The Binding Vine Shashi Deshpande, 2002-08 There can be no vaulting over time thinks Urmila the narrator of Shashi Deshpande's profound and soul stirring novel We have to walk every step of the way however difficult or painful it is we can avoid nothing After the death of her baby Urmila finds her own path difficult to endure But through her grief she is drawn into the lives of two very different women one her long dead mother in law a thwarted writer the other a young woman who lies unconscious in a hospital bed And it is through these quiet unexpected connections that Urmila begins her journey toward healing The miracle of *The Binding Vine* and of Shashi Deshpande's deeply compassionate vision is that out of this web of loss and despair emerge strands of life and hope a binding vine of love concern and connection that spreads across chasms of time social class and even death In moving and exquisitely understated prose Deshpande renders visible the extraordinary endurance and grace concealed in women's everyday lives
