The Boundless God:

The Boundless God Adrienne von Speyr, 2011-08-08 The nature of God is that he cannot be bound to one place or time but he also took finite form bounded to a redemptive act and time that forever changed the world The understanding of the Triune God also brings together a certain boundedness that cannot be taken in any way to limit the bounds of the Creator In this treatment on the nature of the Lord Adrienne Von Speyr's mystical erudition is implemented to great effect allowing the reader to glimpse a view of God that many lack The fruitfulness of these meditations is evident on every page and brings the Christian view of divinity to a new and beautiful level of interpretative thought

The Blessed and Boundless God

George Swinnock, 2014-07-31 From the psalmist's assertion that no one in heaven or earth is like God George Swinnock derives his principal doctrine namely God is incomparable Throughout *The Blessed and Boundless God* he proves his doctrine by demonstrating God's incomparableness in His being attributes works and words Swinnock is a pastor theologian who views theology as the means by which we grow in acquaintance with God and consequently in godliness Therefore he carefully applies his doctrine by demonstrating how God's incomparableness informs counsels and comforts us Read this book prayerfully thoughtfully and expectantly keeping in mind Swinnock's simple conviction that when we take the incomparable God as our God we are incomparably blessed Table of Contents Part 1 God's Incomparable Being Part 2 God's Incomparable Attributes Part 3 God's Incomparable Works Part 4 God's Incomparable Words Part 5 Application Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today
