John Benton

The Big Picture For Small Churches And Large Ones Too:

The Big Picture for Small Churches -- and Large Ones Too! John Benton, 2005 We live in a society that worships at the shrine of size In the world s eyes if something is not big it does not deserve attention With such a cultural bias it is not easy to be upbeat about a church with just a few in the congregation John Benton has written this sensitive and practical work out of a heartfelt concern for the many small groups of God s people who meet regularly and faithfully as a church but who may sometimes feel weak or isolated Highlighting the fact that it is the health of a church not its size that is important he encourages small congregations and large ones too and shows how the few and seemingly powerless have been used by God throughout the history of the church These little churches might just be the seeds from which God may yet give a mighty harvest for his glory The Big Picture for Small Churches John Benton, 2020-08-31 First published in 2005 this book continues to be relevant godly advice from an experienced pastor and author It has been out of print for some time and is now reissued with a new preface and a completely revised layout and cover John Benton has written a sensitive and practical book out of a heartfelt concern for the many small groups of God s people who meet regularly and faithfully but who may sometimes feel weak or isolated Little churches can be the seeds from which God may yet give a might harvest for his glory

Small Church, Excellent Ministry Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches **The Building News and Engineering Journal** , 1891 Engaging Generation Z Tim McKnight, 2021-01-26 A holistic approach to reaching Generation Z in your local church To disciple the youth in our student ministries today we have to understand the unique characteristics of Generation Z and apply lessons learned from recent decades of youth ministry In this thoroughly revised second edition of Raising the Bar Student Ministry for a New Generation pastor and professor Timothy McKnight brings a wealth of new insights resources and guidance for reaching today s adolescents Following an overview of the beliefs attitudes and practices of Generation Z McKnight provides youth pastors and volunteers with a complete plan for discipling adolescents through the local church This includes practical advice on topics such as Engaging parents in youth ministry Holistically guiding students in their beliefs behavior and affections Equipping adult leaders who can serve as role models Working with pastors staff and church leaders Helping parents develop rites of passage for their children as they move into adulthood Raising expectations for adolescents to encourage them to grow toward maturity Based on years of personal experience and practice Engaging Generation Z provides everything youth ministers need to equip grow and encourage

today's generation of young people to follow Christ and to take their student ministry to the next level *Shrink* Tim Suttle, 2014-09-02 Among followers of Jesus great is often the enemy of good The drive to be great to be a success by the standards of the world often crowds out the qualities of goodness virtue and faithfulness that should define the central focus of Christian leadership In the culture of today's church successful leadership is often judged by what works while persistent faithfulness takes a back seat If a ministry doesn't produce results it is dropped If people don't respond we move on This pursuit of greatness exerts a crushing pressure on the local church and creates a consuming anxiety in its leaders In their pursuit of this warped vision of greatness church leaders end up embracing a leadership narrative that runs counter to the sacrificial call of the gospel story When church leaders focus on faithfulness to God and the gospel however it's always a kingdom win regardless of the visible results of their ministry John the Baptist modeled this kind of leadership As John's disciples crossed the Jordan River to follow after Jesus John freely released them to a greater calling than following him Speaking of Jesus John said He must increase but I must decrease Joyfully satisfied to have been faithful to his calling John knew that the size and scope of his ministry would be determined by the will of the Father not his own will Following the example of John the Baptist and with a careful look at the teaching of Scripture Tim Suttle dares church leaders to risk failure by chasing the vision God has given them no matter how small it might seem instead of pursuing the broad path of pragmatism that leads to fame and numerical success

Developing Christian Education in the Smaller Church

Carolyn C. Brown, 1982 Small churches have many things going for them a family atmosphere lively services and more But there are problems one is starting a viable Christian education program With relatively few resources at hand the would be church school organizer faces a formidable task At last here's a book that shows how to overcome the odds Borrowing from her wide experience with smaller churches Carolyn C Brown presents a multitude of original ideas Like other titles in the popular Griggs series this workbook is meant to be used as the need arises There is something here for all ministers and leaders of small churches

Preaching in the Small Membership Church Lewis A. Parks, 2010-09-01 Step into the pulpit in a small membership church and you'll sometimes find your fair share of challenges but you'll almost always find more than your share of blessings as well Those blessings and the chance for authentic life transforming preaching are what preaching in the small membership church are all about Lewis Parks knows those blessings well For nearly 40 years he has preached in small membership churches and taught others who serve in them In this book he lays out the distinct roles that preaching in the small membership church calls on us to fill and offers down to earth substantive guidance on how to be the best preacher you can be in these most numerous and most important outposts of Christ's church

The Purpose Driven Church Rick Warren, Richard Warren, 1995 This is a five point strategy for attracting and spiritually maturing the unchurched from the pastor of Saddleback Church

Social Democracy in the Making Gary Dorrien, 2019-04-23 An expansive and ambitious intellectual history of democratic socialism from one of the world's leading intellectual historians and social ethicists The

fallout from twenty years of neoliberal economic globalism has sparked a surge of interest in the old idea of democratic socialism a democracy in which the people control the economy and government no group dominates any other and every citizen is free equal and included With a focus on the intertwined legacies of Christian socialism and Social Democratic politics in Britain and Germany this book traces the story of democratic socialism from its birth in the nineteenth century through the mid 1960s Examining the tenets on which the movement was founded and how it adapted to different cultural religious and economic contexts from its beginnings through the social and political traumas of the twentieth century Gary Dorrien reminds us that Christian socialism paved the way for all liberation theologies that make the struggles of oppressed peoples the subject of redemption He argues for a decentralized economic democracy and anti imperial internationalism
