The Bottomless Pit:

The Key of the Bottomless Pit Tom McElmurry, 1987 *The Bottomless Pit* Jesse Skiles, 2020-01-29 Saddle Ridge hid a dark secret for a hundred years It s the home of a mysterious cult called the Order of Souls For seventy years their activities were so private its members were unknown Then the traditional practice of infant sacrifice on a bloody altar was witnessed by someone outside the cult A quiet shunned girl named Abby threatened their existence and exposure Her penalty death in the Bottomless Pit Thirty years later Dani has a tragic accident while riding her favorite horse Her fatal accident mysteriously links her and Abby What dark mystery carries her across the chasm between life and death What do she and Abby share that binds their souls through three decades of time and space In these windswept hills that overlook carpeted plunging valleys Dani learns who Abby really is and much more Scorned and mocked by the local children in Saddle Ridge Dani readily accepts this strange relationship unaware that Abby is the one who created the chaos with the Order of Souls Dani is also unaware that she is Abby s vessel for the revenge Abby promised But those children of thirty years ago are now adults Killing them would not bring her the pleasure it did them when she died But Abby still has a thread of humanity about her and decrees that she will spare them if they do one thing confess their ugly secret that has haunted the town for a hundred years When they adamantly refuse the horror begins Who will die next in this troubled town How many more must pay the price for the iniquity of a dangerous cult Dani and Abby join forces to fight the evil that leaves Saddle Ridge in the grip of horror Dani s family her friends and the whole town watch as she goes head to head with the worst kind of evil Don t let the Bottomless Pit catch you with your guard down Keep your shields up from the opening paragraph to the last word lest you become the Pit s next victim Out of the Bottomless Pit Book 2 S N Strutt (Stephen), 2022-12-14 OUT OF THE BOTTOMLESS PIT II is a sequel to my first book OUT OF THE BOTTOMLESS PIT I about the paranormal and the supernatural I am sure that you have already noticed the vicious dragon on the front cover coming out of the Bottomless Pit along with locusts with scorpion tails and ferocious giants coming out of the Pit and attacking people taken from the Book of Revelation chapter 9 What will a transhuman technology do to our future Is it wise to create hybrids Could some of our tinkering in dark science end up coming to haunt mankind I have personally met the Men in Black many years ago and had many strange paranormal experiences in seeing UFO s on five different occasions Some of the experiences were not pleasant What are the Ley lines Why does science pretend to know so much when in fact they know very little because they deny so much Why Because they leave out the supernatural and the fact there are many other dimensions The Author **The Beast from the Bottomless Pit** James Cannon, 2015-07-09 The Beast From The Bottomless Pit The book of Revelation reveals foretold history and current events In Revelation 17 we find the harlot riding the beast This beast we are told in verses 8 11 is the beast from the bottomless pit and the eighth and final head of the beast The symbolism is identified with the world empire ruling today Out of the Bottomless Pit S.N. Lindsay,1962-01-01 *The Bottomless Pit* Jon Gee Ruez,2010-10-27 The Bottomless Pit is a short fiction story based on a chapter in the Bible Revelation Chapter nine King James Version This story describes a set of events as told by Paul the main character who finds himself lost and confused over a series of events that transpire out of his control over a period of roughly two years It is set in current times or perhaps a few years into the future The setting is on or near a national forest somewhere in the northwestern United States This story illustrates the short sightedness of man and his inability to change his nature regardless of events that occur in his surroundings A few are deeply impacted but the majority of people continue with life as usual Revelation Gerald McDaniel,2018-02-09 One of the things that this author has noticed concerning other commentators on the book of Revelation is that typically many brilliant authors who normally would write wonderful information on other parts of the Bible would throw the simple guidelines on how to interpret the Bible out the window when coming to the book of Revelation For some reason many commentators would move the entire book of Revelation into figurative language and totally miss what God is telling us in the book of Revelation Please see another book by this author How to Study the Bible for Yourself which contains and explains the ten laws of hermeneutics Please read this book Revelation very carefully and with much prayer **Lost in the Bottomless Pit** J.
