The European Renaissance in American Life Paul F. Grendler, 2006-03-30 An informative but light hearted look at the popularity of the Renaissance today this book was written by a Renaissance scholar intrigued with the way his subject continues to resonate outside the scholarly community His purpose is to uncover and describe the many manifestations of America's love of the Renaissance Why do millions don costumes to attend Renaissance Faires Why do novels and films about the period enjoy continued popularity as do Renaissance icons such as Elizabeth I Michelangelo Shakespeare and the Mona Lisa How is it that American politicians and business leaders still look to Machiavelli as a symbol of wisdom or of evil Grendler posits that Americans embrace the Renaissance as a model of culture and sophistication seeing it as confirmation that the individual can achieve greatness against long odds a belief at the core of our own society After an examination of The Real Renaissance 1400-1620 the book looks at ways in which Americans relive the experience including Faires and Living Last Suppers ways in which we re create the Renaissance in our own world and finally ways in which the Renaissance is portrayed for better or worse in fiction and film

The Prince Niccolò Machiavelli, 2008-04-17 Based upon Machiavelli's first hand experience as an emissary of the Florentine Republic to the courts of Europe The Prince analyses the usually violent means by which men seize retain and lose political power This fluent new translation is accompanied by comprehensive notes and an introduction that dispels some of the myths associated with Machiavelli and considers the true purpose of The Prince

Machiavelliana Michael Jackson, Damian Grace, 2018-06-05 In *Machiavelliana* Michael Jackson and Damian Grace offer a comprehensive study of the uses and abuses of Niccol Machiavelli's name in society generally and in academic fields distant from his intellectual origins It assesses the appropriation of Machiavelli in didactic works in management social psychology and primatology scholarly texts in leaderships studies as well as novels plays commercial enterprises television dramas operas rap music Mach IV scales children's books and more The book audits surveys examines and evaluates this Machiavelliana against wider claims about Machiavelli It explains the origins of Machiavelli's reputation and the spread of his fame as the foundation for the many uses and misuses of his name They conclude by redressing the most persistent distortions of Machiavelli

Management and Machiavelli Antony Jay, 1994 In this revised edition of his 1967 bestseller Jay revisits the corporate universe and once again tries to make sense of it all With the clear vision of a historian and political scientist he assesses the nature and behavior of corporate princes and commoners based on principles of ancient government

Maquiavel no Brasil: dos descobrimentos ao século XXI Organizadores_Rodrigo Bentes Monteiro e Sandra Bagno, 2015-09-02 *Maquiavel no Brasil* trata de um tema fascinante os percursos da obra de Nicolau Maquiavel desde os primeiros movimentos da colonização portuguesa no século XVI até os dias de hoje A obra desbrava com a competência acadêmica e com a complexidade reivindicada pela pesquisa de fontes aspectos desconhecidos da recepção deste multifacetado personagem em terras brasileiras num mergulho inédito nos tortuosos caminhos e descaminhos da obra desse florentino genial que continua a surpreender São 500 anos de história de sucessivos e recorrentes maquiavelismos que constituíram e continuam a formar a política tal como ela ou insiste em ser hoje assim com suas alternativas

The Leaders We Need Michael Maccoby, 2007 A leader is someone people follow But why do people follow Books abound on leaders but much less is known about followers In *The Leaders We Need* Maccoby steps into this yawning gap in the literature This insightful book shows that followers have their own powerful motivations to follow Many relate to their leader as to some important person from the past a parent a sibling a close friend With major shifts in family structure and other social changes especially transformations in technology and work life these transferences have grown complex making leaders work more challenging The key for modern day leaders Being sensitive to how a group's collective psychology and social context shape its leadership needs For example factory workers in a large city during a period of relative calm would need very different leaders than people working in a start management consultancy during a time of stiffening competition The author outlines the profound shift from a more bureaucratic society and leadership model to an interactive collaborative one and provides crucial advice on how to become a leader we need Offering provocative psychological insight and thoughtful analysis of social and cultural changes this book examines leadership through an entirely new lens

Bass & Stogdill's Handbook of Leadership Bernard M. Bass, Ralph Melvin Stogdill, 1990 For 15 years and through two editions this handbook has been indispensable for serious

students of leadership Now in this third edition Bass introduces a decade of new findings on the newest theories and models of leadership With over 1 200 pages of essential information Bass Stogdill s Handbook of Leadership will continue to be the definitive resource for managers for years to come
