The Big Foundations:

The Big Foundations Waldemar A. Nielsen,1972 **Great Foundations** Catherine J. Brown,2010-10-01 Great Foundations is a practical guide for people working in not for profit organisations especially aspiring Board members and CEOs and people for whom this is new territory It is for people who want to make the most effective contribution they can to their chosen not for profit organisation The title explores the importance of giving attention to all parts of a not for profit organisation and understanding why the back office should really be front of mind at least some of the time why a slick marketing message is not enough without solid program delivery why you need to know what is under the bonnet of your not for profit s engine from a legal perspective and why thoughtful planning and active networks are critical to your not for profit s survival After many years working as a Board member lawyer CEO and adviser within and to not for profit organisations Catherine Brown has written Great Foundations to share her knowledge about not for profit organisations It will also give you ideas about how your experience in other sectors can add real value to a not for profit Board or organisation Great Foundations will give you the information to ask the right questions when they need to be asked *American Philanthropic Foundations* David C. Hammack,Steven Rathgeb Smith,2018-04-16 Once largely confined to the biggest cities in the mid Atlantic and Great Lakes states philanthropic foundations now play a significant role in nearly every state Wide ranging and incisive the essays in *American Philanthropic Foundations Regional Difference and Change* examine the origins development and accomplishments of philanthropic foundations in key cities and regions of the United States Each contributor assesses foundation efforts to address social and economic inequalities and to encourage cultural and creative life in their home regions and elsewhere This fascinating and timely study of contemporary America s philanthropic foundations vividly illustrates foundations commonalities and differences as they strive to address pressing public problems **The Future of Foundations** ,1978-01-01 *The Future of Philanthropic Foundations* G. E. W. Wolstenholme,Maeve O'Connor,2009-09-16 The Novartis Foundation Series is a popular collection of the proceedings from Novartis Foundation Symposia in which groups of leading scientists from a range of topics across biology chemistry and medicine assembled to present papers and discuss results The Novartis Foundation originally known as the Ciba Foundation is well known to scientists and clinicians around the world *American Philanthropic Foundations* David C. Hammack,Steven Rathgeb Smith,2018-04-16 Once largely confined to the biggest cities in the mid Atlantic and Great Lakes states philanthropic foundations now play a significant role in nearly every state Wide ranging and incisive the essays in *American Philanthropic Foundations Regional Difference and Change* examine the origins development and accomplishments of philanthropic foundations in key cities and regions of the United States Each contributor assesses foundation efforts to address social and economic inequalities and to encourage cultural and creative life in their home regions and elsewhere This fascinating and timely study of contemporary America s philanthropic foundations vividly illustrates foundations commonalities and differences as they strive to address

pressing public problems Foundations of the American Century Inderjeet Parmar, 2012-04-03 Inderjeet Parmar reveals the complex interrelations shared mindsets and collaborative efforts of influential public and private organizations in the building of American hegemony Focusing on the involvement of the Ford Rockefeller and Carnegie foundations in U S foreign affairs Parmar traces the transformation of America from an isolationist nation into the world's only superpower all in the name of benevolent stewardship Parmar begins in the 1920s with the establishment of these foundations and their system of top down elitist scientific giving which focused more on managing social political and economic change than on solving modern society's structural problems Consulting rare documents and other archival materials he recounts how the American intellectuals academics and policy makers affiliated with these organizations institutionalized such elitism which then bled into the machinery of U S foreign policy and became regarded as the essence of modernity America hoped to replace Britain in the role of global hegemon and created the necessary political ideological military and institutional capacity to do so yet far from being objective the Ford Rockefeller and Carnegie foundations often advanced U S interests at the expense of other nations Incorporating case studies of American philanthropy in Nigeria Chile and Indonesia Parmar boldly exposes the knowledge networks underwriting American dominance in the twentieth century **Private Foundations** United States. Congress. Senate. Committee on Finance. Subcommittee on Foundations, 1973 The Foundations of Texan Philanthropy Mary L. Kelley, Mary L. Scheer, 2004 The Lone Star State has produced not only revolutionary heroes and cowboy legends but also larger than life promoters of philanthropic activity The Foundations of Texan Philanthropy the first systematic study of the origins of foundation philanthropy in early twentieth century Texas chronicles the fortunes motivations and benefactions of affluent Texans who pioneered organized giving for the public good In the three decades following the creation of the George W Brackenridge Foundation in 1920 donors established approximately 180 private philanthropic institutions These charitable minded organizations funded medical research established educational scholarships and supported community projects In addition to the Brackenridge Foundation this book features George B Dealey and the Dallas Foundation Jesse Jones and the Houston Endowment Miss Ima and the Hogg Foundation for Mental Health the Amon G Carter Foundation and the Conference of Southwest Foundations which united the many foundations in the region The Foundations of Texan Philanthropy balances personal and family stories with the missions and financial operations of the foundations they established The result is a detailed look at some of the leaders of Texas history and the ways in which their largesse has continued to influence the history of the Lone Star State **Private Foundations, Hearings Before the Subcommittee on Foundations ... 93-1, ...
