inside each of us a miraculous yearning to be known is sewn into the places God knows best From the first movements within the womb to the last breath we take know me is whispered throughout our lives Author Lynn McLeod s Loving Strangers by God collides the two adages we were raised with stop to smell the flowers and don t talk to strangers Happening amid the impact is where she reveals some of God s most mysterious artwork What if strangers were actually disguised flowers What if secrets within us could only be unlocked through their eyes And what if the beauty in God s creation is especially miraculous when found there Most of us can point to an unlikely encounter with a stranger that held a powerful new appreciation for how we could be known Told through short stories each chapter skillfully studies how God s mighty powerful and unfathomable hand touches us with the strangers who cross our path Among those you will meet are a young girl accepting bubblegum from a stranger who teaches her the protection found in truth a man in an elevator who redirects the path of a troubled woman as he prays a millionaire who refuses to allow changes in life change her a blind author who encourages a clear vision and a nurse who comforts a critically injured patient by finding her missing dog In Loving Strangers by God you
