The Blue Susurrations Nastaran Aghajani, 2023-12-06 A journey of crossing the border between dreams and reality I let the world be a different world Every day at daybreak before reality could exercise control over my imagination I let the world whisper in a different language And why not I was able to pretend in the sky that ours was a world of laughter and kindness of honesty and compassion of peace and happiness Trapped among people who lost their souls with the brooding world pushing in Runiya hides behind her dreams This is how she survives her life running away from the harsh realities Yet there is no escaping the unwanted and forbidden bond she has formed with a creature that humankind fears the most It stalks her A shadow attached to her heels *The Blue & Gray Almanac* Albert Nofi, 2020-01-10 Help s readers to examine this period in history with a more cultural perspective than other books have clear concise and crisp fascinating San Francisco Book Review During the final days of the war some Richmond citizens would throw Starvation Parties soirees at which elegantly attired guests gathered amid the finest silver and crystal tableware though there were usually no refreshments except water Union Rear Admiral Goldsborough was nicknamed Old Guts not so much for his combativeness as for his heft weighing about three hundred pounds he was described as a huge mass of inert matter 30 6 percent of the 425 Confederate generals but only 21 6 percent of the 583 Union generals had been lawyers before the war In 1861 J P Morgan made a huge profit by buying five thousand condemned US Army carbines and selling them back to another arsenal taking the army to court when they tried to refuse to pay for the faulty weapons Major General Loring was reputed to have so rich a vocabulary that one of the men remarked he could curse a cannon up hill without horses Many militia units had a favorite drink the Charleston Light Dragoons punch took around a week to make while the Chatham Artillery required a pound of green tea leaves be steeped overnight There were five living former presidents when the Civil War began and seven veterans of the war plus one draft dodger went on to serve as president These stories and many more can be found in this treasury of anecdotes essays trivia

and much more including numerous illustrations that bring this historical period to vivid life **The Next President of the United States** ,R.A.W.,2023-01-02 This great country was founded on Christian principles and ideologies to escape a tyrannical government and pave the pathway to freedom for its citizens However there are those in power who are desperately trying to take away our freedoms through force coercion deception and indoctrination As a result American democracy is on the verge of collapse This should not come as a surprise as great civilizations of the past have followed the same predictable sequence Measures must be taken to stop this sequence if we care for our way of life Fixing the problem is not a task reserved for the select elite in power We the people can implement common sense solutions to save our beloved country If democracy is lost in America then it will be lost to the world This book was created by a concerned citizen and gifted to those willing to open their eyes to the truth Join me on this journey to salvation Freedom is never more than one generation away from extinction We didn't pass it to our children in the bloodstream It must be fought for protected and handed on to them to do the same or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free Ronald Reagan **Books in Print** ,1994 The Thin Red Line; and Blue Blood Arthur Griffiths,2019-12-04 In The Thin Red Line and Blue Blood Arthur Griffiths masterfully intertwines the themes of duty loyalty and the complexities of class within the British military context The narrative employs a vivid literary style marked by atmospheric prose that evokes the tensions of Victorian England juxtaposing the valor of soldiers with the stark realities of war and aristocratic life Griffiths dual stories explore not only the psychological landscape of his characters but also the moral quandaries faced by individuals caught between love and obligation revealing the thin line that separates bravery from cowardice Arthur Griffiths an accomplished writer and former soldier draws upon his own experiences and observations within the military to craft these compelling tales Having witnessed the societal dynamics of his time Griffiths leverages his intimate knowledge of military culture and class distinction to enrich the characters' journeys imbuing the narrative with authenticity and depth His unique perspective as both participant and chronicler of Victorian society provides a profound context to the moral dilemmas presented in this work Readers seeking an engaging exploration of courage and societal expectations will find The Thin Red Line and Blue Blood to be a rewarding read Griffiths insightful portrayals of the human condition within the confines of duty will resonate with those intrigued by history psychology and the lasting implications of war **Angel's Duty: A Paranormal Angel Romance** Aimee Robinson,2023-02-28 Her touch rekindled his dormant power yet she wants nothing to do with him Can he convince her he's more than the stuff of her nightmares Tungsten leader of the fallen sentinel angels has one job restore heaven's light to its celestial throne and cut down any demon charmers who get in his way A task made difficult when the very light he's sworn to protect manifests in the one mortal woman who refuses to even look at him His very nature reminds her of the abuse she suffered during a demon abduction but his angel fire cries out for her It's a call he's growing more powerless to resist Any day now Tammy Meyer

hopes her life will return to normal But normal is a pipe dream when her sleepless nights are plagued with terrifying nightmares of torturous demons who still hunt her For her protection a fallen angel is assigned as her bodyguard An angel who claims she s something more just like the demons had But she ll be damned if she s bound to another thing ever again Tammy refuses to be managed Especially not by a dangerously strong angel whose constant nearness threatens to break through her indestructible resolve But the bond between them cannot be denied When a great enemy resumes the hunt for Tammy and threatens to annihilate the sentinels Tungsten must convince her to let him in before heaven s guard and his heart is destroyed for good Reader advisory Contains themes of abduction and post traumatic stress *Infantry Journal*,1947 *Echo Among Warriors* Richard Camp,2022-02-02 In this dramatic action packed novel of the Vietnam War U S Marine troops encounter North Vietnamese soldiers in the jungle In war every action has a beginning and an end *Echo Among Warriors* is a story of close combat between two opposing equally committed adversaries The powerful narrative immerses the reader in both sides of the battle playing and replaying the same battle sequence from alternating viewpoints through the eyes of the Marines and through the eyes of the North Vietnamese The bullet fired from a Marine s M 16 at a silhouetted enemy soldier crouched on the jungle path will in the next chapter tear into the flesh of that crouched NVA trooper The story unfolding from the initial contact to the final horrific ending represents just one of perhaps thousands of deadly encounters that reflect the reality of battle a mind numbing intensely personal experience that forever changes the participant Praise for *Echo Among Warriors* An intense you are there fictionalized consideration of close quarters fighting during the American war in Vietnam The final ten chapters are as realistically and breathlessly action packed as you will read anywhere The VVA Veteran Incredible detail great read I know once I started reading it it would be non stop and it was Major Fred Allison USMC Ret **Local and National Poets of America** Thomas William Herringshaw,1890
