**The Wild Horse Dilemma** Bonnie U. Gruenberg, 2016-04-16 Tirades and threats Hyperbole and deception Changing landscapes and immutable opinions Living traditions and dead animals The conflicts that rage around the wild horses of the Atlantic coast can be loud confusing and downright vicious Wild horses have lived on these barrier islands for hundreds of years and many people would like to see them remain Horse advocates and horse detractors alike turn to research to support their claims but often reach different conclusions from the same information Engaging the reader at every turn of the page Bonnie Gruenberg frequently breaks new ground as she separates fact from myth and exposes the roots of issues for the reader to consider She does not flinch from probing questions Are these horses wild or feral Native or exotic Were Chincoteague Ponies used in bioweapons research Did the U S Coast Guard patrol East Coast beaches with Western mustangs in WWII How does the condition of lactating mares predict environmental health She weaves a story of ancient origins and current events hard science and fiery passion The result is the most comprehensive and factual reference on the wild horses of the Atlantic coast *Preslaughter handling and slaughter of meat animals* Luigi Faucitano, 2023-08-14 Preslaughter handling and slaughter of meat animals is unique because it covers the entire period of preslaughter period and slaughter and its effects on the welfare of multiple species destined for meat production Several chapters describe the current knowledge on all welfare topics from pre transport preparation at the farm to stunning and slaughter and the assessment of animal welfare and stress through physiological behavioural and meat and carcass quality measures Other chapters cover new and important topics such as mobile slaughter and preslaughter handling and slaughter of non traditional meat species This unique and comprehensive work is written by internationally renowned experts and accomplished scientists in the field who are engaged in active research laboratories and who have demonstrated their devotion to animal care and welfare This work will be of interest and relevance to animal scientists academics students animal welfare and industry associations policy makers veterinarians livestock and poultry chain stakeholders and all those involved in and who care about the humane handling of meat species **The Unwanted Horse Issue: what Now?** United States. Horse Welfare Committee, 2008 Horse Feeding and Management Markku Saastamoinen, 2020-04-30 Horses perform variety of roles in our society serving people in several ways Proper nutrition and feeding management are some of the main objectives to ensure the well being and performance of horses Thus the link between equine health and good dietary treatment must be recognized to increase our understanding of the needs of the horse It is important to ensure science based knowledge is available to all stakeholders and people working in the horse industry This book presents research papers published in the Special Issue of Animals entitled Horse Nutrition and Management **Protecting Animals Within and Across Borders** Charlotte E. Blattner, 2019 How can we protect animals more effectively both at home and abroad given the ongoing globalization of animal production This book provides a catalogue of options for extraterritorial jurisdiction which states can

employ to strengthen their animal laws It offers top down perspectives drawn from general international law and trade law and complements them by a bottom up view from the perspective of animal law *H.R. 503, a Bill to Amend the Horse Protection Act* United States.
