River Leslie Day, 2025-11-15 Leslie Day's life changed forever when in 1975 she moved to a tiny houseboat on the Hudson River at the 79th Street Boat Basin a new home umbilically tied to Manhattan's Upper West Side In her heartfelt memoir *River* Day reveals how she fell in love with and married her neighbor a biology professor at Brooklyn College became a naturalist educator and author and raised her son on the boat As Day invites readers into the intimate and connective stories of the singular floating community on the river the histories and the people of the Hudson flow along with the tides and currents of Day's life There are stories of those who polluted the river and of those who fought for it to be clean and safe stories of how Day became a student and teacher of the river and of the plants and animals she grew to know and love Challenges and celebrations have their own place too storms sinkings fires and ice fields as well as weddings birthdays holidays and found families A unique look at life on and of the Hudson River is a love letter to New York City its famous waterway and the environment around us and the people who shape it

Lincoln on the Verge Ted Widmer, 2020-04-07 **WINNER OF THE LINCOLN FORUM BOOK PRIZE** A Lincoln classic superb The Washington Post A book for our time Doris Kearns Goodwin *Lincoln on the Verge* tells the dramatic story of America's greatest president discovering his own strength to save the Republic As a divided nation plunges into the deepest crisis in its history Abraham Lincoln boards a train for Washington and his inauguration an inauguration Southerners have vowed to prevent *Lincoln on the Verge* charts these pivotal thirteen days of travel as Lincoln discovers his power speaks directly to the public and sees his country up close Drawing on new research this riveting account reveals the president elect as a work in progress showing him on the verge of greatness as he foils an assassination attempt forges an unbreakable bond with the American people and overcomes formidable obstacles in order to take his oath of office

The World of Antebellum America Alexandra Kindell, 2018-09-20 This set provides insight into the lives of ordinary Americans free and enslaved in farms and cities in the North and the South who lived during the years of 1815 to 1860 Throughout the Antebellum Era resonated the theme of change migration urban growth the economy and the growing divide between North and South all led to great changes to which Americans had to respond By gathering the important aspects of antebellum Americans lives into an encyclopedia *The World of Antebellum America* provides readers with the opportunity to understand how people across America lived and worked what politics meant to them and how they shaped or were shaped by economics Entries on simple topics such as bread and biscuits explore workers need for calories the role of agriculture and gendered divisions of labor while entries on more complex topics such as aging and death disclose Americans feelings about life itself Collectively the entries pull the reader into the lives of ordinary Americans while section introductions tie together the entries and provide an overarching narrative that

primes readers to understand key concepts about antebellum America before delving into Americans lives in detail

Extreme Cities Ashley Dawson,2017-10-17 A cutting exploration of how cities drive climate change while being on the frontlines of the coming climate crisis How will climate change affect our lives Where will its impacts be most deeply felt Are we doing enough to protect ourselves from the coming chaos In Extreme Cities Ashley Dawson argues that cities are ground zero for climate change contributing the lion s share of carbon to the atmosphere while also lying on the frontlines of rising sea levels Today the majority of the world s megacities are located in coastal zones yet few of them are adequately prepared for the floods that will increasingly menace their shores Instead most continue to develop luxury waterfront condos for the elite and industrial facilities for corporations These not only intensify carbon emissions but also place coastal residents at greater risk when water levels rise In Extreme Cities Dawson offers an alarming portrait of the future of our cities describing the efforts of Staten Island New York and Shishmareff Alaska residents to relocate Holland s models for defending against the seas and the development of New York City before and after Hurricane Sandy Our best hope lies not with fortified sea walls he argues Rather it lies with urban movements already fighting to remake our cities in a more just and equitable way As much a harrowing study as a call to arms Extreme Cities is a necessary read for anyone concerned with the threat of global warming and of the cities of the world **Artifacts from Nineteenth-Century America** Elizabeth B.

Greene,2022-11-07 This book presents both nationally significant objects and ordinary items from everyday life to provide insight into 19th century American society showing readers how the production design function and use of these objects can inform our understanding of the period Artifacts from 19th Century America examines a broad array of objects representing various aspects of 19th century American society The objects have been chosen to illuminate daily life in a number of categories including cooking entertainment grooming clothing and accessories health household items religious life work and education The book s 53 entries include a brief introduction to the background of the object when and why it was made and who used it followed by a detailed description of the object itself Finally each entry provides a deep dive into the object s significance and how the object reveals clues about the social political economic and intellectual life of the society in which it was produced and utilized Students and general readers alike will not only learn about the time period but also learn to use the skills of material culture theory and method including how to draw meaningful conclusions from each object about their historical context and significance **New York City ,** Sentinel Francesca Lidia Viano,2018-10-22 The story of the

improbable campaign that created America s most enduring monument The Statue of Liberty is an icon of freedom a monument to America s multiethnic democracy and a memorial to Franco American friendship That much we know But the lofty ideals we associate with the statue today can obscure its turbulent origins and layers of meaning Francesca Lidia Viano reveals that history in the fullest account yet of the people and ideas that brought the lady of the harbor to life Our protagonists are the French sculptor Fr d ric Auguste Bartholdi and his collaborator the politician and intellectual douard de

Laboulaye Viano draws on an unprecedented range of sources to follow the pair as they chase their artistic and political ambitions across a global stage dominated by imperial rivalry and ideological ferment The tale stretches from the cobblestones of northeastern France through the hallways of international exhibitions in London and Paris to the copper mines of Norway and Chile the battlegrounds of the Franco Prussian War the deserts of Egypt and the streets of New York It features profound technical challenges hot air balloon rides secret magnetic sciences and grand visions of a Franco American partnership in the coming world order The irrepressible collaborators bring to their project the high ideals of liberalism and republicanism but also crude calculations of national advantage and eccentric notions adopted from orientalism freemasonry and Saint Simonianism As entertaining as it is illuminating Sentinel gives new flesh and spirit to a landmark we all recognize but only dimly understand

Design for the Crowd Joanna Merwood-Salisbury, 2019-10-03 Situated on Broadway between Fourteenth and Seventeenth Streets Union Square occupies a central place in both the geography and the history of New York City Though this compact space was originally designed in 1830 to beautify a residential neighborhood and boost property values by the early days of the Civil War New Yorkers had transformed Union Square into a gathering place for political debate and protest As public use of the square changed so too did its design When Frederick Law Olmsted and Calvert Vaux redesigned the park in the late nineteenth century they sought to enhance its potential as a space for the orderly expression of public sentiment A few decades later anarchists and Communist activists including Emma Goldman turned Union Square into a regular gathering place where they would advocate for radical change In response a series of city administrations and business groups sought to quash this unruly form of dissidence by remaking the square into a new kind of patriotic space As Joanna Merwood Salisbury shows us in Design for the Crowd the history of Union Square illustrates ongoing debates over the proper organization of urban space and competing images of the public that uses it In this sweeping history of an iconic urban square Merwood Salisbury gives us a review of American political activism philosophies of urban design and the many ways in which a seemingly stable landmark can change through public engagement and design Published with the support of Furthermore a program of the J M Kaplan Fund

The Gridlock Economy Michael Heller, 2010-02-23 25 new runways would eliminate most air travel delays in America Why can't we build them 50 patent owners are blocking a major drug maker from creating a cancer cure Why won't they get out of the way 90% of our broadcast spectrum sits idle while American cell phone service lags far behind Japan's and Korea's Why are we wasting our airwaves 98% of African American owned farms have been sold off over the last century Why can't we stop the loss All these problems are really the same problem one whose solution would jump start innovation release trillions in productivity and help revive our slumping economy Every so often an idea comes along that transforms our understanding of how the world works Michael Heller has discovered a market dynamic that no one knew existed Usually private ownership creates wealth but too much ownership has the opposite effect it creates gridlock When too many people own pieces of one thing whether a

physical or intellectual resource cooperation breaks down wealth disappears and everybody loses Heller's paradox is at the center of The Gridlock Economy Today's leading edge of innovation in high tech biomedicine music film real estate requires the assembly of separately owned resources But gridlock is blocking economic growth all along the wealth creation frontier A thousand scholars have applied and verified Heller's paradox Now he takes readers on a lively tour of gridlock battlegrounds Heller zips from medieval robber barons to modern day broadcast spectrum squatters from Mississippi courts selling African American family farms to troubling New York City land confiscations and from Chesapeake Bay oyster pirates to today's gene patent and music mash up outlaws Each tale offers insights into how to spot gridlock in operation and how we can overcome it The Gridlock Economy is a startling accessible biography of an idea Nothing is inevitable about gridlock It results from choices we make about how to control the resources we value most We can unlock the grid this book shows us where to start

Buried Beneath the City Nan A. Rothschild, Amanda Sutphin, H. Arthur Bankoff, Jessica Striebel MacLean, 2022-09-06 Winner 2023 SAA Book Award Popular Society for American Archaeology Honorable Mention 2024 Felicia A Holton Book Award Archaeological Institute of America Bits and pieces of the lives led long before the age of skyscrapers are scattered throughout New York City found in backyards construction sites street beds and parks Indigenous tools used thousands of years ago wine jugs from a seventeenth century tavern a teapot from Seneca Village the nineteenth century Black settlement displaced by Central Park raspberry seeds sown in backyard Brooklyn gardens these everyday objects are windows into the city's forgotten history Buried Beneath the City uses urban archaeology to retell the history of New York from the deeper layers of the past to the topsoil of recent events The book explores the ever evolving city and the day to day world of its residents through artifacts from the first traces of Indigenous societies more than ten thousand years ago to the detritus of Dutch and English colonization and through to the burgeoning city's transformation into the modern metropolis It demonstrates how the archaeological record often goes beyond written history by preserving mundane things details of everyday life that are beneath the notice of the documentary record These artifacts reveal the density diversity and creativity of a city perpetually tearing up its foundations to rebuild itself Lavishly illustrated with images of objects excavated in the city Buried Beneath the City is at once an archaeological history of New York City and an introduction to urban archaeology

Fluid New York May Joseph, 2013-07-02 Fluid New York offers reflections on how New York began to incorporate the city's archipelago ecology into plans for a livable and sustainable future in the decade between September 11 and Hurricane Sandy How the Other Half Ate Katherine Leonard Turner, 2014-01-10 In the late nineteenth and early twentieth centuries working class Americans had eating habits that were distinctly shaped by jobs families neighborhoods and the tools utilities and size of their kitchens along with their cultural heritage How the Other Half Ate is a deep exploration by historian and lecturer Katherine Turner that delivers an unprecedented and thoroughly researched study of the changing food landscape in American working class families from industrialization through the 1950s Relevant to readers across a range of disciplines

history economics sociology urban studies women s studies and food studies this work fills an important gap in historical literature by illustrating how families experienced food and cooking during the so called age of abundance Turner delivers an engaging portrait that shows how America s working class in a multitude of ways has shaped the foods we eat today

The Big Oyster New York On The Half Shell Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Big Oyster New York On The Half Shell has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Big Oyster New York On The Half Shell has opened up a world of possibilities. Downloading The Big Oyster New York On The Half Shell provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Big Oyster New York On The Half Shell has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Big Oyster New York On The Half Shell. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Big Oyster New York On The Half Shell. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Big Oyster New York On The Half

Shell, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Big Oyster New York On The Half Shell has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Big Oyster New York On The Half Shell Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
