptions of ambition and decline, but it never strays far from the simple art of a good story well told. Toni Davidson, author of *Scar Culture* and *My Gun Was As Tall As Me*. I was disturbed, interesting, and convincing. Alasdair Gray. *At My Table* Nigella

Is there anyone who writes a more appealing recipe note than Nigella Lawson? *The Hamilton Spectator*. *Into the Blue* Susan Edsall, 2005-06-01 The *Chicago Sun Times* praises *Into the Blue* as Susan Edsall's fascinating chronicle of the fight to get her father back into his beloved *Big Sky*, an engagingly readable testament to an everyday courage. Salted with hilarious memories of Edsall's family life, peppered with touching reminiscences of flight with her father, Edsall mixes the positive with the painful until it's not only palatable but also poignant. Three years ago, Susan Edsall's father, a rebuilder and pilot of antique airplanes, suffered a devastating stroke that left him unable to read, write, speak, tell time, understand the alphabet, or fly. The doctors told Susan

the best her family could hope for was that he would learn to play checkers Susan knew if her dad couldn't fly he'd just as soon not breathe so she chose another path Battling the pessimistic conclusion of the experts and her own looming fears she and her sister Sharon aka the Blister Sisters decided to take matters into their own hands With no medical training but double doses of determination they bushwhacked their own rehab program and got their father back behind the controls of his beloved open cockpit biplane and into the air Susan Edsall's *Into the Blue* is a powerful family memoir about two feisty sisters from Montana who bring their father back to life and discover themselves in the process Inspiring gritty and often hilarious it's also the story of anyone who has ever fought back from a dire prognosis to pursue a cherished dream

Railway Age, 1948 *The Blue Formica Table* Robert Welch, 1999 The inter-related poems in this collection are conversations between the poet and his father The book outlines a difficult relationship and the poems become a gesture toward someone unknown yet terribly familiar echoing perhaps everyman's relationship with his father The rigor of the father's approach in language accurate strenuous and bold is released The exchanges are sharp and the relationship is dramatically developed The table forms a focus and an image and the city of Cork is made vibrantly real throughout the poem
