The Blue Man:

The Little Blue Man Corbin Campbell, 2011-04-01 The Little Blue man is a fictional tale of adventure and color for children This is the fully illustrated Standard Edition which does not include the bonus educational material of the Extras Edition

The Hidden Spirituality of Men Matthew Fox, 2010-09-24 It is no secret that men are in trouble today From war to ecological collapse most of the world's critical problems stem from a distorted masculinity out of control Yet our culture rewards the very dysfunctions responsible for those problems To Matthew Fox our crucial task is to open our minds to a deeper understanding of the healthy masculine than we receive from our media culture and religions Popular religion forces the punitive imagery of fundamentalism on us pushing most men away from their natural yearning for spirituality and toward intolerance and domination Meanwhile many men particularly young men are looking for images of healthy masculinity to emulate and finding nothing To awaken what Fox calls the sacred masculine he unearths ten metaphors or archetypes ranging from the Green Man an ancient pagan symbol of our fundamental relationship with nature to the Grandfatherly Heart to the Spiritual Warrior He explores archetypes of sacred marriage showing how partnership becomes the ultimate expression of healthy masculinity By stirring our natural yearning for healthy spirituality Fox argues these timeless archetypes can inspire men to pursue their higher calling to reinvent the world Coyote's Council Fire Loren

Cruden, 1995-10-01 Shamanism is a spiritual path that emphasizes close connections with the immediate environment As environments change so too must shamanism change but how can one distinguish between healthy innovation and corruptions of tradition Coyote's Council Fire focuses on these and other controversial issues that have ignited the shamanic community Drawing on her decades of involvement in that community Loren Cruden brings calm wisdom and common sense to these subjects Along with her perspective are the words of contributors such as Brooke Medicine Eagle Grey Wolf Jamie Sams and Ed Eagle Man McGaa reflecting the diversity of opinion within the Native American community while the contributions of Nina Wolf Axis and Sandra Ingerman suggest the variety of ways in which non Natives have incorporated shamanism into their lives Throughout the book are meditations and exercises that help the reader explore his or her own attitudes and assumptions toward matters of race gender and community For anyone interested in shamanism Native American affairs or the role of spirituality in a changing society Coyote's Council Fire offers a provocative opportunity to examine one's own beliefs and compare them with those of leading members of the shamanic community **Bizarre**
