The Middle East In Soviet Policy:

The Middle East in Soviet Policy Ronald De McLaurin, 1975 **Moscow and the Middle East** Robert Owen Freedman, 1991-01-25 Professor Freedman provides an exhaustive account of Soviet policy in the Middle East from the invasion of Afghanistan in December 1979 to withdrawal from the country ten years later U.S. & Soviet Policy in the Middle East, 1957-66 John Donovan, 1974 Soviet Strategy in the Middle East George W. Breslauer, 2015-07-16 Few regions of the world are as politically turbulent as the Middle East and nowhere is the potential for superpower conflict greater How does the Soviet Union view the Middle East conflict Can the USSR play a constructive role in the peace process In this volume first published in 1990 these questions and others central to an understanding of Soviet strategy in the region are addressed Previous analysts of Soviet Middle Eastern relations have tended to emphasize either the cooperative or the competitive aspects of Soviet behaviour Breslauer instead offers the multidimensional concept of collaborative competition to describe the mixed motives ambivalence and sometimes conflicting perspectives that have informed Soviet strategy in the region In such an unstable environment this strategy of collaborative competition has in turn encouraged approach avoidance behaviour for example while the Soviets may seek to moderate their radical allies they remain fearful that these allies once moderated might defect to US patronage Under Gorbachev the Kremlin continues to pursue this same strategy but with increased attention to improving collaboration redefining the nature of the competition and easing the approach avoidance dilemma Breslauer argues that these changes could lead to more flexible Soviet behaviour in the region This volume combines new in depth research on Soviet policy with new interpretations including insights drawn from relevant theories of international relations **The Soviet Union and the Middle East** Walter Z. Laqueur (Dec'd), 2021-08-07 First Published in 1959 The Soviet Union and the Middle East attempts to shed light on the evolution of Soviet attitudes toward the Middle East its problems challenges and opportunities since 1917 Divided into two parts the first part The Soviet Image of the Middle East presents an investigation into the sources of Soviet policy in that area while the second part The Great Breakthrough explores the political social and economic conditions in the Middle East The volume discusses themes like storm over Asia the arms deal the year of Suez the Syrian Crisis of 1957 Soviet trade and economic aid 1954 1958 Soviet cultural policy and the intellectual climate in the Arab world communism in the Middle East 1955 1958 and communism and Arab nationalism to ask larger questions like did the Soviet Communists expect the revolutionary events in Asia Were they instrumental in bringing them about or did they occur quite independently This book will be of interest to scholars and researchers of political history international relations West Asian Studies Russian Studies and history of communism Soviet Policy in the Middle East Włodzimierz Bączkowski, 1958 **The Limits to Power** Yaacov Ro'i, 2022-12-28 The Limits to Power 1979 analyses the spectrum of Soviet interests and policies in the Middle East following the Yom Kippur War of October 1973 how the Soviets handled the oil question military and economic aid policy toward Egypt Syria Iraq the

Palestinian organisations and toward Israel itself The Soviet position in the Middle East in 1970 was as the dominant foreign power in the region and this book examines the events and actions that resulted under a decade later in such a sharp reversal in Soviet fortunes The ebb and flow of Soviet diplomacy as it emerges from the wealth of official statements and press material is examined in detail *The Dynamics Of Soviet Policy In The Middle East* Mark A Heller, 2019-07-09 This study examines the extent to which new political thinking has been applied to Soviet policy in the Middle East and aims to speculate about the possible impact of any changes on patterns of international relations in the region *Russia and the Middle East* Talal Nizameddin, 1999 The end of the Soviet Union precipitated a reassessment of Russia's foreign policy in many parts of the world particularly the Middle East This text looks at how a once cherished commitment to ideological goals and superpower rivalry with the United States was replaced after 1991 with a pragmatic foreign policy based on national interest epitomized by the appointment of Yevgeni Primakov as foreign minister The book examines Gorbachev's new thinking the foreign policy debates under President Yeltsin and the warning of Russian influence over the Palestinians and its consequent exclusion from the secret Oslo records Case studies of Russia's relations with Israel Syria Lebanon Jordan Saudi Arabia Iraq Turkey and Iran provide the reader with a detailed analysis of the region's wider diplomatic and strategic concerns **Soviet Russia and the Middle East** Aaron S.
