goodbye and depart proclaiming the entrance to be forbidden The good fairy who altered the evil prophecy is summoned Having great powers of foresight the fairy sees that the Princess will awaken to distress when she finds herself alone so the fairy puts everyone in the castle to sleep The fairy also summons a forest of trees brambles and thorns that spring up around the castle shielding it from the outside world and preventing anyone from disturbing the Princess A hundred years pass and a prince from another family spies the hidden castle during a hunting expedition His attendants tell him differing stories regarding the castle until an old man recounts his father's words within the castle lies a beautiful princess who is doomed to sleep for a hundred years until a king's son comes and awakens her The prince then braves the tall trees brambles and thorns which part at his approach and enters the castle He passes the sleeping castle folk and comes across the chamber where the Princess lies asleep on the bed Struck by the radiant beauty before him he falls on his knees before her The enchantment comes to an end by a kiss and the princess awakens and converses with the prince for a long time Meanwhile the rest of the castle awakens and goes about their business The prince and princess are later married by the chaplain in the castle chapel
