Sexuality in Adolescence Susan Moore, Doreen Rosenthal, 1993 Susan Moore and Doreen Rosenthal review current work on adolescent sexual development including data from their own studies on sexual risk taking and the social contexts in which young people form their sexual beliefs

Range of Light Valerie Miner, 2014-08-19 Two old friends who have not seen each other for decades spend a week hiking through the stunning scenery of California's High Sierra Twenty five years ago a group of five high schoolers trekked through the High Sierra Now two of them lesbian Kath and straight Adele come back to repeat their journey and renew their friendship In chapters that alternate between the women's voices they reveal their pasts their thoughts and their reactions both to the scenery and to each other For Kath the sublime topography of the Sierra is inspiring and invigorating Adele is more trepidatious Over the course of their journey up to High Country old stories tensions dreams and disappointments come to the surface A unique study of the complexity of the bonds between women this transporting book written with elegance and restraint is among Miner's finest work

Sleep Medicine John M. Shneerson, 2009-02-12 On average people spend one third of their life sleeping An understanding of the physiology and pathophysiological changes that take place during this time is therefore essential to the medical care of patients Sleep disorders can arise from a variety of causes including respiratory psychiatric and neurological conditions as well as pain and lifestyle changes Consequently their understanding is pertinent to a wide range of clinicians who require an overview of their diagnosis and treatment Written by one of the UK's leading authorities on sleep medicine Sleep Medicine A Guide to Sleep and its Disorders presents a practical guide to the clinical problems related to sleep disorders An experienced author John Shneerson writes concisely and presents the information in a most accessible way The text is clearly organised and full use has been made of tables and line diagrams Whilst the body of the text is clinical in approach the scientific basis of sleep and sleep medicine and the technical aspects of sleep investigations are explained fully The book is divided into three sections The first group of chapters considers the fundamentals of sleep the effects of drugs on sleep and how to assess sleep complaints The main body of the book consists of chapters on individual sleep disorders Each of these has a structured approach outlining both assessment and treatment Insomnia excessive daytime sleepiness awareness during sleep and behavioural abnormalities are covered The final chapters deal with the important respiratory consequences of upper airway dysfunction changes in the control of breathing during sleep and the social implications of sleep problems Sleep medicine is a fast developing discipline which interfaces with many of the medical specialties Sleep Medicine A Guide to Sleep and its Disorders enables doctors and other health professionals to access recent advances ensuring that their patients receive the optimum treatment for their sleep disorders

The Confessions of a Misfit Mokokoma Mokhonoana, 2016-10-18 Do not allow your love for or hatred of America be the only reason you read or do not read this book because it has absolutely nothing to do with or say about the U S As one reader of the book has remarked As he explores various subjects Mokhonoana

Shelton,2014-01-06 This is the third book of the Adventure of Jackie Miles series The summer is ending and its time for school It is freshman year at State High School for Jackie Jasmine and Rachel Everything is new as they adjust to high school Jasmine meets a high school senior named Rico James Nolan moves to nearby Statesville with his aunt He will attend the high school with his friends Rachel runs for class president Soon something happens that will change their fall semester *The Young Nimrods Around the World* Thomas Wallace Knox,1882 **Philip K. Jason Greatest Hits** Philip K. Jason,2005-08 A Time to Dance Karen Kingsbury, A Result of Trauma Katina ReNee Dolford,2024-07-29 In a heartfelt dialogue with God I once expressed feeling emotionally burdensome and isolated asking Can t I have anyone to talk deeply about the things I go through on a continual basis without being ghosted abandoned and ditched This book is born from the depths of my experiences with sexual mental and emotional

trauma that I navigate daily Many of the accounts within these pages are shocking horrifying and may even be traumatizing to some Yet they represent the clearest and most artistic depiction of the atrocities inflicted upon me When people meet me they often see the strong persona I ve projected but the true individual they encounter is the wounded woman standing at the forefront still healing This book is not just my story it is an advocacy for the little girl within me who deserves to have her story told the mental physical emotional and sexual abuses that caused these deep wounds There are many who have endured similar or even more harrowing experiences and they will find understanding and relatability in this journey Healing is a process not a destination As I uncover new layers of pain to heal I invite readers to join me in this ongoing journey of recovery and resilience

What We Did in Bed Brian Fagan,Nadia Durrani,2019-09-24 A social history that pulls back the covers on the most intimate piece of furniture in our lives Entertaining will keep you awake long into the night Paul Chrystal author of The History of Sweets Louis XIV ruled France from his bedchamber Winston Churchill governed Britain from his during World War II Travelers routinely used to bed down with complete strangers and whole families shared beds in many preindustrial households Beds were expensive items and often for show Tutankhamun was buried on a golden bed wealthy Greeks were sent to the afterlife on dining beds and deceased middle class Victorians were propped up on a bed in the parlor In this sweeping social history that spans seventy

thousand years Brian Fagan and Nadia Durrani look at the endlessly varied role of the bed through time This was a place for sex death childbirth storytelling and sociability as well as sleeping But who did what with whom why and how could vary incredibly depending on the time and place It is only in the modern era that the bed has transformed into a private hidden zone and its rich social history has largely been forgotten Includes photographs **With Fire and Sword** Henryk Sienkiewicz, 1897
