The Blaskets:

The Blaskets Muiris Mac Conghail, 1987 Great Blasket Island is a townland in the parish of Dunquin county Kerry *The Blasket Islandman* Gerald Hayes, 2018-05-04 Tom s Criomhthain 1856 1937 is one of the giants of Irish language literature His best known books *Allagar na hInise* and *An tOile nach* are acknowledged classics But he was a highly unlikely author He lived his entire life on the isolated and now abandoned Great Blasket in a house he built with his own hands using stones he found on the island Likewise he crafted a valuable literary heritage out of island life With indefatigable persistence he steadily built on his modest formal education learning to read and write in Irish during middle age while simultaneously expanding his knowledge of literature and history Scholarly visitors were impressed with Tom s s observations of his tiny community They encouraged him to commit his stories and memories to paper He wrote three first person accounts of his experiences bequeathing to us a captivating saga of a folk culture doomed by difficult circumstances His works are among the first examples of Ireland s transition from oral to written folk storytelling *The Blasket Islandman* tells for the first time the full story of Tom s s life with its many triumphs and travails This absorbing account also describes the forces that influenced his work and details his impressive legacy Tom s was determined that his community be remembered In the process he achieved a level of immortality for himself More than eighty years after his passing he remains the famed Blasket Islandman and to paraphrase the man himself the like of him will never be again The Last Blasket King Gerald Hayes, Eliza Kane, 2015-04-20 The last King of the Great Blasket Island was P draig Cath in known as Peats Mhic who served for quarter of a century until his death in 1929 The King helped the islanders navigate through life and through national as well as international events such as the 1916 Rising and the Great War This book tells how he came to be King of the Great Blasket Island and how his personality and integrity shaped the role This is the first account of the King s extraordinary life written in collaboration with his descendants in the USA and Ireland It tells the story of this unique man his many contributions to the island and his extended legacy Also available *From the Great Blasket to America* by Michael Carney and *The Loneliest Boy in the World* by Gear id Cheaist Cath in **Dark Day on the Blaskets** Mícheál Ó Dubhshláine, 2003 A compelling portrait of a young woman as well as an engrossing portrait of West Kerry at a turning point in its cultural history *Dark Day on the Blaskets* weaves an intricate tale out of the intersecting lives of Eileen Nicholls one of the finest scholars in the new national movement James Cousins a poet and playwright from Belfast and his wife Gretta who had been involved with the suffragette movement *Dubhshláine* follows the intensely mystical month in the Great Blasket leading up to the discovery of Eileen s body which was found off the coast of the island **Report on the Flora of the Blasket Islands, County Kerry** Richard Manliffe Barrington, 1881 Blasket Islands Joan Stagles, Ray Stagles, 2019-04-15 The Blasket Islands are famous for their writers lore and unique location off the south west tip of Ireland This book is perfect for anyone who wants to explore the Great Blasket Island learn its history and discover what has captivated visitors and residents in this

special place A beautifully illustrated and compelling history of the life traditions and customs of an isolated community that has now disappeared The book traces the fate of the Blasket people and the slow erosion of their culture to that sad day in 1952 when the families were evacuated from the Great Blasket Island **Decameron** Giovanni Boccaccio,2004 Boccaccio s Decameron recasts the storytelling heritage of the ancient and medieval worlds into perennial forms that inspired writers from Chaucer and Shakespeare down to our own day **Islands of the Mind** Richard Pine,2020-02-05 730 million people almost 10% of the world s population inhabit islands One quarter of the states represented at the United Nations are islands Islands constitute almost twenty percent of the total land area of Greece and exhibit more significant aspects of biodiversity than other global contexts They are both occasions of triumph and occurrences of catastrophe Islands are both open and enclosed communities points of arrival and departure Islands exert a fascination for the visitor and generate in the islander both positive and negative mindsets The romantic fallacies about self sufficiency and insularity of islands are constantly challenged This collection of essays by scholars from some of the world s most compelling islands Jersey Ireland Tasmania Corfu Ereikousa Prince Edward Island Malta explores the psychology of islands islanders and their visitors the literatures they stimulate and the scientific ethical and biogeographical issues they present in an increasingly globalised world Corfu the home of Lawrence and Gerald Durrell in the 1930s and host to literary and scientific enquiry is the place where this collection was conceived and occupies a central place in its discussions Irish Modernism and the Global Primitive C. Culleton,2008-12-08 This book scrutinizes the way modern Irish writers exploited or surrendered to primitivism and how primitivism functions as an idealized nostalgia for the past as a potential representation of difference and connection
