The Big On Small Groups:

Go BIG with Small Groups Bill Easum, John Atkinson, 2010-09-01 Most churches that begin small groups find that within a couple of years two things happen the number of small groups has dwindled in size and few if any of them have birthed other small groups So the only way most churches keep small groups going is by reinventing them over and over usually with the same people The authors of this book know God has much more in store for these churches Bill Easum and John Atkinson have both led congregations in which small group ministry proved crucial to the church's growth Both know the pitfalls that endanger all attempts to center a congregation's life around small groups More importantly they understand how to make small groups growing self-reproducing centers of Christian discipleship **The Big Book on Small Groups** Jeffrey

Arnold, 2010-01-04 In this revised edition of his small group guidebook Jeffrey Arnold discusses the basic components and dynamics of small groups and offers training and resources to help you get started in effective small group ministry *Small Groups, Big Impact* Jim Egli, Dwight Marable, 2014-03-12 Why do some small groups thrive and grow while others struggle and falter The authors have surveyed over 3000 group leaders in more than 200 churches Their findings will place practical applicable principles into the hands of small group leaders and pastors This book also includes access to additional resources from the author's website Leading Small Groups That Thrive Ryan T. Hartwig, Courtney W. Davis, Jason A.

Sniff, 2020-08-11 Nearly every church is trying to help their congregants build relationships with others grow as disciples and or engage in meaningful service through small groups Many have argued that these small groups are the preferred vehicle for relationship building disciple making and membership assimilation in the local church especially in large multisite churches Leading Small Groups That Thrive shows small group leaders step by step how to plan for launch build sustain and multiply highly effective transformational healthy small group experiences where people grow spiritually together Based on a large scale research study of small group pastors leaders and members Leading Small Groups That Thrive gives church leaders both what they want practical straightforward actual small group member voices and experiences and compelling guidance on how to build transformational groups complemented with real life examples and data of successful small groups and what they need substantial challenging insights and a data driven model grounded in the latest research on church small groups

10 Great Ideas from Church History Mark R. Shaw, 1997-02-27 Mark Shaw offers ideas from the most significant Christian leaders of the last five hundred years including Martin Luther John Calvin Jonathan Edwards William Carey John Wesley Richard Baxter and Dietrich Bonhoeffer *The Collected Works of Witness Lee, 1985, volume 4* Witness Lee, The Collected Works of Witness Lee 1985 volume 4 contains messages and fellowship given by Brother Witness Lee on October 4 through December 8 1985 At the beginning of October Brother Lee traveled to Taipei Taiwan and ministered there until the first week of December During this period he visited Singapore and Manila Philippines for about one week The contents of this volume are divided into six sections as follows 1 Ten messages given in Taipei Taiwan on October 4 through November 6

These messages were previously published in Chinese in a book entitled *The Supply of the Word and the Increase of the Church* They were translated into English and are included in this volume under the same title 2 Five messages given in Taipei Taiwan on October 7 through 11 These messages were previously published in Chinese and English in a book entitled *The Full Knowledge of the Word of God* They are included in this volume under the same title 3 Five messages given in Taipei Taiwan on October 7 through 11 These messages were previously published in Chinese and English in a book entitled *Everyone Speaking the Word of God* They are included in this volume under the same title 4 Five messages given in Taipei Taiwan on October 7 through 11 These messages were previously published in Chinese and English in a book entitled *Meeting to Speak the Word of God* They are included in this volume under the same title 5 Eight messages given in Taipei Taiwan on November 1 through December 9 These messages were previously published in Chinese in a book entitled *Practicing the God ordained Way with One Accord* They were translated into English and are included in this volume under the same title 6 Seven messages given in Taipei Taiwan on October 17 through November 28 These messages were previously published in Chinese and English in a book entitled *Key Points on the Home Meetings* They are included in this volume under the same title

The Big Idea Dave Ferguson, Jon Ferguson, Eric Bramlett, 2009-05-26 Community Christian Church embraced the Big Idea and everything changed They decided to avoid the common mistake of bombarding people with so many little ideas that they suffered overload They also recognized that leaders often don't insist that the truth be lived out to accomplish Jesus mission Why Because people's heads are swimming with too many little ideas far more than they can ever apply The Big Idea can help you creatively present one laser focused theme each week to be discussed in families and small groups The Big Idea shows how to engage in a process of creative collaboration that brings people together and maximizes missional impact The Big Idea can energize a church staff and bring alignment and focus to many diverse church ministries This book shows how the Big Idea has helped Community Christian Church better accomplish the Jesus mission and reach thousands of people in nine locations and launch a church planting network with partner churches across the country This book is part of the Leadership Network Innovation Series

Making the Most of Small Groups Debbie Diller, 2023-10-10 Author Debbie Diller turns her attention to small reading groups and the teacher's role in small group instruction *Making the Most of Small Groups* Differentiation for All grapples with difficult questions regarding small group instruction in elementary classrooms such as How do I find the time How can I be more organized How do I form groups How can I differentiate to meet the needs of all of my students Structured around the five essential reading elements comprehension fluency phonemic awareness phonics and vocabulary the book provides practical tips sample lessons lesson plans and templates suggestions for related literacy work stations and connections to whole group instruction In addition to ideas to use immediately in the classroom Diller provides an overview of relevant research and reflection questions for professional conversations

Seven Myths about Small Groups Dan Williams, 2000

Sharing the Journey Robert

Wuthnow,1996-07-01 A look at how support groups have affected American society argues that although support groups provide a warmth and security that holds society together they can lead to an unhealthy self absorption and a trivialized sense of what is sacred
