luck that she wasn't there when the dragon attacked Without any friends or family without a shred of hope that anyone might believe her she strikes off alone into the forest looking for people that can help The world is new and untamed The people are leaderless and wild There has never been an alliance to unite them but an alliance is exactly what the realm needs Because a darkness is coming One that threatens to consume them all Book 2 Curiosity Life's a game of chance When Kiera's village was destroyed by a three-headed dragon she thought her biggest problem was going to be getting people to believe her story Little did she know the dragon was going to be the least of her troubles After finding the proof they needed in the charred remains of Cattaling the three friends set out on a journey across the realm to find the answers that they seek But the road is often perilous and filled with creatures that would kill them just as easily as a dragon When the bonds between them are tested they're found to be new easy to splinter and break The journey seems endless and time is not on their side It's only a matter of time before the creature returns and when it does they need to be ready How does one fight such an enemy Where could it have been hiding all this time Can just three lone companions make a difference Or are the fates simply not on their side Book 3 Scrutiny How do you answer when the devil comes to call When a swarm of monsters crashed out of the forest Kiera thought it would be a struggle just to stay alive But it's not enough to survive one must also defend And as fate would have it there was an ever greater danger lurking in those trees Old enemies surface and ancient grudges come to light as a new player enters the field One that could bring ruin to them all One whose intentions are never quite what they seem The newfound fellowship is shaken to the core but as they are constantly reminded time is not on their side Other places in the realm have felt the burn of the dragon A strange change is coming over the land creeping like a shadow silent as a dream With no kingdoms there to stop it no massing armies to fight back such a darkness could consume them The friends need answers But will they get them in time BEGINNING S END SERIES Beginnings Curiosity Scrutiny Foresight Disavow Trickery Wisdom Decree Influence Prevail Dignified Honored **Blood Sacrifice** Dong FangBuBai, 2020-06-04 I can cover the sun and the moon with my heart The color of the mountains and rivers changed The Heavens had no eyes but they were able to defy the heavens and turn into a demon The heaven and earth were moved Blood flowed like a river washing away the muddy water The universe was turned upside down Close **Evil Influences** Steven Starker, 2017-10-24 Each new development in the mass media has elicited highly charged criticism from alarmed observers Comics romance novels music videos and even movies radio and television have all been denounced as threats to children teenagers adults and even the stability of civilization itself Organized into community groups citizens have repeatedly taken militant action against the media ranging from book burnings to blacklisting and from harassment of individual publishers to attempts to regulate entire industries Investigative committees and commissions are not uncommon What is it about the media that generates such attacks Evil Influences examines the historical sociological and psychological background of current controversies regarding the media Starker finds that even though it is couched in logic or scientific theory such hostility is almost always a byproduct

of fear fear of imagination and fantasy fear of change fear of human aggression and sensuality Successive media developments have challenged traditional perceptions and habits by introducing powerful visual and emotional elements into mass communication Because they frighten and threaten a part of the audience new forms of mass media engender public outrage and become easy scapegoats accused of everything from stimulation of violence to promotion of conformity This book is addressed to those who inevitably participate in media debates social scientists educators communications professionals the clergy and educated parents Its intention is to prepare us for the arrival of new media forms and their associated threats
